Marcel A. Müller

Wac Town S Adam And Eve:

Pilgrimage to Jerusalem and the Holy Land, 1187-1291 Professor Denys Pringle, 2013-07-28 This book presents new translations of a selection of Latin and French pilgrimage texts and two in Greek relating to Jerusalem and the Holy Land between the fall of Jerusalem to Saladin in 1187 and the loss of Acre to the Mamluks in 1291 It therefore complements and extends existing studies which deal with the period from Late Antiquity to Saladin's conquest Such texts provide a wealth of information not only about the business of pilgrimage itself but also on church history topography architecture and the social and economic conditions prevailing in Palestine in this period Pilgrimage texts of the 13th century have not previously been studied as a group in this way and because the existing editions of them are scattered across a variety of rather obscure publications they tend to be under utilized by historians despite their considerable interest For instance they are often more original than the texts of the 12th century representing first hand accounts of travellers rather than simple reworkings of older texts Taken together they document the changes that occurred in the pattern of pilgrimage after the fall of Jerusalem in 1187 during its brief reoccupation by the Franks between 1229 and 1244 and during the period from 1260 onwards when the Mamluks gradually took military control of the whole country In the 1250s 60s for example because of the difficulties faced by pilgrims in reaching Jerusalem itself there developed an alternative set of holy sites offering indulgences in Acre The bringing of Transjordan southern Palestine and Sinai under Ayyubid and later Mamluk control also encouraged the development of the pilgrimage to St Catherine's monastery on Mount Sinai in this period The translations are accompanied by explanatory footnotes and preceded by an introduction which discusses the development of Holy Land pilgrimage in this period and the context dating and composition of the texts themselves The book concludes with a comprehensive list of sources and a detailed index The Edinburgh Gazetteer ,1822 **An Italian Voyage, Or, a Compleat Journey Through**

Anatomies Lucia Dacome,2017-06-02 Malleable Anatomies offers an account of the early stages of the practice of anatomical modelling in mid eighteenth century Italy It investigates the mania for anatomical displays that swept the Italian peninsula and traces the fashioning of anatomical models as important social cultural and political as well as medical tools Over the course of the eighteenth century anatomical specimens offered particularly accurate insights into the inner body Being coloured soft malleable and often life size they promised to foster anatomical knowledge for different audiences in a delightful way But how did anatomical models and preparations inscribe and mediate bodily knowledge How did they change the way in which anatomical knowledge was created and communicated And how did they affect the lives of those involved in their production display viewing and handling Examining the circumstances surrounding the creation and early viewing of anatomical displays in Bologna and Naples Malleable Anatomies addresses these questions by reconstructing how anatomical modelling developed at the intersection of medical discourse religious ritual antiquarian and artistic cultures and Grand Tour display While doing so it investigates the development of anatomical modelling in the context of the diverse worlds of visual and material practices that characterized the representation and display of the body in mid eighteenth century Italy Drawing attention to the artisanal dimension of anatomical practice and to the role of women as both makers and users of anatomical models it considers how anatomical specimens lay at the centre of a composite world of social interactions which led to the fashioning of modellers as anatomical celebrities Moreover it examines how anatomical displays transformed the proverbially gruesome practice of anatomy into an enthralling experience that engaged audiences senses *Museum of Foreign*
