The Christian Science Journal ,1891 **The Christian Science Journal** ,1927 **The Christian Science Journal** ,1930 *God's Perfect Child* Caroline Fraser,2024-06-04 From the Pulitzer Prize winning author the most powerful and persuasive attack on Christian Science to have been written in this century Los Angeles Times Book Review Millions of Americans from Lady Astor to Ginger Rogers to Watergate conspirator H R Haldeman have been touched by the Church of Christ Scientist Founded by Mary Baker Eddy in 1879 Christian Science was based on a belief that intense contemplation of the perfection of God can heal all ills an extreme expression of the American faith in self reliance In this unflinching investigation Caroline Fraser herself raised in a Scientist household shows how the Church transformed itself from a small eccentric sect into a politically powerful and socially respectable religion and explores the human cost of Christian Science s remarkable rise Fraser examines the strange life and psychology of Mary Baker Eddy She takes us into the closed world of Eddy s followers who refuse to acknowledge the existence of illness and death and reject modern medicine even at the cost of their children s lives She reveals just how Christian Science managed to gain extraordinary legal and Congressional sanction for its dubious practices and tracks its enormous influence on new age beliefs and other modern healing cults A passionate exposé of zealotry *God's Perfect Child* tells one of the most dramatic and little known stories in American religious history A work of impassioned rationality important and profoundly disturbing Susan Jacoby Newsday New Startling Fraser has an eye and ear for the kind of detail that can help readers make up their own minds about an always controversial American religious expression Martin Marty The Boston Globe Splendid The New York Times [Christian Science Sentinel](#) ,1898

Independent Christian Science Lesson-Sermons And Bible Lessons For A New Generation Aaron Joy,2018-05-11 The Lesson Sermons were solidified in 1910 with the death of Mary Baker Eddy There is no evidence that at her death she considered all her work finalized Over a century later the Lessons Sermons require change more than ever The Lesson Sermons are for many visitors their introduction to Christian Science theology but they are more likely to deter visitors than show a vibrant religion This book introduces a new set of Lesson Sermons groups are welcomed to adopt They do not change the theology but instead how the Church presents itself on a grassroots level This book is about rediscovering the timelessness and spiritual beauty of Christian Science giving visitors a more familiar and less alienating view of the religion making the religion more relevant to modern Christian living strengthening the connection with the Bible and renewing the emphasis on personal development Further these Lesson Sermons tell of a journey of discovery to conversion to revelation to daily Christian living **The Blue and Gold ...** ,1952 [The Virtue of Giving Up](#) Judith Anne Dent,2017-07-21 This is the story of Judith Dent a girl growing up in the middle of the last century completely blind as well as autistic at a time when few people had even heard of autism Judy in her own words was a child who could lie on the floor and scream until she turned blue from the sheer desperation of realizing she was different not only from sighted children but from other blind children

Her family including a mother suffering from paranoid schizophrenia was unequipped and overwhelmed. Schools had no idea how to deal with her. How is it possible that Judith survived her early years, multiple suicide attempts and hospitalizations, finally achieving success as a woman and wife living in her own home and as a PhD graduate? She lacked sight but she brought to her writings here an extraordinary eye and memory for detail that make it almost possible for the reader to experience her world and understand how she did it.

Government, 1907 [From Christian Science to Jewish Science](#)

Ellen M. Umansky, 2005 During the late nineteenth and early twentieth centuries thousands of American Jews were drawn to the teachings of Christian Science. Viewing such attraction with alarm, American Reform Rabbis sought to counter Christian Science's appeal by formulating a Jewish vision of happiness and health. Unlike Christian Science, it acknowledged the benefits of modern medicine yet sharing the belief in God as the true source of healing, similarly emphasized the power of visualization and affirmative prayer. Though the numbers of those formally affiliated with Jewish would remain small, its emphasis on the connection between mind and body influenced scores of rabbis and thousands if not hundreds of thousands of American Jews predating contemporary Jewish interest in spiritual healing by more than seventy years. Examining an important and previously unwritten chapter in the story of American Judaism, this book sheds light on religious and social concerns of twentieth century American Jewry including ways in which adherence to Jewish Science helped thousands bridge the perceived gap between Judaism and modernity.

