Waiting For The One:

In the Waiting: One Mom's Quest for Finding Joy and Faith During Her Daughter's TBI Recovery Natalie Godfrey, 2023-03-15 Two months into the new reality of a worldwide pandemic death came to collect another soul not by way of a virus but in the form of a horrific car accident An event that left one mom s daughter who was three days short of finishing high school badly broken and torn and with a brain injury so severe that no one gave her any chance of survival No one freely handed out any encouragement or optimism about the present let alone the future and watching her daughter sway between life and death for several weeks should have broken this mom s foundation of faith but instead it became the catalyst that pushed her into a self imposed quest to find joy and positivity something she knew she would need to help her get through the grueling days that viciously waited ahead of her Through her daily writing she chronicles the daunting journey of the darkest and toughest emotional and mental walk of her life but it would in due course bring her the joy she sought after strengthen her faith and ultimately get her to the impossible witnessing the miraculous gains in her daughter s physical and cognitive healing
