Young Stalin English Edition

Simon Sebag Montefiore

Young Stalin English Edition:

Stalin's Library Geoffrey Roberts, 2022-01-01 A compelling intellectual biography of Stalin told through his personal library A fascinating new study Michael O'Donnell Wall Street Journal In this engaging life of the twentieth century's most self-consciously learned dictator Geoffrey Roberts explores the books Stalin read how he read them and what they taught him Stalin firmly believed in the transformative potential of words and his voracious appetite for reading guided him throughout his years A biography as well as an intellectual portrait this book explores all aspects of Stalin's tumultuous life and politics Stalin an avid reader from an early age amassed a surprisingly diverse personal collection of thousands of books many of which he marked and annotated revealing his intimate thoughts feelings and beliefs Based on his wide-ranging research in Russian archives Roberts tells the story of the creation fragmentation and resurrection of Stalin's personal library As a true believer in communist ideology Stalin was a fanatical idealist who hated his enemies the bourgeoisie kulaks capitalists imperialists reactionaries counter revolutionaries traitors but detested their ideas even more Writing History in the Soviet Union Arup Banerji, 2017-08-18 The history of the Soviet Union has been charted in several studies over the decades These depictions while combining accuracy elegance readability and imaginativeness have failed to draw attention to the political and academic environment within which these histories were composed Writing History in the Soviet Union Making the Past Work is aimed at understanding this environment The book seeks to identify the significant hallmarks of the production of Soviet history by Soviet as well as Western historians It traces how the Russian Revolution of 1917 triggered a shift in official policy towards historians and the publication of history textbooks for schools In 1985 the Soviet past was again summoned for polemical revision as part and parcel of an attitude of openness glasnost and in this literary figures joined their energies to those of historians The Communist regime sought to equate the history of the country with that of the Communist Party itself in 1938 and 1962 and this imposed a blanket of conformity on history writing in the Soviet Union The book also surveys the rich abundance of writing the Russian Revolution generated as well as the divergent approaches to the history of the period The conditions for research in Soviet archives are described as an aspect of official monitoring of history writing Another instance of this is the manner by which history textbooks have through the years been withdrawn from schools and others officially nursed into circulation This intervention occasioned in the present circumstance by statements by President Putin himself in the manner in which history is taught in Russian schools continues to this day In other words over the years the regime has always worked to make the past work Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh Sri Lanka Young Stalin Simon Sebag Montefiore, 2008-10-14 From the New York Times bestselling author of The Romanovs and one of our pre-eminent historians comes a meticulously researched authoritative biography The New York Times the companion volume to the prize-winning Stalin and essential reading for anyone interested in Russian history This revelatory account unveils how Stalin became Stalin examining his

shadowy journey from obscurity to power from master historian Simon Sebag Montefiore Based on ten years of research Young Stalin is a brilliant prehistory of the USSR a chronicle of the Revolution and an intimate biography Montefiore tells the story of a charismatic darkly turbulent boy born into poverty scarred by his upbringing but possessed of unusual talents Admired as a romantic poet and trained as a priest he found his true mission as a murderous revolutionary Here is the dramatic story of his friendships and hatreds his many love affairs his complicated relationship with the Tsarist secret police and how he became the merciless politician who shaped the Soviet Empire in his own brutal image **Seven Russian Archetypes** Svetozar Poštić,2023-10-09 Seven Russian Archetypes is a description of seven seminal Russian figures the Victim zhertva the Fool iurodivyi the Rebel or the Bandit buntar ili razboinik the Wanderer strannik the Mother mat the Peasant muzhik and the Intellectual intelligent Drawing from Russian history folklore literature visual arts and religion these seven profiles are analyzed and presented in vivid and evocative detail The seven portraits help to explain the Russian character and especially the groundedness of Russian culture in Orthodox Christianity Many experts on Russian politics business and culture as well as admirers of Russian spirituality are aware of different features both favorable and condescending which display Russian mentality and temperament such as paternalism messianism collectivism poor ability for self organization dogmatism tendency toward asceticism and the penchant to bear suffering radicalism and inclination to extremes From an external point of view this is all accurate to a certain extent nevertheless these features explain neither the origin nor motivation behind the most evident behavioral manifestations The more profound characteristics can be found only on the level of internal representations which can best be revealed in symbols and archetypal characters Seven Russian Archetypes explains these fundamental Russian symbols Stalin's Defectors Mark Edele,2017-06-23 Stalin s Defectors is the first systematic study of the phenomenon of frontline surrender to the Germans in the Soviet Union s Great Patriotic War against the Nazis in 1941 1945 No other Allied army in the Second World War had such a large share of defectors among its prisoners of war Based on a broad range of sources this volume investigates the extent the context the scenarios the reasons the aftermath and the historiography of frontline defection It shows that the most widespread sentiments animating attempts to cross the frontline was a wish to survive this war Disgruntlement with Stalin s socialism was also prevalent among those who chose to give up and hand themselves over to the enemy While politics thus played a prominent role in pushing people to commit treason few desired to fight on the side of the enemy Hence while the phenomenon of frontline defection tells us much about the lack of popularity of Stalin s regime it does not prove that the majority of the population was ready for resistance let alone collaboration Both sides of a long standing debate between those who equate all Soviet captives with defectors and those who attempt to downplay the phenomenon then over stress their argument Instead more recent research on the moods of both the occupied and the unoccupied Soviet population shows that the majority understood its own interest in opposition to both Hitler s and Stalin s regime The findings of Mark Edele in this study support such an interpretation

