Charles Haddon Spurgeon

You Are Created To Be Loved:

You Are Created to Be Loved Fred Rapp, 2015-02-17 For the last nineteen hundred years the church has been missing the primary ingredient to produce Christ likeness This ingredient is out of God as a source 1 John 4 7 This book is a reintroduction to what the first century church had and lost Romans 5 5 1 John 4 16 Revelation 2 4 5 We are about to experience the greatest move of God this world has yet to see Simply put God is looking for a people He can love **You Have The Power To Create Love** Bo Sanchez, 2002 This book about creating love is the third collection of Bo Sanchez articles from KERYGMA Join him in his personal journey of deep faith and tender love and let your heart overflow with laughter and warmth **Creating Love** John Bradshaw, 1994-01-01 Why are so many of us at times completely baffled by a relationship How can we think we know someone so well and admit in the end that we hardly knew that person at all Why do many people who work diligently and strenuously to gain wholeness and balance still feel so frustrated about having a fulfilling relationship Why have so many people given up on love from the Prologue John Bradshaw s bestselling books and compelling PBS series have touched and changed millions of lives Now in *Creating Love* he offers us a new way to understand our most crucial relationships with our romantic partners and spouses with our parents and children with friends and co workers with ourselves and with God Bradshaw s compassionate approach shows that many of us have been literally entranced by past experiences of counterfeit love so we unknowingly re create patterns that can never fulfill us Here he provides both the insights and the precise tools we need to keep those destructive patterns from repeating in the present And then he shows how we can open ourselves to the soul building work of real love and create healthy loving relationships where we can be fully ourselves in every part of our lives **Meditation** Kelly Chance Beckman, 2011 [The Everything Love Spells Book](#) Kaile Dutton, Jodi St. Onge, 2007-11-01 Bring love into your life and keep it there with *The Everything Love Spells Book* This pocket guide contains more than 75 spells to help you rev up your romance There s a spell for every lover s lament Can t get over that last love Do the Breaking the Chains Spell and he s gone for good Need to attract that special someone The Enhancement Spell will make anyone irresistible Bored in the bedroom All you need to stoke the flames is the Tantric Lovemaking Spell Whether you re an experienced spellcaster or dabbling in magick for the first time watch love flourish with these and many other spells Nudge that special someone along and add passion and erotic excitement to your existing relationships True love is just a spell away **Soul of Goodness** Christopher Phillips, 2022-02-08 Christopher Phillips has devoted his life to carrying the torch of Socrates and his quest to Know Thyself Yet upon the death of his beloved father and mentor the originator of the burgeoning global Socrates Caf movement had little choice but to confront the inescapable truth that there are some things we cannot know for sure This moving insightful and ultimately hopeful and helpful blend of memoir and philosophical exploration begins in Phillips native stomping grounds of the tiny volcanic island of Nisyros Greece and unfurls through space and time as the author explores the connections between his immediate circumstances and the

