We Will Shoot Back:

We Will Shoot Back Akinyele Omowale Umoja, 2014-08-22 The notion that the civil rights movement in the southern United States was a nonviolent movement remains a dominant theme of civil rights memory and representation in popular culture Yet in dozens of southern communities Black people picked up arms to defend their leaders communities and lives In particular Black people relied on armed self defense in communities where federal government officials failed to safeguard activists and supporters from the violence of racists and segregationists who were often supported by local law enforcement In *We Will Shoot Back* Armed Resistance in the Mississippi Freedom Movement Akinyele Omowale Umoja argues that armed resistance was critical to the efficacy of the southern freedom struggle and the dismantling of segregation and Black disenfranchisement Intimidation and fear were central to the system of oppression in Mississippi and most of the Deep South To overcome the system of segregation Black people had to overcome fear to present a significant challenge to White domination Armed self defense was a major tool of survival in allowing some Black southern communities to maintain their integrity and existence in the face of White supremacist terror By 1965 armed resistance particularly self defense was a significant factor in the challenge of the descendants of enslaved Africans to overturning fear and intimidation and developing different political and social relationships between Black and White Mississippians This riveting historical narrative relies upon oral history archival material and scholarly literature to reconstruct the use of armed resistance by Black activists and supporters in Mississippi to challenge racist terrorism segregation and fight for human rights and political empowerment from the early 1950s through the late 1970s Publisher's website [The Zuni](#) The Zuni People, 2015-02-15 Now back in print after more than thirty years *The Zuni Self Portrayals* offers forty six stories of myth prophecy and history from the great oral literature of the Zuni Indians of New Mexico Selected by the Zuni people themselves the tales told here preserve their cultural traditions from the Zuni creation myth and the rituals of masked dances to farming and hunting practices and battles with Navajos and Apaches There are tales about ghosts and personified animals and fables told to discipline children or to warn them against foolhardy bravery and braggadocio Some of the stories are moral fables and some are intended as entertainment pure and simple tales told by a skillful narrator to pass a long evening *1635: The Papal Stakes* Eric Flint, Charles E.
