The Life of Billy Kim Billy Kim, 2015-01-16 When a man meets a man history happens When a man meets God miracles happen Billy Kim was plucked out of poverty and obscurity during wartime in Korea by what could only have been chance or a miracle Picked seemingly at random by an American GI to be the houseboy for their barracks in Korea sixteen year old Billy began the path that would bring him to school in America Later he would go on to be the translator for Billy Graham's 1973 crusade a preacher to millions and an influential global leader for the spread of the gospel He has been aptly described as the Billy Graham of Asia The Life of Billy Kim is the story of how God's work has been revealed in this one man's life For anyone looking for guidance as they serve the Lord Billy Kim's life will be a powerful inspiration of providence in a surrendered life This is the story of what God can do through the life of a person extraordinarily surrendered to His will

Trumpocalypse Paul McGuire, Troy Anderson, 2018-01-02 From the authors of the international bestseller The Babylon Code comes an explosive exposé of the chilling truth about the fierce opposition to the Trump presidency and why the globalist elite and Deep State will stop at nothing assassination military coup staged economic collapse or worse to overthrow him Trumpocalypse It's the media coined meme inciting panic and fear that America has elected an unstable man who will barge into delicate international affairs like a bull in a china shop and incite nations bent on America's destruction to trigger World War III an unprecedented nuclear apocalypse ending the world as we know it But is the media telling us the truth No say internationally recognized

prophecy expert and Fox News and History Channel commentator Paul McGuire and Pulitzer Prize nominated investigative journalist Troy Anderson America's most insidious enemies are not hostile nations they are elite globalists the Establishment that is making the 1 percent even richer while working and middle class people watch their incomes and net worth's flatline or plummet The authors fearlessly expose the globalist elite's secret plan for humanity and campaign of mass deception Using documentation gleaned from years of journalistic investigation and extensive interviews with over fifty of the world's most respected geopolitical economic and military affairs experts faith leaders and biblical scholars McGuire and Anderson unmask these elites as members of secret societies with deep occult connections who have gained control of America's dominant institutions government education entertainment international banking and even the media *Trumpocalypse* explores the enigmatic prophecies and biblical codes involving Trump and asks whether God raised up President Trump as a fearless leader to guide America and the free world through a series of major crises as the biblical end time narrative unfolds as many people with prophetic gifts are predicting and shows why everyday Americans and evangelicals have rallied around Trump as their last hope of saving America and averting the horrors of the Apocalypse It further reveals why Trump and millions of deplorables are fighting to stop the hidden agenda of the Establishment and how the perplexing chaos enveloping the planet could paradoxically signal the beginning of the great end times awakening that millions are praying for Here is an invitation to join the anti Establishment surge what evangelist Franklin Graham calls the Christian revolution and discover how to fulfill your own destiny in the run up to the Second Coming of Jesus Christ *The Gaithers and Southern Gospel*

Ryan P. Harper, 2017-04-26 In *The Gaithers and Southern Gospel* Ryan P Harper examines songwriters Bill and Gloria Gaither's Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed all Christian and much secular popular music on the American music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity *The Search for Reagan* Craig Shirley, 2024-02-13 Never before has anyone explored the mind soul and heart of Ronald Reagan The

Search for Reagan explores the challenges and controversies in Reagan's life and how he successfully dealt with each depicting a man who was never as conservative as some conservatives wanted him to be but rather as conservative as he was comfortable being a man who wanted to win on his own terms and integrity Ronald Reagan was a singularly unique man and conservative who championed a wildly successful revolution leading to more freedom and less government for the American people and to the fall of communism while boosting American morale which had been his three big goals He was the first president in many years who believed optimism from the Oval Office had a direct bearing on the affairs of the nation As a consequence he left office more popular than when he entered with a whopping 73 percent approval He is beloved even today as his presidential library is visited far more than any other presidential library by more than five million people each year He understood that American conservatism was based upon the individual and not the group He is still regarded as one of the most admired men in America The range of Reagan scholarship by virtue of books sold about him continues to grow In his presidency he solved the mystery of high inflation that had bedeviled his predecessor high interest rates and high gas prices He created over twenty million new jobs and the number of American millionaires grew from 4 414 to 34 944 He quite literally changed our world for the better and is considered by most historians to be one of our four greatest presidents along with George Washington Abraham Lincoln and Franklin Roosevelt

The Bible in American Law and Politics John R. Vile, 2020-09-19 While scholars increasingly recognize the importance of religion throughout American history The Bible in American Law and Politics is the first reference book to focus on the key role that the Bible has played in American public life In considering revolting from Great Britain Americans contemplated whether this was consistent with scripture Americans subsequently sought to apply Biblical passages to such issues as slavery women's rights national alcoholic prohibition issues of war and peace and the like American presidents continue to take their oath on the Bible Some of America's greatest speeches for example Lincoln's Second Inaugural and William Jennings Bryan's Cross of Gold speech have been grounded on Biblical texts or analogies Today Americans continue to cite the Bible for positions as diverse as LGBTQ rights abortion immigration welfare health care and other contemporary issues By providing essays on key speeches books documents legal decisions and other writings throughout American history that have sought to buttress arguments through citations to Scriptures or to Biblical figures John Vile provides an indispensable guide for scholars and students in religion American history law and political science to understand how Americans throughout its history have interpreted and applied the Bible to legal and political issues

