Attitude, Respect, Training and Safety Aspects of Trucking C. Mississippi Morgan,2019-09-24 The title of this book The Attitude Respect Training and Safety Aspects of Trucking is directly in line with the content of the book As a professional driver you will need all of these aspects to complete your portfolio If you take just one of these aspects out of the equation you are opening the door for potential hazards throughout your career Example you can be the most skilled driver in the world and yet when another driver intentionally or unintentionally cuts you off and you allow this to have a negative effect on your attitude then there goes safety out the window When you are considering a company as a new employer it is critical that you discuss with your spouse and your children the requirements of the company How often will you be gone One week Three weeks How much time will you have with your family between trips A number of drivers make the mistake of not discussing these priorities with their family It might very well be that a local driving job would be best for you and your family as opposed to a position as an over the road driver You would probably be surprised as to what your family would say One thing is certain If you don t discuss this with your family you will invariably have marital and children problems Remember this Trucking is full of variables Reefer dry box flatbed tanker or any other type of trucking you choose just keep in mind that while it s still trucking each one of these is as different as night and day And by all means I want you to realize that trucking is not for everybody It takes a special breed of persons to be a true professional driver Is that you **Personal**
