

you are my sunshine, my only sunshine
you make me happy when skies are gray,
you'll never know dear, how much I love you
Please don't take my sunshine away.

The other night, dear, as I lay sleeping,
I dreamt of you and all your charms.
When I awoke, dear, you were beside me
and I held you in my arms.

Sometimes I'm grouchy and downright lousy,
Some days you treat me just the same.
But just one smile from you, my pretty baby,
I feel my bad mood melt away.

I'll always try to make you happy
I know you try to do the same
I'll always love you, I'll never leave you,
you bring joy to all my days.

You Ll Always Be My Little Sunshine

You Ll Always Be My Little Sunshine:

A Bungalow for Two Carole Gift Page, 2011-10-17 PEACE QUIET AND LOVE Sculptor Frannie Rowlands figured some time alone at the windswept shore was all she needed to recover from a creative slump and from her father's and sisters' weddings. But when a near disaster brought her handsome neighbor to the rescue, Frannie realized that solitude wasn't the only thing that was good for the soul. At his tranquil beach house, Scott Winslow discovered he could live the simple life he craved. Now the reclusive billionaire had unexpectedly found something else there: a woman who had no idea who he was, a woman who might be able to love the real Scott if only she would let herself.

Angel of Mercy Melina Druga, The first installment in a spellbinding trilogy centered around Canada's involvement in World War I follows a privileged young newlywed to the fraught medical encampments of the Western Front. Being an idle housewife never suited Hettie Bartlette. So when her husband Geoffrey decided to enlist only a couple of months after their wedding, the choice to join him was easy. At the time, it seemed as if the tide would turn against the Germans at any moment. But once the ambitious young couple arrives in Europe, it's plain to see that the turmoil on French soil shows no indication of abating. It isn't all bad: Hettie finds purpose tending to the wounded in the Casualty Clearing Station. Unlike people back home in Ontario, hardly anyone within the Allied forces believes her work as an army nurse to be unseemly for a married woman of Hettie's wealth and breeding. But nothing—not even coming face to face with the horrific aftermath of gas and gunfire on a daily basis—can prepare Hettie for the tragedies and tribulations 1915 has in store. With letters from her family pouring in, begging her to come home, Hettie must soon decide on which side of the Atlantic she belongs.

The Statuette Brigitte Eagle, 2015-07-28 THE STATUETTE is literary fiction with a wisp of the paranormal. It tells the story of how a curious incident in the Madrid sky not only stuns most residents of the city but also brings 2 people both seeking answers to 2 apparently unrelated questions together. One is Art, a daredevil freelance investigative journalist with a passion for the inexplicable. Convinced that contrary to what many television pundits are inferring, the event in the sky is far more than a mere atmospheric phenomenon, he sets out to investigate that strange appearance in the sky. The other is Regina, a Nigerian curator who is lured to Spain by a group of con artists with the promise of a brilliant fresh start. Nevertheless, on arrival, she is savagely bitten by reality. She is seeking redress for that deceit and answers to the sudden disappearance of her best friend when she stumbles across Art. Following their apparent chance meeting, they realize that to achieve their individual objectives, they need each other. Slowly, a curious sort of friendship evolves between them. In the course of his investigation, Art comes across Santi, an eccentric artist who is also a collector; he collects just about anything in the name of art. Incidentally, he is Regina's boss. Interestingly, though each of these 3 individuals has a different interpretation of the phenomenon in the sky, they all share the same belief: the incident is absolutely significant. However, only one of them is aware of how much so, and of its impact on their lives. THE STATUETTE is multicultural, too. Through Art's sometimes witty musings, readers get glimpses into 2 societies: The Spanish society's

sometimes laid back attitude its detestation of bureaucracy and its reluctance to comply with rules and regulations are reflected The beliefs generosity and fun loving nature of the Nigerian society as well as the endemic corruption and insecurity are depicted After reading THE STATUETTE you will never acquire any antiquity without inquiring about its provenance
