Rosenberg, Deepak Chopra, 2015-09-01

5 000 000 COPIES SOLD WORLDWIDE TRANSLATED IN MORE THAN 35 LANGUAGES What is Violent Communication If violent means acting in ways that result in hurt or harm then much of how we communicate judging others bullying having racial bias blaming finger pointing discriminating speaking without listening criticizing others or ourselves name calling reacting when angry using political rhetoric being defensive or judging who's good bad or what's right wrong with people could indeed be called violent communication What is Nonviolent Communication Nonviolent Communication is the integration of four things Consciousness a set of principles that support living a life of compassion collaboration courage and authenticity Language understanding how words contribute to connection or distance Communication knowing how to ask for what we want how to hear others even in disagreement and how to move toward solutions that work for all Means of influence sharing power with others rather than using power over others Nonviolent Communication serves our desire to do three things Increase our ability to live with choice meaning and connection Connect empathically with self and others to have more satisfying relationships Sharing of resources so everyone is able to benefit *Creating a Culture of Collaboration* Sandy Schuman, 2006-09-18 Collaboration is often viewed as a one time or project oriented activity An increasing challenge is to help organizations incorporate collaborative values and practices in their everyday ways of working In *Creating a Culture of Collaboration* an international group of practitioners and researchers from Australia Belgium Canada Chile New Zealand

Northern Ireland United Kingdom and the United States provide proven approaches to creating a culture of collaboration within and among groups organizations communities and societies **Welcoming Strangers** Andrew Fitz-Gibbon, Jane Hall Fitz-Gibbon, 2017-09-08 Jane Hall Fitz Gibbon and Andrew Fitz Gibbon have cared for more than 100 children in a foster care career spanning more than three decades They developed a method loving nonviolent re parenting to best care for foster children Re parenting represents the complex task of caring for children who have been parented already often inadequately and mostly involving physical emotional and or systemic violence Welcoming Strangers analyses the violence foster children suffer and raises ethical questions why violence is morally problematic what philosophers have said about human nature and violence and what moral good should be pursued in childcare Drawing on an ancient form of ethics sometimes known as virtue ethics this book focuses on the traits required to become a loving nonviolent re parent The Fitz Gibbons tell of their journey in the foster care system with candour humour and grace Covering subjects as diverse as teens sex discipline and the carer s own well being they describe the difficulties of foster care and the sometimes impossible task of restoring dignity and joy to young lives deeply damaged by violence This book will be of immense help to foster carers adopters caseworkers case managers policymakers and any parent who wants to integrate nonviolent practices into the way they care for children

Anarchism and Moral Philosophy B. Franks, M. Wilson, 2010-12-14 This collection explores the nature and role of ethics within anarchist thought and practice examining normative meta ethical and applied ethical issues through some of the theoretical insights of anarchism It comprises contributions from international scholars working within the fields of philosophy and political theory **Living Nonviolent Communication** Marshall Rosenberg, Ph.D., 2012-06-01 You re about to have an uncomfortable meeting with your boss The principal just called about your middle schooler You had a fight with your partner and it s an hour before bed You know your next move will go a long way toward defining your relationships with these individuals So what do you do We all find ourselves in situations similar to these and too often resort to the same old patterns of behavior defending our need to be right refusing to really listen speaking cruelly out of anger and frustration or worse But there is another way Living Nonviolent Communication gives you practical training in applying Dr Marshall Rosenberg s renowned process in the areas he has most often been asked for counsel Conflict resolution Working with anger Spiritual practice Healing and reconciliation Loving relationships Raising children Nonviolent Communication has flourished for four decades across 35 countries for a simple reason it works Now you can learn to activate its healing and transformational potential with Living Nonviolent Communication **Respectful Parents, Respectful Kids** Sura Hart, Victoria Kindle Hodson, 2006 A practical handbook that provides seven simple steps to resolving conflicts between parents and children and includes activities stories and helpful resources Corporal Punishment, Religion, and United States Public Schools Jane Hall Fitz-Gibbon, 2017-06-27 This book examines corporal punishment in United States public schools The practice which is still legal in nineteen states affects approximately a quarter million children each year

Justification for the use of physical punishment is often based on religious texts Rather than simply disregarding the importance of religious commitment this volume presents an alternative faith based response The book suggests the hermeneutical triad of sacred text tradition and reason as an acceptable approach for those seeking to be faithful to religious text and tradition
