Family Activism Amalia Pallares, 2014-11-30 During the past ten years legal and political changes in the United States have dramatically altered the legalization process for millions of undocumented immigrants and their families Faced with fewer legalization options immigrants without legal status and their supporters have organized around the concept of the family as a political subject a political subject with its rights violated by immigration laws Drawing upon the idea of the impossible activism of undocumented immigrants Amalia Pallares argues that those without legal status defy this impossible context by relying on the politicization of the family to challenge justice within contemporary immigration law The culmination of a seven year long ethnography of undocumented immigrants and their families in Chicago as well as national immigrant politics Family Activism examines the three ways in which the family has become politically significant as a political subject as a frame for immigrant rights activism and as a symbol of racial subordination and resistance By analyzing grassroots campaigns churches and interfaith coalitions immigrant rights movements and immigration legislation Pallares challenges the traditional familial idea ultimately reframing the family as a site of political struggle and as a basis for mobilization in immigrant communities

Frayn Plays: 3 Michael Frayn, 2017-04-07 The new collection from the author of the Booker shortlisted novel *Headlong* and the internationally acclaimed play *Copenhagen* Here about time space and life A touching brilliant construction It s both deeply thought and deeply felt Sunday Times Now You Know Frayn s light but serious marvellous new play about official and unofficial secrets about idle curiosity and investigative purpose Observer La Belle Vivette Frayn s elegant libretto Michael Frayn has made an Offenbach opera a farce to be reckoned with a razor sharp reworking Mail on Sunday Michael Frayn was born in 1933 in the suburbs of London and began his career as a reporter on the Guardian before becoming a columnist His novels include *The Tin Men* *The Russian Interpreter* *Towards the End of Morning* and *The Trick of It* He has written a number of plays for television and the stage including translations of Chekhov and smash hits such as his screenplay *Clockwise* and his plays *Donkeys* *Years* *Noises Off* *Alarms and Excursions* and *Copenhagen* Deborah Levy does not deal with realism she does not deal with magic realism rather she draws out a new territory and if we follow we will find ourselves suspended over views we have not seen before Jeanette Winterson Observer *States, Markets and Wars in Global History* Giulio Sapelli, 2023-09-30 This wide ranging book focuses on the economic and political changes that have taken place between the advent of globalization and the COVID 19 pandemic and assesses how this may bring about a profound reconfiguration of the global political system Sapelli considers a range of developments in different spheres from international to national politics military aggressions and worldwide political trends such as the rise of populism to illuminate the moment of neoliberal crisis in which we now live He argues that Europe and its institutions in particular no longer demonstrate a model of diplomacy and statesmanship with the rise of technocratic structures and elitism reflecting how an ideal of global convergence towards liberalism and democracy no longer holds true The book then considers how a new international order based on the reason of state can be brought about by global cooperation between the US Russia and China along with a return to properly regulated finance and a renewed focus on community in the wake of the coronavirus pandemic The book will be of interest to those working in international economics and international relations as well as academics of economic history and political economy **Congressional Record** United States.
