Selection Processes and their Customer Service Expectations
Detailed Overview of the Most Common Interview Questions
Formats Used By Airlines
Important Considerations When Preparing for the Interview and much more
A word of warning Do not waste your time or money with expensive courses that are not really necessary Such courses are not recognised by airlines as each airline is different and train Flight Attendants according to their own criteria So be careful spending your money on courses that claim to teach you things involving a combination of theory and practical training including evacuation scenarios safety demonstrations and cabin service etc Such courses are not worth the money you pay for them and they are certainly worth nothing to airlines So be careful If you are serious about becoming a Flight Attendant The Ultimate Guide to Becoming a Flight Attendant is packed with information you cannot afford to be without For a small price you will greatly increase your chances of being hired by airlines Why waste time Order now and start preparing *Sky High Careers* Carlin Comish Laviolet, 2009-05-28 This step by step guide will show you how to successfully navigate your way into the competitive career of a Flight Attendant From how to set up your resume to how to take an interview Sky High Careers details the Essential Four elements you must have to begin your airline career today Flight Attendant Career Coach Carlin Laviolet shows you all about the Flight Attendant job including compensation and benefits the 9 Flight Attendant qualities that all airlines look for and shares her secrets on how to get a job offer
