Youth Builder Todays Resource For Relational Youth Ministry:

The Youth Builder Jim Burns, 1987-03-31 You may not be a dynamic speaker know all the latest rock musicians or even dress in the latest fashions but if you love young people and desire to invest in their lives your influence can be life changing This book can help

Youth Ministry Malan Nel, 2018-12-01 This book aims at contributing to the scientific and academic discourse as regards to the what and why of youth ministry Too often youth ministry has been approached from a mainly practical point of view almost asking how we keep young people off the streets Its methodology has often not included the theological and theoretical presuppositions that lie behind this ministry Previous scientific reflection has been determined by a one dimensional and almost exclusive point of view In comparison with existing literature this book does not focus so much on the how of youth ministry It innovates a different approach The book challenges the existing exclusive approach and develops an inclusive congregational and missional understanding of and approach to youth ministry From a particular perspective on the understanding the main objectives of Practical Theology the author endorses the so called movement of what is supposed to be going on He adds the outcome of an empirical round table discussion with some 16 leaders in this field on the descriptive and interpretive movements within the subject field what is going on and why is it going on The book will form the standard for any new research with regard to youth ministry The book s contribution lies on the level of sound theological reasoning and argumentation supported by many scholars for an inclusive congregational understanding of ministry as an integral part of every congregation being missional in being and doing Youth children adolescents and emerging adults are just as integral a part of every congregation within which they live and serve

Sustainable Youth Ministry Mark DeVries, 2010-01-28 One of the big problems in youth ministry is the constant turnover of youth ministers Mark DeVries addresses the problem with a systematic answer churches need to take corporate responsibility for establishing a vision and structure for effective ministry rather than leaving it all up to the youth minister Especially helpful for senior pastors and church leaders

Relationships Unfiltered Andrew Root, 2013-03-05 For more than 50 years relational or incarnational ministry has been a major focus in youth ministry But for too long those relationships have been used as tools as a means to an end where adults try to influence students to accept know trust believe or participate in something While our motives may be good it s possible that by focusing on these goals we re not ministering the whole person When we choose not to engage in the full life of a student we run the risk of failing them and our ministry In this thoughtful and insightful book Andrew Root challenges us to reconsider our motives and begin to consider simply being with and doing life alongside teenagers with no agenda other than to love them right where they are by place sharing As he shares stories of his and others successes and failures in relational youth ministry you ll find practical ideas to help you recreate the role of relationships in your youth ministry If you re involved in the lives of teenagers whether as a youth pastor volunteer youth worker church leader or parent you ll want to read this book and work together to discover the value of place sharing

in the lives of teens You ll see that it s time to tear down the old structure of relational youth ministry and start again

A Defense of Youth Ministry Ron Belsterling,2019-04-04 Youth ministry succeeds because it directly reflects Jesus Christ

s approach It s not overvalued today it s undervalued The hard work required for its success has been misunderstood and misrepresented The first part of the book establishes that case and analyzes the pros and cons of current varying philosophies and approaches merging their best aspects into the holistic approach demonstrated by Christ Part 2 introduces Attachment Relationship Ministry ARM a lens distinguishing four primary adolescent relational styles depending on how secure or insecure teens are with God and parents Part 3 encourages strategic relational ministry sensitive to those styles explaining why youth leader efforts succeed or fail Chapters offer realistic discipleship and evangelism suggestions depending on attachment styles and practically empowering youth workers volunteers newbies experts and interns to focus energy and time more wisely These recommendations relate to spiritual formation leadership selection parental approach and trending issues such as ministry to LGBTQIA teens For too many teens today feeling insecure in crisis is a way of life Learn how to take what you ve done well and make it better All church leaders should read this book logging the critical importance of providing ministry specifically targeting teenagers today

This Way to Youth Ministry--Companion Guide Duffy Robbins, Len Kageler, 2004 A companion guide to This Way to Youth Ministry that offers practical applications theological foundations and valuable information for the student beginning a youth ministry

Make It Real Frank Mercadante, 2004 Every Catholic teen will be evangelized in the coming year That is a fact The question is this Who will evangelize our teens and to what will they be converted Ironically most evangelization is being done not by the Church but by contemporary American culture A variety of voices are vying for the attention and allegiance of our youth Many of those voices often electronically piped into our unsuspecting households proclaim relevantly creatively and persuasively a message contrary to our Catholic faith Yet the Church possesses a message that addresses the most significant hunger of every teen s heart We have exactly what young people are searching for We struggle however in constructing an environment that teens find attractive and we often fail to proclaim the Gospel in a creative and culturally relevant manner Make It Real A Practical Resource for Teen Friendly Evangelization is all about building evangelistic ministry that not only is worth teens time but also addresses the issues that are real in their lives This book provides fresh clear and test driven principles for building an effective and teen friendly ministry for evangelistic outreach The fully designed sessions help the busy youth worker implement dynamic and spiritually powerful evangelistic gatherings

Spirit Wings Jim Burns, 1992 This devotional is interesting to read is not filled with contrived material and will lead young people into that devotional habit I recommend it to youth workers and young people everywhere Jay Kesler Author Energizing Your Teenager s Faith
