Walk In The Woods A Bill Bryson:

A Walk in the Woods Bill Bryson, 2015 In the company of his friend Stephen Katz last seen in the bestselling *Neither Here nor There* Bill Bryson set off to hike the Appalachian Trail the longest continuous footpath in the world Ahead lay almost 2 200 miles of remote mountain wilderness filled with bears moose bobcats rattlesnakes poisonous plants disease bearing ticks the occasional chuckling murderer and perhaps most alarming of all people whose favourite pastime is discussing the relative merits of the external frame backpack Facing savage weather merciless insects unreliable maps and a fickle companion whose profoundest wish was to go to a motel and watch *The X Files* Bryson gamely struggled through the wilderness to achieve a lifetime's ambition not to die outdoors *A Walk in the Woods* Bill Bryson, 2010-09-08 NEW YORK TIMES

BESTSELLER The classic chronicle of a terribly misguided and terribly funny The Washington Post hike of the Appalachian Trail from the author of *A Short History of Nearly Everything* and *The Body* The best way of escaping into nature The New York Times Back in America after twenty years in Britain Bill Bryson decided to reacquaint himself with his native country by walking the 2 100 mile Appalachian Trail which stretches from Georgia to Maine The AT offers an astonishing landscape of silent forests and sparkling lakes and to a writer with the comic genius of Bill Bryson it also provides endless opportunities to witness the majestic silliness of his fellow human beings For a start there's the gloriously out of shape Stephen Katz a buddy from Iowa along for the walk But *A Walk in the Woods* is more than just a laugh out loud hike Bryson's acute eye is a wise witness to this beautiful but fragile trail and as he tells its fascinating history he makes a moving plea for the conservation of America's last great wilderness An adventure a comedy and a celebration *A Walk in the Woods* is a modern classic of travel literature NOW A MAJOR MOTION PICTURE **Quicklet on Bill Bryson's *A Walk in the Woods*: Rediscovering**

America on the Appalachian Trail Tiffanie Wen, 2012-02-16 ABOUT THE BOOK There was a time in my life when I wanted to be Bill Bryson when I thought If this is what a writer does I want to be a writer He has an uncanny knack for unearthing the hilarity in the most mundane and shoving it in your face for meeting the most insufferable strange and fascinating people for doling out the perfect amount of bitter sarcasm and for otherwise educating readers in an incredibly entertaining way He's the guy you want at your dinner party who you'd trust as your precious phone a friend I was in college the first time I stumbled upon the writer I wandered into a small bookshop one sunny afternoon to kill some time *A Walk in the Woods* was propped up in the travel writing section with a staff recommendation card that had one of my ALL TIME faves scrawled on it in thick black Sharpie ink I half wondered how a book with what I considered to be an unimpressive cover could be an ALL TIME fave so I flipped to a random page and started reading It's safe to say that within seconds I was smiling one of those broad dopey smiles and within minutes giggling stupidly to myself I'm pretty sure that I actually started to work up a sweat as I stood there in the now deafeningly silent shop reading in my overly warm university hoody suppressing my would-be shrieks I've learned since then that Bryson should be read in the privacy of one's own home Where one can feel free to snort

