Packed with exercises to help break habits of a lifetime, inspirational life examples and quotes, healthy living tips and recipes, this book provides a fascinating insight into the colourful and dynamic world the Speakmans have created for themselves, one they maintain that anyone can emulate if they only put their mind to it. This no ordinary life coaching book is sheer exhilaration for the soul. Starting with a frank and often surprising summary of their backgrounds in which ill health, bullying and domestic abuse feature, Nik and Eva explain how they overcame their own personal demons to create their vision of the ideal lifestyle. They now live in a magnificent 16th century manor house, own a fleet of super cars, are bursting with health and vitality. Indeed, they are fast becoming as iconic as the celebrities that seek their help. Nik and Eva treat problems ranging from lack of confidence to panic attacks, phobias and self-destructive habits. What's more, they achieve results incredibly quickly within one or two short sessions, unlike many psychotherapists and hypnotists. Their book details how anyone can be the person they want to be, providing they approach the future with clear goals and the right mindset. The Speakmans outline the practical steps that are required to succeed in both of these key aspects. Their aim is to initiate transformations for the long term and not just whilst reading their book.
