L. Cooper,2015-06-01 Since the day Jesus ascended into heaven the church has eagerly awaited his second coming And during the intervening years too many Christians have focused their study of the Bible entirely on discovering the end time signs of his coming Does Jesus expect us to focus on dates and signs or does he want us to instead develop a healthy and mature apocalyptic spirituality as we await his coming and the culmination of his plan of redemption and restoration Many of today s Christians lack a basic understanding of apocalyptic spirituality or do not understand God s mission through the church Consequently they fail to see and appropriate the rich truths that can be learned and applied to their lives today Yes Revelation is a book for today This book begins by explaining how the historic misinterpretation of end time Biblical literature has distracted Christians from their true spiritual development and mission It then explains how developing a proper apocalyptic spirituality can lead believers to healthy applications of end time teachings Discover how apocalyptic Biblical literature can help you see the redemptive work that God has in store for us today while we await his imminent return      **Crazy Little Thing Called Marriage** Focus on the Family,Greg Smalley,Erin Smalley,2016-01-01 Every couple who wants a happy marriage will appreciate the revitalizing secrets in Crazy Little Thing Called Marriage In it Dr Greg and Erin Smalley explore the traits of a healthy and thriving marriage Based on research of thousands of strong couples across the country the twelve essential elements outlined are not only biblically based they also chart a course for a romantic adventure that will last a lifetime With practical advice and stories from their own marriage and counseling experiences Greg and Erin guide couples to find ways to work around roadblocks in their current relationship and to intentionally create communication patterns that will take them to emotionally safe places Yes marriage can have its twists and turns But the detours don t necessarily have to lead couples off course Greg and Erin help couples map out a journey for their marriages so that they can enjoy the passionate and intimate relationship that God has promised      **Whispers from God** Janaé Kristen Werner,2021-10-29 ONE WHISPER FROM THE LORD CAN CHANGE EVERYTHING Thirteen years ago Jesus asked me Are you willing to give up everything to follow Me After years of hesitation I finally answered yes It wasn t the moment I gave my life to Christ for salvation but it was the moment I gave my life in sacrifice Whispers from God are the stories of what began happening to me the moment I believe the Lord knew I was serious about saying yes The kind of serious that means living life on my knees at the foot of the cross One thing I have learned on this journey is that truly following Jesus isn t for the faint of heart But it is for those who long to give all of their heart and it is absolutely worth it From the uncomfortable to the unexpected these are some of the

stories throughout my life of times the Lord whispered to me stories of learning and understanding how to function in the prophetic and what it means to continually seek His face sit in His presence hear His voice and act on it My instructions from the Lord have been to go light your world and these are some of the ways I believe He s asked me to do it My prayer is that He speaks to your heart through the stories that have deeply impacted my life and they begin for you a journey of seeking the Lord listening earnestly for the quiet whispers of His voice He s waiting are you listening And so here is my heart 1

**Pouring In** Kim Kurtz,2018-03-13 The world had changed Families had changed Values had changed The meaning of religion had changed After author Kim Kurtz graduated from high school twenty five years ago the world was not what she expected The moral landscape of college and life thereafter was hostile and foreign She struggled when the faith of her childhood didn t translate smoothly into adulthood She was disillusioned when the formulas of faith and church that she had always known no longer worked The messiness of life the difficulty of marriage and relationships and the many ups and downs she experienced were overwhelming Her faith couldn t handle it and she walked away According to research Kim wasn t alone 75% of young people raised in a Christian home leave the church after they leave the home Numerous studies show that Christian families are losing their kids and have been for decades A majority of church youth aren t developing a personal powerful and passionate faith in Jesus Christ And a passive faith quickly fades to no faith at all We can no longer afford as Christian parents as the church or as a nation to ignore this problem Pouring In addresses the profoundly difficult task of passing on a lasting faith to future generations Effectively passing on the baton of faith allows our kids to experience the love peace and hope that can only come from a genuine relationship with Jesus Christ Make no mistake YOU have the power to greatly affect the trajectory of your child s faith
