The Yellow Wallpaper And Selected Writings Charlotte Perkins Gilman, 2009-05-07 INTRODUCED BY MAGGIE O FARRELL A great work of literature the product of a questing burning intellect MAGGIE O FARRELL Even if the themes being explored might seem irrelevant that this is not the case GUARDIAN I loved the unnerving sarcastic tone the creepy ending PARIS REVIEW It is stripped off the paper in great patches The colour is repellent In the places where it isn't faded and where the sun is just so I can see a strange provoking formless sort of figure that seems to skulk about Based on the author's own experiences The Yellow Wallpaper is the chilling tale of a woman driven to the brink of insanity by the rest cure prescribed after the birth of her child Isolated in a crumbling colonial mansion in a room with bars on the windows the tortuous pattern of the yellow wallpaper winds its way into the recesses of her mind Charlotte Perkins Gilman was America's leading feminist intellectual of the early twentieth century In addition to her masterpiece The Yellow Wallpaper this edition includes a selection of her best short fiction and extracts from her autobiography