chuckle guffaw and otherwise revel in a cathartic case of the giggles I used to read passages of Bryson out loud to a roommate of mine and can recall one particular scene from Notes From a Small Island that left us both short of breath for minutes But it was with Bryson s 1998 bestseller that I had my first affair and which has become albeit very unoriginally one of my all time faves MEET THE AUTHOR Tiffanie Wen is a professional writer from the San Francisco Bay Area who s written for Newsweek Flux Hawaii Ode Magazine and more When she s not working she enjoys exploring new places around the world and spending time with her dogs Rocky and Benny EXCERPT FROM THE BOOK After living in the UK for over 20 years famed travel writer Bill Bryson relocated his family to Hanover New Hampshire and discovered that the Appalachian Trail ran through his small town He decided to hike the 2 100 mile long trail and acquired the company of his old friend Stephen Katz Without taking notes on the trail Bryson still managed to write the wildly popular travel book published in 1998 that held a seemingly permanent residence on New York Times Bestseller list A Walk in the Woods is quintessential Bryson hilarious at times and frightening at others he takes the layman out into the woods without ever asking him to ever leave his home In 2008 Robert Redford confirmed rumors that there are plans to develop A Walk in the Woods into a feature film starring Redford as Bryson Today the book is still one of the most popular pieces of work written about the Appalachian Trail Buy a copy to keep reading [Summary of Bill Bryson's A Walk in the Woods](#) Milkyway Media,2024-01-24 Get the Summary of Bill Bryson s A Walk in the Woods in 20 minutes Please note This is a summary not the original book In A Walk in the Woods Bill Bryson recounts his adventures and challenges while attempting to hike the Appalachian Trail AT after moving to New Hampshire Captivated by the trail s promise of fitness reconnection with nature and survival skills Bryson prepares for the hike learning about the necessary gear and the trail s history Despite the trail s completion in 1937 it has been subject to relocations and lacks the amenities originally envisioned Bryson and his hiking companion Katz experience the stark contrast between the wilderness and civilization indulging in the comforts of towns along the way **A Walk In The Woods** Bill Bryson,2010-03-02 Short of doing it yourself the best way of escaping into nature is to read a book like A Walk in the Woods New York Times In the company of his friend Stephen Katz last seen in the bestselling Neither Here nor There Bill Bryson set off to hike the Appalachian Trail the longest continuous footpath in the world Ahead lay almost 2 200 miles of remote mountain wilderness filled with bears moose bobcats rattlesnakes poisonous plants disease bearing tics the occasional chuckling murderer and perhaps most alarming of all people whose favourite pastime is discussing the relative merits of the external frame backpack Facing savage weather merciless insects unreliable maps and a fickle companion whose profoundest wish was to go to a motel and watch The X Files Bryson gamely struggled through the wilderness to achieve a lifetime s ambition not to die outdoors A Walk in the Woods is now a major feature film starring Robert Redford Emma Thompson and Nick Offerman [Summary of A Walk in the Woods](#) SellWave Audio,2025-10-11 A Walk in the Woods by Bill Bryson is a humorous insightful and often poignant journey through one of the most iconic hiking trails in the United States

the Appalachian Trail Stretching from Georgia to Maine this trail traverses some of the most awe inspiring landscapes in America from towering mountains to serene lakes through thick forests and rugged terrain Bryson with his signature wit and curiosity takes readers along for an adventure that is as much about self discovery as it is about nature He offers a blend of history ecology and personal anecdote reflecting on the trail s past and the people who have walked it both the brave and the foolish As Bryson sets out to conquer the 2 100 mile trail he s accompanied by his old friend Stephen Katz whose own unpreparedness for the hike provides both comic relief and moments of warmth Throughout the book Bryson paints a vivid picture of the natural beauty of the trail while also introducing us to the sometimes quirky characters he encounters Along the way he deals with physical exhaustion unexpected challenges and even a few encounters with wildlife most notably a couple of bears *A Walk in the Woods* isn t just a travel memoir it s a reflection on the wilderness human resilience and the sometimes comical difficulties of trying to reconnect with nature in a modern world Bryson s storytelling will make you long for the outdoors or at least appreciate a comfortable chair to sit back and read in *Bill Bryson* Scott P. Richert,2011 No one is born a famous writer beloved and read by millions of teens and adults Readers of the books in Today s Writers and Their Works will learn the story behind each writer s story for example how Amy Tan became a best selling author with her first novel even though she felt she could not write well how Haruki Murakami closed his sports bar to fulfill his dream of writing full time how Bill Bryson s move to England facilitated his wry point of view In addition to telling the writer s story each book includes an in depth examination of the most widely read works of each author for literature lovers aspiring writers and those who have reports to write there is no better source of information *a walk in the woods bill bryson* ,
