The French Cook: Sauces Holly Herrick, 2013-02-02 From the award winning food writer and author of *Mashed*, a step by step French cooking class on sauces with an array of recipes to create. This is the first in a series of French cookbooks that will simplify and demystify French cuisine for all of those who love it and would like to bring it home to their American kitchens without traveling outside their homes. Here Holly Herrick creates a French cooking course all about sauces, filled with beautiful how to photography and step by step techniques that will have you making sauces like a pro. The book focuses on the five mother sauces of French cuisine: béchamel, velouté, hollandaise, espagnol, and brown sauces, and les sauces tomates. In addition, Herrick devotes chapters to fonds or stocks, the base of so many sauces, and mayonnaises, a simple versatile sauce so widely used in classical French cuisine. In addition to the sauces, the book integrates main course ingredients such as steak or roasted chicken, something more than to be dressed with a sauce, but also something that helped to shape the sauce itself. With myriad variations and derivatives on each basic sauce, this book can transform your next meal into a veritable French feast. A