The Pentecostal Paradox G. J. Hocking, 2019-07-11 In 1906 a new religious phenomenon emerged from California Then just over sixty years later a million fold expansion occurred What was the catalyst for this explosion of growth The Pentecostal Paradox explores the history and rise of a new religious movement called the Pentecostals Drawing on eyewitness accounts newspaper articles of the day and other long forgotten sources author G J Hocking weaves together an accurate history of the movement to the present day Filled with fascinating stories the mailing

lists of over 50 000 subscribers go missing a preacher hijacked the pulpit causing untold havoc a report of flames shooting fifty feet in the air The Pentecostal Paradox asks Were these events fact fiction or real phenomena In this timely work California the Charismatic Cradle features prominently as the author juxtaposes the rise of Pentecostalism with both the California gold rush and the San Francisco earthquake Eventually a God Rush occurred in 1906 as many rushed to Azusa Street Los Angeles How will this book shed light on this vast group What next for Pentecostalism These questions are answered in a candid and yet concise way in this much needed analysis of the Pentecostal movement *Annual Report for the Year Ended ...* United States. National Archives and Records Administration,1990 **The Bible and Modern British**

Drama Mary F. Brewer,2019-10-02 The Bible and Modern British Drama 1930 to the Present Day is the first full length study to explore how playwrights in the modern period have adapted popular biblical stories such as Abraham and Isaac Moses and the Exodus from Egypt and the life and death of Jesus for the stage The book offers detailed and accessible interpretations of the work of well known dramatists such as Christopher Fry Howard Brenton and Steven Berkoff alongside the work of writers whose plays have been neglected in recent criticism such as James Bridie and Laurence Housman The drama is analysed within the context of changes in religious belief and practice over the course of the modern period in Britain comparing plays that approach the Bible from a traditional religious perspective with those that offer alternative viewpoints on the text including the voices of gay feminist black Jewish and Muslim dramatists In doing so the author offers a broad and in depth exploration that is grounded in current scholarship ranging from the past to present across boundaries of race and gender Ideal for students researchers and general readers interested in understanding how the Bible has served as an important source text for British playwrights in the twentieth and twenty first centuries The Bible and Modern British Drama shows how Bible based drama has been influential in creating and disseminating ideas of what constitutes a good life both on an individual and social level **Smitten** Rodney Hessinger,2022-12-15 In Smitten Rodney Hessinger examines how the

Second Great Awakening disrupted gender norms across a breadth of denominations The displacement and internal migration of Americans created ripe conditions for religious competition in the North Hessinger argues that during this time of religious ferment religious seekers could in turn play the missionary or the convert The dynamic of religious rivalry inexorably led toward sexual and gender disruption Contending within an increasingly democratic religious marketplace preachers had to court converts in order to flourish They won followers through charismatic allure and making concessions to the desires of the people Opening their own hearts to new religious impulses some religious visionaries offered up radical dispensations including new visions of how God wanted them to reorder sex and gender relations in society A wide array of churches including Methodists Baptists Mormons Shakers Catholics and Perfectionists joined the fray Religious contention and innovation ultimately produced backlash Charges of seduction and gender trouble ignited fights within and against churches Religious opponents insisted that the newly converted were smitten with preachers rather than choosing

churches based on reason and scripture Such criticisms coalesced into a broader pan Protestant rejection of religious enthusiasm Smitten reveals the sexual disruptions and subsequent domestication of religion during the Second Great Awakening

Becoming America's Playground Larry D. Gragg, 2019-08-29 In 1950 Las Vegas saw a million tourists In 1960 it attracted ten million The city entered the fifties as a regional destination where prosperous postwar Americans could enjoy vices largely forbidden elsewhere and it emerged in the sixties as a national hotspot the glitzy resort city that lights up the American West today Becoming America's Playground chronicles the vice and the toil that gave Las Vegas its worldwide reputation in those transformative years Las Vegas's rise was no happy accident After World War II vacationing Americans traveled the country in record numbers making tourism a top industry in such states as California and Florida The Las Vegas Chamber of Commerce saw its chance and developed a plan to capitalize on the town's burgeoning reputation for leisure Las Vegas pinned its hopes for the future on Americans need for escape Transforming a vice city financed largely by the mob into a family vacation spot was not easy Hotel and casino publicists closely monitored media representations of the city and took every opportunity to stage images of good clean fun for the public posing even the atomic bomb tests conducted just miles away as an attraction The racism and sexism common in the rest of the nation in the era prevailed in Las Vegas too The wild success of Frank Sinatra's Rat Pack performances at the Sands Hotel in 1960 demonstrated the city's slow progress toward equality Women couldn't work as dealers in Las Vegas until the 1970s yet they found more opportunities for well paying jobs there than many American women could find elsewhere Gragg shows how a place like the Las Vegas Strip with its glitz and vast wealth and its wildly public consumption of vice rose to prominence in the 1950s a decade of Cold War anxiety and civil rights conflict Becoming America's Playground brings this pivotal decade in Las Vegas into sharp focus for the first time
