Walking On Water:

Walking on Water Claire Saxby, 2001 **Walking on Water** Paul Harcourt, Becky Harcourt, A. N. N. Martin, 2017-07
When Jesus walked on water he revealed his glory When he invited Peter to leave the boat and join him he revealed something that radically challenges every believer's life All disciples are called to join with Jesus in a supernatural lifestyle of walking with God which includes miracles signs and wonders But each of us has barriers in head and heart that easily prevent us from being able to get out of the boat Drawing on their own stories especially Becky's powerful testimony of restoration after tragedy Paul and Becky show how God is faithful and able to heal and transform releasing us to step into things we never believed possible *Walking on Water* Madeleine L'Engle, 1995-05-31 The bestselling author of such classics as *A Wrinkle in Time* *A Swiftly Tilting Planet* and *Certain Women* reflects on art and faith with the fierce intelligence and imaginative daring that have made her one of our most cherished authors The task of the artist as she sees it involves listening keeping oneself fully aware and then responding to creation with one's own art **Walk On Water** Deborah B. McDermet, 2022-02-03 Most of us settle We live average safe mediocre lives But does that kind of living reflect what God has called us to The abundant life that Jesus promised his followers is nothing less than amazing when we realize that God is working in us so that we may be conformed to the image of his Son Romans 8:29 Jesus did not live an ordinary life and nor should we Walk on Water invites believers to rise above the norm This daily devotional takes a fresh look at the Word of God Be inspired by the lives of Esther Daniel Jonah and others Be challenged with Jesus no nonsense conversations with the Pharisees and the disciples Be emboldened through the honest emotions that pour from the hearts of the writers of the Psalms In addition to daily devotionals twelve true stories experienced by Deb herself are added at the end of each month to encourage and humor the soul *How to Walk on Water* Renee Milton, 2015-05-29 Are you struggling with faith because your problems feel like they will never end Are you having trouble seeing the light at the end of the tunnel Do you need help with spiritual growth How to Walk on Water gets to the root of why so many Christians miss the life lessons that God is trying to teach It offers thoughts and tips to help Christians get spiritual gold out of their trials Through the lens of her own life and spiritual growth the author uses her personal story and counseling examples to show how God can take you from the prison of trials to the palaces of victory We often feel weak and struggle to survive while waiting on God to change our circumstances We face depression and loss of hope during turbulent times How to Walk on Water is a reminder that God never forgets us and that soaring above our tribulations doesn't always mean happy feelings Soaring means having strong enough wings to hold steady against the wind **If You Want to Walk on Water, You've Got to Get Out of the Boat** John Ortberg, Stephen Sorenson, Amanda Sorenson, 2003-07-24 Ortberg in his engaging and humorous style reflects on the biblical story in Matthew 14 and applies it to our lives today He helps us recognize what boat we're in the comfortable situation where we're hiding and encourages us to face our fears and embrace the unique calling of God in our lives **How**

Walking on Water Joey Letourneau,2024-08-07 To walk on water may seem like a grandiose statement but I assure you it isn t always a grandiose feeling Like many miraculous or supernatural events throughout the Bible we read of walking on water as a miracle meant to inspire our faith which it can but truly the reality of such is filled with so much more It may seem like a miracle that is distant from our lives when it is right there in front of us every day What if walking on water was less a miraculous story or event and more a consistent life path What if walking on water was a picture of the reality of following Jesus through a tension of faith viced between what we feel and Who we trust What if walking on water was sometimes the only way to get into the place or promises that God has before us This book is a venture with the LeTourneau family across continents and seas states and nations through the streets of Ethiopia and many other pioneering endeavors Walking on Water is a testimony laden path of listening to God obeying His voice and trusting Him to show up and be the big faithful God we know Him to be

Walking on Water: Finding Peace in the Storms of Life Gary Byford, 2021-03-24 Every day we are confronted by pressures and obstacles that can weigh us down and sometimes even paralyze us from being able to make any headway in life The problems may seem insurmountable and beyond our control to overcome In the midst of such trials we are left feeling confused and helpless looking for reasons and searching for answers as to what we can do When we read the story of Jesus walking on the water we are struck by the contrast of the disciples caught in the rage of a storm from the wind and waves out on the lake they were trying to cross They were losing ground keeping the water out of the boat and losing hope that they will survive this night without a miracle Then Jesus appears walking peacefully on the waters This is the moment the disciples were hoping for All Jesus needed to do was to get into the boat and calm the storm that threatened them When we are in the midst of the storms within our lives we often pray that God would just get in our boats and remove the trial we are facing Sometimes like the disciples that night Jesus stops and bids us come It s time to get out of our boats and walk on water to Him
