Yoga Sadhana For Mothers:

Yoga Sadhana for Mothers Sharmila Desai, Anna Wise, 2014 *Yoga Sadhana for Mothers* is the first book dedicated to the subject of Ashtanga yoga pregnancy birth and motherhood Written with the blessing and support of the late yoga master Shri K Pattabhi Jois s family this book offers the guidance shared wisdom and practical tips that every student and teacher of Ashtanga yoga needs for the journey into motherhood and beyond

Yogalands Paul Bramadat, 2025-04-08 Millions of people practise yoga attracted to the mat by its promise of physical and mental benefits social connection and spiritual nourishment Promoted as a way of healing the body and mind from wounds inflicted by the world modern yoga may be a critique of the social order an anti world to which practitioners escape Yet yoga can never free itself entirely from the compromises and contradictions of reality In *Yogalands* Paul Bramadat wrestles with his position as a skeptical scholar who is also a devoted yoga practitioner Drawing from his own experience and from conversations with hundreds of yoga teachers and students in the United States and Canada he seeks to understand what yoga means for people in the modern West In doing so he addresses issues that often sit beneath the surface in yogaland why yoga s religious dimensions are rarely mentioned in classes how the relationship between yoga and trauma might be reconsidered and how yoga seems to have survived debates around nationalism cultural appropriation and sexual misconduct *Yogalands* encourages practitioners and critics to be more curious about yoga For insiders this can deepen their practice and for observers this approach is an inspiring and unsettling model for engaging with other passionate commitments

Surviving Modern Yoga Matthew Remski, 2024-05-14 Grounded in investigative research and real survivor stories *Surviving Modern Yoga* uncovers the physical and sexual abuse perpetrated by Ashtanga yoga leader Pattabhi Jois and reckons with the culture structures and mythos that enabled it The revised edition of *Practice and All is Coming from Conspirituality* co host Matthew Remski *Yoga culture sells well meaning westerners the full package physical health good vibes and spiritual growth* Here investigative journalist Matthew Remski explores how cultic dynamics institutional self interest and spiritualized indifference collude to obscure the truth Harm happens in plain sight Through in depth interviews insider analysis and Remski s own history with high demand groups *Surviving Modern Yoga* brings to light how we re each susceptible to cult abuse and exploitation He shows how with the right kind of situational vulnerability and the wrong kind of guru the ideas we hold close about ourselves like It wouldn t happen to me or I d speak up for victims fail to protect us Remski reckons with his own complicity in spiritual power dynamics and shares how a process of disillusionment allowed him to recognize harm He does the same for readers peeling back the veneer of yoga marketing to reveal the abuse assault and silencing perpetrated against seekers who trusted Jois as a mentor their guruji even a father figure Each survivor speaks in their own words on their own terms reclaiming agency against an insular in group culture that enabled a charismatic leader s devastating harm and positioned him as its only remedy *Surviving Modern Yoga* also includes practical tools to help readers Understand how high demand groups trap

would be targets Evaluate their own situational vulnerabilities Learn to listen for loaded red flag language Cultivate their literacy of cult tactics