The Shakespearean International Yearbook 18 Tom Bishop,Alexa Alice Joubin,2020-06-15 For its eighteenth volume The Shakespearean International Yearbook surveys the present state of Shakespeare studies addressing issues that are fundamental to our interpretive encounter with Shakespeare s work and his time across the whole spectrum of his literary output Contributions are solicited from among the most active and insightful scholars in the field from both hemispheres of the globe New trends are evaluated from the point of view of established scholarship and emerging work in the field is encouraged Each issue includes a special section under the guidance of a specialist guest editor along with coverage of the current state of the field An essential reference tool for scholars of early modern literature and culture this annual publication captures from year to year current and developing thought in Shakespeare scholarship and theater practice worldwide There is a particular emphasis on Shakespeare studies in global contexts **Stalin's Ocean-going Fleet** Mikhail Monakov,Jurgen Rohwer,2012-11-12 A study of the development of strategic concepts in Stalin s Navy in the context of his foreign defence policy using original archival documents translated from the Russian **General Awareness For SSC Book 2024 (English Edition) - 25 Solved Topic-wise Tests For SSC CGL, CPO, CHSL, MTS, Stenographer and Other SSC Exams** EduGorilla Prep Experts,2024-08-05 Best Selling Book in English Edition for General Awareness For SSC Exams with objective type questions as per the latest syllabus given by the Staff Selection Commission General Awareness For SSC Exams Preparation Kit comes with 25 Topic Wise Tests with the best quality content Increase your chances of selection by 16X General Awareness For SSC Exams Prep Kit comes with well structured and 100% detailed solutions for all the questions Clear exam with good grades using thoroughly Researched Content by experts **Stalin's Ocean-going Fleet: Soviet** Jurgen Rohwer,2017-07-05 In this work two senior naval historians analyze the discussions held in leading Soviet political military and naval circles concerning naval strategy and the decisions taken for warship building programmes They describe the reconstitution of the fleet under difficult conditions from the end of the Civil War up to the mid 1920s leading to a change from classical naval strategy to a Jeune ecole model in the first two Five Year Plans including efforts to obtain foreign assistance in the design of warships and submarines Their aim is to explain the reasons for the sudden change in 1935 to begin building a big ocean going fleet After a period of co operation with Germany from 1939 41 the plans came to a halt when Hitler attacked the Soviet Union in 1941 Finally this work covers the reopening of the naval planning processes in 1944 and 1945 and the discussions of the naval leadership with Stalin the party and government officials about the direction of the new building programmes as the Cold War began **Stalin's Usable Past** David Brandenberger,2024-05-21 At the height of the Great Terror in 1937 Joseph Stalin took a break from the purges to edit a new textbook on the history of the USSR Published shortly thereafter the Short History of the USSR amounted to an ideological sea change Stalin had literally rewritten Russo Soviet History breaking with two decades of Bolshevik propaganda that styled the 1917 Revolution as the start of a new era In its place he established a thousand year pedigree for the Soviet state that stretched back through the

