Your Marriage Masterpiece Al Janssen, 2016-09-20 A Transformational Picture of Marriage God created marriage as a beautiful work of art that reflects his glory to the world. But our culture has undervalued and misunderstood it causing it to lose some of its luster. Like recent restoration projects on the Sistine Chapel and the Mona Lisa it is time to return marriage to its former glory and the only way to do that is to take a closer look at what the artist had in mind all along. In this newly revised and expanded book Al Janssen takes a fresh look at the exquisite design God has for marriage and brings to light the reasons this union was intended to last a lifetime. The chapters weave real life stories with great teaching and biblical narratives in order to paint a complete picture of all that marriage can be. Readers will examine elements such as passion adventure and commitment that come together to make up the colors of God's design. They will also discover new ways to reflect God's love within marriage revealing his plan for men and women from the moment he created us

Love This I am believing is not only a message but a strong principle that most have not totally grasped including myself Naturally in breaking this down to bring understanding we look at the two key words in this First and Love First means foremost most excellent highest and the best The first of anything is participating in and experiencing the best So doing something first experiencing something first or giving something first is doing experiencing and giving the best that we have As much as I am trying to explain this principle of first It feels that mere words are not doing this justice I know this is a spiritual principle for it goes deeper than what we can experience in the natural It is more important than what most of us has grasped or realized We are going to explore this principle deeper throughout the course of this book Then maybe just maybe we may begin to understand that there was a plan and purpose for everything on this earth Maybe we missed it but maybe it can be restored and reclaimed We will know more as we read and study more
