Readings in Sri Aurobindo's The Synthesis of Yoga Volume 4 Santosh Krinsky, 2018-01-01 Santosh Krinsky has endeavored to make Sri Aurobindo s teachings relevant and readable to the very different audience today without compromising the essence of his teaching I do not think that any other writer in America has better represented Aurobindo s teachings today than Santosh This is a difficult task to be sure but one that he has been able to do consistently and with

depth of thought The reader is guided through short episodes that can constitute a simple yet direct immersion into the heart of Aurobindo's teachings Krinsky has approached The Synthesis of Yoga in four volumes of which this current book is the fourth and final one which addresses Sri Aurobindo's unique contribution of the Yoga of Self Perfection This helps the reader understand the depths of Yoga and how it can be used to make fundamental changes in our being and character that are more important and enduring than mere outer changes in our body David Frawley author of Yoga and Ayurveda