Russian empire and Muscovy to the very dawn of Slavic civilization Appearing in million copy print runs through 1955 the Short History transformed how a generation of Soviet citizens were to understand the past not only in public school and adult indoctrination courses but on the printed page the theatrical stage and the silver screen Stalin's Usable Past supplies a critical edition of the Short History that both analyzes the text and places it in historical context By highlighting Stalin's precise redactions and embellishments historian David Brandenberger reveals the scope of Stalin's personal involvement in the textbook's development documenting in unprecedented detail his plans for the transformation of Soviet society's historical imagination

Stalinism Nick Lampert, 2016-09-16 Although scholars have devoted much attention to the impact of technology on society they have tended to slight the question of how technology is affected by social systems The authors of this volume take precisely this approach in their examination of the Soviet model of development

Stalinism Alter L. Litvin, John L. H. Keep, 2005 This volume the fruit of co operation between a British and Russian historian seeks to review comparatively the progress made in recent years largely thanks to the opening of the Russian archives in enlarging our understanding of Stalin and

Magazine Abstracts United States. Office of War Information. Bureau of Intelligence, 1942-07

The River of Time Igor' Dmitrievich Novikov, 2001-05-31 Can we change the past The surprising answer to this question can be found in the final chapters of this book Examining the history of the study of time and presenting in detail the modern state of physical research on the subject this book is a superb overview of a fascinating subject The figures who have helped to shape our views on time are presented as real people in the context of their own times and struggles from Socrates' troubles in Athens to the experiences of physicists under the former Soviet Union In addition Novikov details his own experiences with great Russian and Western physicists such as Sakharov Zeldovich Rees and Hawking Details of modern theories in fields such as the possibility of time machines anomalous flows of time at black or white holes and the possible source of The River of Time are described with authority and clarity

History of Communism in Europe vol. 1 / 2010 Corina Dobos, Marius Stan, 2010-01-01

Trotsky's Notebooks, 1933-1935, 1998-12 These two notebooks were discovered while Philip Pomper was doing research at Harvard's Russian Research Center for a book on Trotsky Lenin and Stalin after the Russian Revolution and were published by Columbia University for the first time in 1986 They present fascinating new insights into Trotsky's philosophy politics and psychology and this volume is a significant addition to an understanding of his revolutionary career They shed new light on his relationship to Lenin and Bolshevism his criticism of dialectics and Darwin evolutionism and his reflections of Freudian psychology as he ponders the relationship of the unconscious mind to the philosophical issues surrounding dialectics The original Russian text of the notebooks prepared and annotated by Felshtinsky is also presented here to make the material available to readers of Russian

Encyclopedia of the Cold War Ruud van Dijk, William Glenn Gray, Svetlana Savranskaya, Jeremi Suri, Qiang Zhai, 2013-05-13 Between 1945 and 1991 tension between the USA its allies and a group of nations led by the USSR

dominated world politics This period was called the Cold War a conflict that stopped short to a full blown war Benefiting from the recent research of newly open archives the Encyclopedia of the Cold War discusses how this state of perpetual tensions arose developed and was resolved This work examines the military economic diplomatic and political evolution of the conflict as well as its impact on the different regions and cultures of the world Using a unique geopolitical approach that will present Russian perspectives and others the work covers all aspects of the Cold War from communism to nuclear escalation and from UFOs to red diaper babies highlighting its vast ranging and lasting impact on international relations as well as on daily life Although the work will focus on the 1945 1991 period it will explore the roots of the conflict starting with the formation of the Soviet state and its legacy to the present day *Adult Catalog: Authors* Los Angeles County Public Library,1970

Fundamentalisms and Society American Academy of Arts and Sciences,1993-03-15 A systematic overview of the advances made by antiseccular religious movements over the past twenty five years and show ing the impact these movements have had on human relations education women s rights and scientific research Publisher *Writing, Retelling, and Critically Reading Children's and Young Adult Tales* Bernard Montoneri,2025-06-24 This edited collection traces the evolution of writing retelling and critically reading children s and young adult tales over decades of cultural social and technological changes Global contributions cover the increasingly diverse narratives found in children s literature including how contemporary authors challenge traditional gender roles found in fairy tales through modern increasingly prevalent retellings Chapters also consider the psychological impact of storytelling on children and how narratives can provide children with frameworks for understanding their emotions and experiences
