**Yours Truly** James R. Hagerty, 2022-12-27 In this surprisingly upbeat book about a usually downbeat subject The Wall Street Journal's veteran obituary writer James R Hagerty shares his unique skills with those who want to have the last word by crafting their own stories in their own voices with flourish honesty and even humor Someday your life story is likely to be boiled down to a few lines If you leave things to chance your obituary is almost sure to be solemn formulaic and full of errors an obligatory final chapter written in haste by others James R Hagerty longtime obit writer for The Wall Street Journal knows how to get the job done right Do it yourself starting now while you still can In this heartfelt and reassuring guide Hagerty explains how to preserve your personal history from crafting a brief obituary for newspapers and websites to a more thoughtful and detailed mini memoir for those close to you Through his personal stories on the job anecdotes and insights you will learn what to include what to leave out and how to provide historical context record oral histories and make the most of details all with candor and wit Best of all you'll find that reviewing your life story helps you think about what you're doing with your time on Earth and whether you're on the right path It isn't too late to improve the narrative with a stronger ending Telling your story your way can be the best gift you ever give to friends and loved ones and yourself **Yours Truly**
