

Wedding Thank-You Speech Examples

"[Partner's name] and I want to thank everyone for being here with us today. Many of you have traveled a long way to participate, and we thank you for your time and effort.

We've spent the last [number] months planning our wedding, and we could not have done it without the help of some very special people. First, [one partner's parents' names] and [other partner's parents' names], thank you for everything you've provided and done for us. You've been there every step of the way, ensuring our wedding day was the best it could possibly be, and it has been.

To our wedding party [list names or address as a whole]—you've laughed with us, celebrated our engagement with us, cried with us over ugly tablecloth colors and bad hair days, and just been all-around amazing friends to us both. And for that, we thank you so much. Our day wouldn't be the same without each and every one of you involved.

To our guests: Each one of you is here because you belong here. Our day wouldn't be complete without you. Thank you so much for coming."
