European Civil War Films Eleftheria Rania Kosmidou, 2013 This book examines the ways in which late twentieth century European cinema deals with the neglected subject of civil war Exploring a range of films about the Spanish Irish former Yugoslavia and Greek civil wars this comparative and interdisciplinary study engages with contemporary debates in cultural memory and investigates the ways in which cinematic postmemory is problematic Many of the films present an idealized past that glosses over the reality of these civil wars at times producing a nostalgic discourse of loss and longing Other films engage with the past in a melancholic fashion These cinematic discourses articulate contemporary concerns especially the loss of ideology and a utopian political horizon in the aftermath of the collapse of the Soviet bloc in 1989 a date that marks a significant break in European history and an accompanying paradigm shift in European cultural memory Filmmakers examined include Trueba Cuerda Loach Jordan Kusturica Dragojević and Angelopoulos

Urban Architectures in Interwar Yugoslavia Tanja D. Conley,2020-02-25 Resulting from a twenty year period of research this book seeks to challenge contradictions between the concepts of national and modern architectures promoted among the most pronounced national groups of Yugoslavia Serbs Croats and Slovenes It spans from the beginning of their nation building programs in the mid nineteenth century until the collapse of unified South Slavic ideology and the outbreak of the Second World War Organized into two parts it sheds new light onto the question of how two conflicting political agendas on one side the quest for integral Yugoslavism and on the other the fight for strictly separate national identities were acknowledged through the architecture and urbanism of Belgrade Zagreb and Ljubljana Drawing wider conclusions author Tanja D Conley investigates boundaries between two opposing yet interrelated tendencies characterizing the architectural professional in the age of modernity the search for authenticity versus the strive towards globalization Urban Architectures in Interwar Yugoslavia will appeal to researchers academics and students interested in Central and Eastern European architectural history

A History of Yugoslavia Marie-Janine Calic,2019-02-15 Why did Yugoslavia fall apart Was its violent demise inevitable Did its population simply fall victim to the lure of nationalism How did this multinational state survive for so long and where do we situate the short life of Yugoslavia in the long history of Europe in the twentieth century A History of Yugoslavia provides a concise accessible comprehensive synthesis of the political cultural social and economic life of Yugoslavia from its nineteenth century South Slavic origins to the bloody demise of the multinational state of Yugoslavia in the 1990s Calic takes a fresh and innovative look at the colorful multifaceted and complex history of Yugoslavia emphasizing major social economic and intellectual changes from the turn of the twentieth century and the transition to modern industrialized mass society She traces the origins of ethnic religious and cultural divisions applying the latest social science approaches and drawing on the breadth of recent state of the art literature to present a balanced interpretation of events that takes into account the differing perceptions and interests of the actors involved Uniquely Calic frames the history of Yugoslavia for readers as an essentially open ended process undertaken from a variety of different regional perspectives with varied composite agenda She shuns traditional deterministic explanations that notorious Balkan hatreds or any other kind of exceptionalism are to

blame for Yugoslavia's demise and along the way she highlights the agency of twentieth century modern mass society in the politicization of differences While analyzing nuanced political and social economic processes Calic describes the experiences and emotions of ordinary people in a vivid way As a result her groundbreaking work provides scholars and learned readers alike with an accessible trenchant and authoritative introduction to Yugoslavia's complex history **Central and**

A History of Eastern Europe 1918 to the Present Ian D. Armour, 2021-04-08 Why is Eastern Europe still different from Western Europe more than a quarter century after the collapse of Communism A History of Eastern Europe 1918 to the Present shows how the roots of this difference are based in Eastern Europe's tortured 20th century Eastern Europe emerged in 1918 as the lands between new states whose weakness vis vis Germany and Soviet Russia soon became obvious The region was the main killing field of the Second World War which visited unimaginable horrors on its inhabitants before their liberation by the Soviets in 1945 The imposition of Communist dictatorships on the region ironically only deepened Eastern Europe's backwardness Even in the post Communist period its problems continue to make it a fertile breeding ground for nationalism and political extremism A History of Eastern Europe 1918 to the Present explores the comparative backwardness of Eastern Europe and how this has driven strategies of modernisation it looks at the ways in which the region has served as a giant test tube for political experimentation and in particular at the enduring strength of nationalism which since 1989 has re-emerged more virulent than ever This book is the essential textbook for any student of 20th century Eastern Europe

Pasic & Trumbic Dejan Djokic, 2010-08-01 Nicola Pasic and Ante Trumbic The book will provide the first parallel biographies of two key Yugoslav politicians of the early 20th century Nikola Pasic a Serb and Ante Trumbic a Croat It will also offer a brief history of the creation of Yugoslavia initially known as the Kingdom of Serbs Croats and Slovenes internationally accepted at the Paris Peace Conference of 1919-20 at the Treaty of Versailles Such an approach will fill two major gaps in the literature scholarly biographies of Pasic and Trumbic are

lacking while Yugoslavia's formation is due a reassessment and to introduce the reader to the central question of South Slav politics Serb Croat relations Pasic and Trumbic's political careers and their often troubled relationship in many ways perfectly epitomize the wider Serb Croat question **Disrupting Pathways to Genocide** E. Murray, 2015-03-17 How does ideology in some states radicalise to such an extent as to become genocidal Can the causes of radicalisation be seen as internal or external Examining the ideological evolution in the Armenian genocide the Holocaust and during the break up of Yugoslavia Elisabeth Hope Murray seeks to answer these questions in this comparative work *1312: Among the Ultras* James Montague, 2020-03-12 You can see them but you don't know them Ultras are football fans like no others A hugely visible and controversial part of the global game their credo and aesthetic replicated in almost every league everywhere on earth a global movement of extreme fandom and politics is also one of the largest youth movements in the world Yet they remain unknown an anti establishment force that is transforming both football and politics In this book James Montague goes underground to uncover the true face of this dissident force for the first time *1312 Among the Ultras* tells the story of how the movement began and how it grew to become the global phenomenon that now dominates the stadiums from the Balkans and Buenos Aires With unprecedented insider access the book investigates how ultras have grown into a fiercely political movement embracing extremes on both the left and right fighting against the commercialisation of football and society and against the attempts to control them by the authorities who both covet and fear their power
