Intangiball Lonnie Wheeler,2015-08-11 A unique and refreshing ode to the little things that represent baseball s heartbeat the player who in countless ways makes other players better Intangiball tracks the progress of the Cincinnati Reds through five years of culture change beginning with the trades of decorated veterans Adam Dunn and Ken Griffey Jr It also draws liberally from such character conscious clubs as the Atlanta Braves St Louis Cardinals San Francisco Giants New York Yankees and Tampa Bay Rays Author sportswriter and eternal fan of the game Lonnie Wheeler systematically identifies the performance enhancing qualities PEQs that together comprise the communicable competitiveness that he calls teamship Intangiball is not designed to debunk Moneyball but rather to sketch in what it left out What order is there to a baseball world in which a struggling rookie benefits not a bit from the encouraging words of the veteran who drapes his arm around the kid s shoulders in which Derek Jeter s professionalism serves none but him in which there is no reward for hustle no edge for enthusiasm no payoff for sacrifice in which there is no place for the ambient contributions of David Eckstein Marco Scutaro or the aging battered Scott Rolen in which shared purpose serves no purpose Intangibles as it turns out not only ennoble the game they help win it And this is the book every fan must read *Doing Business with Japanese Men* Christalyn Brannen,Tracey Wilen,1998-07-01 A must read for women who work for sell to or communicate with Japanese businesses

The KATA FACTOR - Japan's Secret Weapon! Boye De Mente,2014-08-26 Kata kah tah which translates as form process way of doing things is the Rosetta stone of Japan s traditional culture the key that unlocked both the mystery and the mystique associated with how the Japanese did business and conducted their personal and professional affairs Expressed another way kata were the cultural molds that created and controlled the traditional behavior of the Japanese and were the source of both their strengths and weaknesses Still today all dealings in Japan are influenced by the kata that continue to influence the mindset and behavior of the Japanese yet most foreigners are not aware that they exist Knowledge of the kata strips away the cultural cloak hiding the Japanese from the outside world

and reveals the essence of the famous Japanese Way For foreigners to deal effectively with the Japanese in both personal and business matters they must know when and how to induce them to break the kata molds and behave in a non Japanese way Younger generations of Westernized Japanese break the molds until they go to work then they must conform to the kata that remain in whatever company they join **Diamonds in the Rough** Joel Zoss, John Bowman, John Stewart
