day is shaped by the things you do the moment you wake up Here Is A Preview Of What You ll Learn Why Start Your Day Right A Cup of Happiness A Dose of Positivity A Leap of Faith Carpe Diem Much much more Start Your Day Right What do you do the moment you wake up Do you start your day by checking messages on your phone Or by checking your news feeds from different social media sites on your laptop Or by doing nothing because you don t really have any time for any morning rituals because you re late for work or school Or you simply woke up late and have nothing to do but sleep again Sounds familiar right You may be a night owl but being a morning person is not so bad According to researchers whatever you do first thing in the morning actually affects the whole day ahead You may be wondering how Let s put it this way you re a writer and you re starting a new book but you find it hard to start writing because you can t seem to make up your mind or better yet you have no springboard In another context you re an entrepreneur and you re starting out on a new venture but then you re having a hard time since you don t have enough resources Just like a good book having an awesome springboard or a successful business having enough resources you too must have an awesome springboard and enough resources so that your day would end up being an awesome one Here are some of the springboards or resources you ought to have Say a Prayer Prayer is the ultimate way for starting your day right When you start and end your day with a prayer you will have a peaceful heart and a peaceful soul Your prayer does not have to be lengthy and full of sugar coated words Just pray to be thankful for another chance in life and to pray for strength to hold on through all the challenges you are currently facing and for all the challenges that are to come Pray with a sincere heart and surely you will be heard Prayer is not asking It is a longing of the soul It is daily admission of one s weakness It is better in prayer to have a heart without words than words without a heart Mahatma Gandhi Wild Rose (The Late Bloomers Series, Book 1) Betsy Talbot,2015-03-17 New Series Fall in love with The Late Bloomers a series about five 40 something women who each choose adventure travel and love when they reach a crossroads in life These seasoned women are ready to take on the world starting with Book 1 Wild Rose About the Book Rose Quinn is having a very bad summer First her 19 year old daughter left home to backpack across Europe instead of going to college Then a woman she loved like a mother died of a heart attack making her feel like an orphan all over again And in just a few weeks her best friend will be moving to New York City For a single mother who s always had someone else to take care of Rose is finally wondering how to take care of herself Handsome Mateo Romero is a transplanted Spaniard running a restaurant on Lake Como in Italy A broken heart got him there but he s made a success of it just like he did his architecture business back in Madrid One thing he hasn t been successful with is love When Mateo hires Rose s daughter for a summer job and gives her a free place to stay Rose immediately suspects the worst She won t let her daughter make the same mistake she did at that age so Rose flies to Italy to confront Mateo What Rose finds instead is a secret she didn t suspect and a challenge to everything she s ever thought about love and the illusion of control Rose s daughter doesn t need saving but can Rose save herself Wake Up Happy Michael Strahan,2016-10-04 Michael Strahan spent his childhood
