Unbreakable Spirit Charlotte Williams, 2015-07-24 I was getting into my car which was parked in my driveway to depart for work when all a sudden this man I knew for so many years approached me and said We need to talk I need to get going for work I will call you later I replied in a rush Then before I can even finish my sentence he pulled out this big gun and aimed it straight at me I stood there looking directly into the barrel of that gun and I began to start shaking like a leaf It was the most frightening thing I ever had to endure I was so petrified that I could see my life flash right before my eyes Just before he pulled the trigger he had this mad dog look on his face and the sound of his voice was so bizarre that it sounded like the devil himself

was talking to me This was not like anything that I had ever heard before In that same bizarre voice he said this to me This is for not helping me mentally and financially Then abruptly he shot me in my right leg Normally when you get shot in the leg you fall and the gunshot takes your leg from right under you But instead of me falling I started running I think that if I were at a track meet I wouldve won that race regardless of what type of race it was I saw the smoke steaming out of the gun and I could smell my flesh burning as if someone had slapped some fresh meat on the grill I felt consistent sharp pains shooting through my body and then suddenly it felt like my whole body was on fire I would never wish that pain on anyone even my worst enemy
