British Grand Strategy in the Age of American Hegemony William D. James, 2024-01-18 Is the United Kingdom capable of grand strategy Common wisdom suggests otherwise Some think it implausible amid the maelstrom of domestic politics while others believe the UK lacks the necessary autonomy as a cog in the US led order British Grand Strategy in the Age of American Hegemony challenges these claims William D James contends that grand strategy is an unavoidable part of governing Grand strategy is the highest level of national security decision making encompassing judgements over a state s overarching objectives and interests as well as its security environment and resource base Getting these decisions right is vital in moments of geopolitical flux Employing several historical case studies between 1940 2003 and marshalling a host of primary sources James argues that British politicians and officials have thought in grand strategic terms under American hegemony even if they do not realise or admit to this He also demonstrates that the role of allies in shaping British grand strategy has been overstated Finally James highlights the conditions under which domestic political actors can influence grand strategic decision making Written for practitioners as well as scholars the book concludes with several policy recommendations at this inflection point in British history

Everyday Enchantments Maria F. DeBlassie, 2018-10-26 Spellbinding meditations on conjuring your own bliss Everyday Enchantments is a love letter to the magic of everyday life the sweet moments and the profound that we often overlook in our hurry to get from one place to the next This collection of essays reminds us to escape into the ordinary find beauty in a simple cup of tea or rereading a beloved novel and joyfully let our world turn upside down when synchronicity strikes in the form of wrong turns down forgotten lanes and unexpected midnight conversations with the moon Everyday Enchantments is a study in what it means to live deliciously joyfully and magically And it s an invitation to conjure your own bliss because let s face it we could all use a little more magic in our lives **Index Medicus** ,2001 Vols for 1963 include as pt 2 of the Jan issue Medical subject headings *OPEC and the Petroleum Industry* Mānī' Sa'īd 'Utaybah, 1975 Playing the Matrix Mike

Dooley,2019-07-23 From the New York Times bestselling author of Infinite Possibilities and Life on Earth Playing the Matrix is a master class for creating the life you want to live Tried and true delivered and perfected over a decade while being shared live with tens of thousands of students in 132 cities in 34 countries upon 6 continents This is Mike Dooley s advanced course on living deliberately and creating consciously The concepts he shares were born of material he s delivered to live audiences the world over culminating in his most impactful most transformational program ever Now for the first time in 17 years of touring these ideas are to be shared in book form At the heart of the Matrix lies a simple yet highly unexpected concept for creating major life change that s unlike anything shared by other teachers past and present It clearly reveals why manifesting sometimes works with incredible ease why it sometimes doesn t work at all and why on occasion it works and yet in hindsight we wish it hadn t Readers will not only learn about the Bermuda Triangle of Manifesting that too often leads to heartbreak and loss they ll learn how to navigate around it under full sail with their own new a ha moments that will teach them How to achieve clarity in purpose and desire and thereby avoid contradictions and self sabotage How to fuel their dreams with passion while not attaching to unimportant details and outcomes How to plan and take action on their dreams without messing with the cursed how s And so much more

Memories of Jewish Life Augusto Segre,2008-01-01 In this lyrical memoir translated for the first time into English noted Jewish historian author translator and activist Augusto Segre not only recounts his rich life experiences but also evokes the changing world of Italian Jewry in the twentieth century Raised in the traditional Jewish community of Casale Monferrato in the former ghetto Segre depicts the changes wrought on his people by emancipation fascism world wars and the Holocaust Segre was a vocal opponent of Italian fascism and a combatant in Italy s partisan war against the Nazis With the help of Italian peasants he and his family spent eighteen months evading German and Italian fascist soldiers during the German occupation of Italy Segre also was an ardent Zionist who helped refugees escape to Israel and ultimately immigrated himself in 1979 He spent three months in Israel in 1948 chronicling Israel s War of Independence With an ethnographic eye Segre interweaves his own memories with those of his rabbi father and uses newspapers public documents and letters to reveal the shared emotions and moods of a people and the impact the greatest events in European and Jewish history had on them all The trend of Italian Jews toward assimilation was evident in Segre s time and an awareness of it pervades this work Memories of Jewish Life provides a rare glimpse into a traditional religious and vibrant working class Jewish community that no longer exists

Nationalism is on the rise again Simon Tomlin charts the rise of European neo nationalism from its violent reawakening in England in the 1970s in a nation struggling to find its identity after the loss of Empire to the modern imitations across the European Union and explains their success This is a gripping account of the mechanics of modern political power and the forces of the Old Order that are being confronted and defeated by nationalists From the back streets of Derbyshire with murdered neo Nazi leader Ian Stuart to the collapse of the British National Party and the rise of Marine Le Pen in France The Fanatics will leave you spellbound and shocked Are the 1930s coming round again in Europe The civil war in Ukraine and the involvement of thousands of neo Nazi volunteers should be the only warning people need of what is coming in Europe

Britain in the European Union Today Colin Pilkington,2001 A number of important changes have occurred since the first edition and these are covered fully in the book They include the introduction of the Euro the reform of the Commission the Amsterdam Treaty the elections of 1999 and Agenda 2000 Transcendental Wordplay Michael West,2000 Throughout the first half of the nineteenth century America was captivated by a muddled notion of etymology New England Transcendentalism was only one outcropping of a nationwide movement in which schoolmasters across small town America taught students the roots of words in ways that dramatized religious issues and sparked wordplay Shaped by this ferment our major romantic authors shared the sensibility that Friedrich Schlegel linked to punning and christened romantic irony Notable punsters or etymologists all they gleefully set up as sages creating jocular masterpieces from their zest for oracular wordplay Their search for a primal language lurking beneath all natural languages provided them with something like a secret language that encodes their meanings To fathom their essentially comic masterpieces we must decipher it Interpreting Thoreau as an ironic moralist satirist and social critic rather than a nature loving mystic Transcendental Wordplay suggests that the major American Romantics shared a surprising conservatism In this award winning study Professor West rescues the pun from critical contempt and allows readers to enjoy it as a serious form of American humor *Within Our Gates* Alan Gevinson,1997 These volumes are endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr
