[A Distant Thunder The Storm of Peace, Love, and Harmony](#) Reverend Kenneth, Elizabeth Herzog, 2023-12-26

As Christians we often struggle to find a balance between our secular and spiritual lives. This struggle can leave us feeling confused, disappointed, and troubled. We find ourselves questioning our place in the world and we sometimes turn away from God searching for answers in all the wrong places. However, with God's guidance, the answer is often found within the struggle itself. Our book speaks to people who are searching for meaningful and practical insight on how to follow God's word in their daily lives. The reflections provide a deeper understanding of scripture while serving as a catalyst for love, hope, and peace to a broken world. Although intended for a Christian audience, the reflections offer relevant interpretations of scripture to all people, especially as they face personal struggles in their ever-changing lives. Unique in style, the reflections provide imaginative narratives and practical lessons that linger in the heart and mind. Although they follow the liturgical calendar, each one stands on its own and can be read at any time throughout the year. *Archie 1000 Page Comics Triumph* Archie Superstars, 2024-03-12

A narrative composed of brutal honesty, tenderness, and an aching love for God. I could not put it down. Sue Monk Kidd, author of *The Secret Life of Bees*. In the middle of her life, acclaimed memoirist Beverly Donofrio thought she'd found a safe haven in a beautiful town in Mexico until she was awakened in her bed by a rapist. As she writes in this fierce, unflinching account, this was not supposed to happen. I was supposed to have escaped. I had hot flashes and liver spots and was in the final stretch. Here Donofrio wrestles with anger toward her attacker and toward life yet realizes her despair is not unlike that of other friends who are struggling with grave illnesses, loss of jobs, deaths of loved ones. Hoping to heal from

trauma Donofrio turns to prayer while journeying to five very different monasteries A testimony to how anyone who is broken can move away from fear and anger toward grace Astonished will not only be read and shared by fans of Donofrio s previous books but also by anyone who hopes to be inspired by Donofrio s strength and her search for faith healing and identity