Christian Science Stephen Gottschalk, 1978 *The Soul of Medicine* John R. Peteet, Michael N. D'Ambra, 2011-12-15 The contributors to this volume approach this topic from their own spiritual perspectives: Jewish, Christian, Muslim, Buddhist, Hindu, New Age, Eclectic, secular. Jehovah's Witnesses and Christian Scientist. Their thought provoking essays provide rich insights not only into the needs of patients with various world views but also into how spirituality influences the practice of medicine.

Be Of Good Cheer Jaine Rodack, 2006-12-19 BE OF GOOD CHEER chronicles the life and work of PETE PEDERSEN one of the greatest and most admired chromatic players of all time. Written by Pete's long time lyricist and significant other Jaine Rodack, BE OF GOOD CHEER is for harmonica lovers, jingle enthusiasts, nostalgia and show biz buffs. You'll go on the road with Borrah Minevitch's Harmonica Rascals. Mix and mingle with some of old Hollywood's brightest stars. Travel to the Chicago of Pete's youth, LA, New York, Philadelphia, Atlantic City, Dallas, Memphis, Toronto, Asia and Europe. Rub elbows with harmonica greats and TV legends. Learn the story behind the celebrated arrangement of Peg O My Heart. Visit Diana Street where scores of singing commercials and classic jingle packages were produced. Make the disco scene from behind the scenes. Pour over dozens of photographs from Pete and Jaine's personal collection. And share the wit and wisdom that was Pete's trademark.

The Emergence of Christian Science in American Religious Life Stephen Gottschalk, 2024-07-26 Christian Science is one of only two indigenous American religions, the other being Mormonism. Yet it has not always been examined seriously within the context of the history of religious ideas and the development of American religious life. Stephen Gottschalk fills this void with an examination of Christian Science's

root concepts the informing vision and the distinctive mission as formulated by its founder Mary Baker Eddy Concentrating on the quarter century preceding Eddy's death a period of phenomenal growth for Christian Science Gottschalk challenges the conventional academic view of the movement as a fringe sect He finds instead a serious and distinctive though radical religious teaching that began to flower just as orthodox Protestantism began to fade He gives a clear and detailed account of the rancorous controversies between Christian Science and the various mind cure and occult movements with which it is often associated and contends that Christian Science appealed to disenchanting Protestants because of its pragmatic quality a quality that relates it to the mainstream of American culture This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1973 **BibleAlive** Sara Ann Lincoln D.A.,2015-04-28 Most of us seek a fulfilling life Millions of us seek answers to life's deeper more spiritual meaning But what is that meaning Where can it be found How can we know when we find it Traditional church and Sunday school attendance is down as parents and children alike question the relevance of religion in their lives And while sales of books dealing with spirituality are stronger than ever the Bible arguably the oldest still outsells them all What is it about the Bible that keeps it on top It isn't the history lessons stories or passages which sometimes seem contradictory No it's the recurring theme of God's forgiveness and love for his creation Author Dr Sara Ann Lincoln's BibleAlive A Guide to Discovering the Ageless Vitality of the Bible for Teachers and Students will help you discover that meaning and message This workbook will help you find the true spirit of the Bible the study of which can lead to a more joy filled satisfying life Dr Lincoln teaches how to learn through questioning as well as covers such topics as major biblical figures and themes and how to know the Bible spiritually She also provides useful information and tools to use in spiritual growth BibleAlive A Guide to Discovering the Ageless Vitality of the Bible for Teachers and Students takes a complex subject and presents it in an easy to understand format As your spiritual knowledge grows you'll find yourself wanting to know more **The Christian Science Movement** Carol Norton,1899 *Christian Science on Trial* Rennie B. Schoepflin,2003 Tracing the movement during the late nineteenth and early twentieth centuries Schoepflin illuminates its struggle for existence against the efforts of organized American medicine to curtail its activities **Field Hearing on Health Care Reform and Regional Health Alliances** United States. Congress. House. Committee on Education and Labor,1994 The Story of Christian Science Wartime Activities, 1939-1946 Christian Science Publishing Society,1947 **Women of Today** Mrs. Ida Clyde Gallagher Clarke,1925
