Experiences with Hildegard Nicola Martens, 2024-03-07 Our book Experiences with Hildegard is finished It was created through the joint work of our family and 51 people who contributed their experiences and insights A book alone can perhaps never do justice to a person But a book written with the spiritual guidance of Master Dean Li can convey a special energy Then this spirit can waft between the letters lines and their contents a clarity that we just like Hildegard seek This spirit is at the center Thank you very much Master Li Hildegard was once asked about her work in an interview with the Montessori Association You are very interested in Chinese medicine You have already taken part in numerous training and further education courses What makes it so interesting for you Were you looking for something there that you felt was missing from Montessori Or are there connections that we don't know about Hildegard I can only give a provisional answer to this question
