Vivitar 35mm Manual Slr Camera:

You Can Get There From Here Bob Stanhope, 2017-12-11 I d always wanted to travel except that I didn t know it After graduating from college getting a job and setting out on my own I made some sporadic attempts to see some of the world It took a while to figure out how and it was only after I got married that the two of us came upon a strategy that worked for us This book is a collection of stories about my mostly modest opportunities to travel This is not a how to book There will be no listings of the best places to go You will not find even a slightly comprehensive guide to locations National Parks interesting cities countries or anything else particularly useful However I hope you will find some interesting and amusing stories about surprises that we encountered along the way
