Coaching Baseball For Dummies The National Alliance For Youth Sports, 2011-04-18 If you are a baseball fan then coaching youth baseball is one the most enjoyable and rewarding activities you'll experience But what if you've never coached before Or you haven't played the game in a while and have forgot some key points to the sport No worries Coaching Baseball for Dummies guides you through the rules of the game explaining all the essential skills and the best ways to teach them to your players Covering different age groups and great practice routines this guide is all you need to have a fun filled season You'll discover how to Fulfill the role of being a coach and parent Develop a coaching philosophy Understand how your league works Evaluate your team Teach your players fundamentals Understand all kinds of children Create your practice plan Prepare for game day Overcome challenges and problems This plain English guide also shows you how to run all kinds of drills from hitting and pitching to fielding and base running And when your team is tense or low on morale it shows you how to relax your players and keep them focused on the game There are also suggestions for making your season and theirs a memorable one Coaching Baseball for Dummies shows you how much fun it can be to train kids to be athletes have good sportsmanship and work together as a team

The Principles of Ethical Youth Coaching Justin E. Mayer, 2012-02-17 Coaches Would you like to coach your players in an ethical environment where you are developing the character of your players while still being competitive Parents Would you like your son or daughter coached in a safe environment where they will be able to develop life skills that will maximize their performance in areas outside of sports like education The Principles of Ethical Youth Coaching provides the answers The reality of sports is that very few athletes ever make it to the highest level of a given sport Yet the training resources offered to youth coaches focus almost exclusively on strategies to promote winning The techniques advocated by these training programs may be acceptable for professional athletes however they are not acceptable for youth athletes The overwhelming focus on winning causes coaches to miss opportunities to promote character development skills in their players When if at all ethical player development skills are brought up in these programs it is done so in passing and no concrete strategies are offered On the other hand some well intentioned programs seek to eliminate

winning from the equation This is not a realistic approach as winning is a fundamental aspect of sports and it must be embraced in the appropriate manner The Principles of Ethical Youth Coaching shows coaches how to develop the character of their players while embracing the competitive nature of sports Best Practice for Youth Sport Robin S. Vealey, Melissa A. Chase, 2016-01-08 Although the physical and psychological benefits of youth participating in sport are evident the increasing professionalization and specialization of youth sport primarily by coaches and parents are changing the culture of youth sport and causing it to erode the ideal mantra It's all about the kids In Best Practice for Youth Sport readers will gain an appreciation of an array of issues regarding youth sport This research based text is presented in a practical manner with examples from current events that foster readers interest and class discussion The content is based on the principle of developmentally appropriate practice DAP which can be defined as engaging in decisions behaviors and policies that meet the physical psychological and social needs of children and youth based on their ages and maturational levels This groundbreaking resource covers a breadth of topics including bone development burnout gender and racial stereotypes injuries motor behavior and parental pressures Written by Robin S Vealey and Melissa A Chase the 16 chapters of Best Practice for Youth Sport are divided into four parts Part I Youth Sport Basics provides readers with the fundamental knowledge and background related to the history evolution and organization of youth sport Part II Maturation and Readiness for Youth Sport Participants is the core of understanding how and why youth sport is different from adult sport This part details why it is important to know when youth are ready to learn and compete Part III Intensity of Participation in Youth Sport examines the appropriateness of physical and psychological intensity at various developmental stages and the potential ramifications of overtraining overspecialization overstress and overuse The text concludes with part IV Social Considerations in Youth Sport which examines how youth sport coaches and parents can help create a supportive social environment so that children can maximize the enjoyment and benefits from youth sport In addition to 14 appendixes activities glossaries study questions and other resources that appear in Best Practice for Youth Sport the textbook is enhanced with instructor ancillaries a test package image bank and instructor guide that features a syllabus additional study questions and learning activities tips on teaching difficult concepts and additional readings and resources These specialized resources ensure that instructors will be ready for each class session with engaging materials Ancillaries are free to course adopters and available at www.HumanKinetics.com/BestPracticeForYouthSport Best Practice for Youth Sport provides readers with knowledge of sport science concerning youth sport and engages them through the use of anecdotes activities case studies and practical strategies Armed with the knowledge from this text students coaches parents administrators and others will be able to become active agents of social change in structuring and enhancing youth sport programs to meet the unique developmental needs of children making the programs athlete centered rather than adult centered so that they truly are all about the kids

Coaching Youth Baseball the Ripken Way Cal Ripken, Jr., Bill Ripken, Scott Lowe, 2006-12-15 Coaching young players

developing their skills and cultivating a love for the sport may be the most rewarding experience baseball can offer Cal and Bill Ripken understand this like few others From their father Cal Sr a legend in the Baltimore Orioles organization for 37 years they learned to play the game the right way Those lessons paired with their combined 33 years of big league experience helped develop the Ripken Way a method of teaching the game through simple instruction solid explanations encouragement and a positive atmosphere In Coaching Youth Baseball the Ripken Way Cal and Bill share this approach to coaching and development Whether you re teaching your children at home managing the local travel team or working with high school level players Coaching Youth Baseball the Ripken Way will help you make a difference both on and off the field with these features More than 50 drills covering defense hitting pitching and baserunning Age specific practice plans for players ranging from 4 to 15 Strategies for setting goals and reasonable expectations for your players and team Advice on communicating with parents players and staff Methods for creating a positive and fun environment in which kids can learn the skills and strategies of the game Bill Ripken was once voted by his peers as one of the big league players most likely to become a manager Cal Ripken Jr known as baseball s Iron Man is a member of the game s All Century Team and a future Hall of Famer Together they are proof positive that the Ripken Way is the right way to teach the game of baseball