eternal wisdom of popular philosophers In this personal and probing book the acclaimed philosopher for the people shares lessons gleaned from his intimate and often unexpected encounters with uncommonly perceptive human beings both living and long deceased in the form of weary travelers and some of history's greatest thinkers from Heraclitus to Dr Cornel West Along the way he charts a pathway for sculpting what Shakespeare describes as a soul of goodness which meshes with Plato's paradigm shattering conception of the healthiness of soul For those struggling to overcome the hopelessness that can result from grievous loss setback or betrayal what Phillips touchstone Percy Blythe Shelley calls life circumstances darker than death or night the author spotlights with philosophical prescriptions both timely and timeless how to cultivate a Socratic spirit that leads to renewed love forbearance and hope at the other end of the tunnel *No Buddy / Eve is perfect* LYA - LoveYouAll,2022-01-07 No human is perfect If friends or partner we all are not without mistakes like Adam and Eve And that's good Otherwise we all would be just like a robot without free will and love It's a story from the author written from his experiences in human crazy life Have fun *The Dreaming Road* Elizabeth Moore,2018-01-15 What if death is only an urban legend On a spring morning in early May Diane wakes up to find her beautiful 16 year old daughter Callie lying dead on the floor of her bedroom The police find a suicide note in Callie's jewelry chest and Diane's whole world as she had previously known it falls apart In the afterlife Callie meets her great grandma Ellie who tells her that she's in a part of heaven called Summer Wind and can never return home again She wrestles with her abrupt and impulsive decision to take her own life and witnesses the impact that this event has on all who love her Diane begins a desperate search for answers by tearing apart Callie's bedroom looking for anything that might tell her what drove her daughter to suicide She visits Joy a spiritual healer who tells her that she must learn to seek the gift in her experiences rather than remaining addicted to her guilt and pain Diane struggles with letting go of the daughter she once knew and all her hopes and dreams for the future Desperate to reassure her mother that she's okay Callie attempts to communicate with her from beyond the veil They both begin a heart wrenching journey to find one another once again *Onwords and Upwords* Philip John Miller,2007-08-30 Words are your identity your road traveled the foundation of your thoughts and your relationships Words describe your past present and future All of your being is translated into words Once put into motion words cannot turn back Words impact on your life and form history The Words you choose to use are your signature What words you use and how do you use them *Touch Everybody with the Light of Your Heart* Ivanna Spencer,2012-06-08 Ivanna Spencers book is an extraordinary account of the authors spiritual journey and the teaching she received from high multidimensional beings during meditation and channelling The book explains how we can all connect with the divine Source its Angels the teachers and the knowledge of the universe which is embedded in us According to Ivanna our existence is not limited to a third density reality but we are spiritually connected to the whole creation and the cosmic consciousness When we allow love and light to enter our life and make them our driving force a world of great opportunity will open up to us The book will teach you to collect your tools and recognize

your special talents which can set you free from fragmentation and limitation **Learning Love Lessons** Sheila Junita Murray,2007-06 What makes us hold on Truly it has to be an effect of the spirit No one knows the time or hour of trouble Jesus has already healed where we find our deepest hurt A light in a place of darknessss Lemonade for the lemons of life Salvation for those who seek it in the Lord Inspiration for those who stand on his accord No one knows the troubles that I see but this book encourages and motivates the spirit to be stayed on Jesus **Warfare for Your Marriage** Richard Ing,2015-03-13 A Spiritual Battle on the Home FrontThe divorce rate in America is around 52 percent Nearly half of all children are born out of wedlock Something is very wrong The Bible declares that illegitimacy brings a curse upon a family for ten generations If this is true American families are engaged in a spiritual battle and don t even know it Married for nearly fifty years Richard Ing has counseled hundreds of couples and is also an expert on spiritual warfare He has identified the ways in which Satan and his demons attack marriage through struggles in communication intimacy rejection and the baggage from our past This is not a book on Christian psychology and counseling but rather a direct counterattack against the kingdom of darkness and the lusts of the flesh It cuts to the chase by identifying the true source of most marital conflicts and explores how your attitudes impact all your relationships both in and outside of marriage It exposes the evil spirits Satan uses to destroy marriages and equips you to be delivered from them I Thought I Knew What Love Was Erin Lamb,2011-12-16 From the time Erin Lamb was a child she was curious about the God of the Bible She grew up in a home with a pastor and Sunday school teacher which made knowing God a part of everyday life More than reading about Him her heart longed to know Him personally as Moses knew Him Along this journey she picked up a pen and paper and began to write about her experiences with God and His responses I Thought I Knew What Love Was is a book for every person who wants to plunge deeper into the heart of God If circumstances or life have made God seem distant or cold the words on these pages will lure your heart on a journey with the God of the high and low places Understanding the depths of Gods love during the good and the challenging times is essential to living a joy filled life Erin has captured the heart of God through prayers sonnets and poems that reveal the human experience in relation to God If you have ever felt as though God doesnt understand you then poems like Agape Even If and Our Deepest Need will reveal Gods unfailing love for you Whether you find yourself in the difficult places or on the mountaintop your heart and mind will be drawn to a more intimate place where you commune with God *God's Love is Forever* Victor E.
