Hidden Relationships of the Homicide Detective Herman L. Hinton,2014-04-11 This book is titled Hidden Relationships of the Homicide Detective the responsibility of overseeing the Homicide Unit and my everyday exposure to witnessing violent crimes throughout the city of Birmingham led me to write this fiction novel that depicts a young man who takes a circuitous route in his quest to restore the luster in his parents dismal marriage While in pursuit of what he believes is the key to restoring happiness in his family Trey Wilcox meets some interesting people who at one time or another crossed paths with his dad along with other amazing discoveries But more than anything else this long and winding voyage reinforces his belief that family and lifelong relationships are vitally important for survival This book is designed to help restore family values to encourage friendly relationships and to truncate the rise in the number of dysfunctional families across the globe It is also designed to uplift victims of violent crimes who might still be in despair because of the unwarranted trauma they have experienced It will also help them understand that irrespective of the odds that they currently face they can pick up the fragments of their broken lives and rise far above that experience This is a must read for adults of all ages But with the vast majority of youths in the world maturing as quickly as they do I envision upper class high school age as a starting point for marketing this book This is definitely a must read for high school seniors as they prepare to enter college and adulthood in a world filled with an assortment of surprises traps and vices designed to trip them up It serves as an eye opener for all of us irrespective of whether we or any of our family members have ever been the victim of a violent crime As a matter of fact the content in this book is written in such a manner that it serves as a great read for every family and ideal for public libraries Throughout this book we are reminded just how fragile life and relationships are as many of us take for granted on a daily basis that one incident is all that separates us from an enormous setback irrespective of our current walk of life *Are We Divorced, Too Daddy?* Vickie Gunnells-Hodge,2000-12 This book is hopefully the voice for every child who experiences any of the downs of divorce simply because one parent chooses to do his own thing for Just Right Now Divorce is hard enough for the child in and of itself without their having to deal with the fact that that loving missing parent believes his needs are more important than his child s This is where I believe a real difference exist in Americans and Jamaicans Jamaicans seem to have

a stronger feel for Family Elders and loyalty Fatherhood is not a temporary position Most men here are more than enthused when it comes to promoting themselves for the sake of their business it makes you wonder how does their enthusiasm diminish when it comes to involvement with their own flesh and blood If they would just try giving themselves completely for a little while to that child they would surely see that their children s love would fill the void they re denying and the love given and received from them will last longer and weigh greater than anything else forever [A to Zoo](#) Rebecca L.

Sanders,2017-03-21 In the era of the Woodstock Festival and the Stonewall Riots 1969 Dewey Snodgrass is in high school in Fort Worth Texas He might be far from many of the changes taking place in the world but they still affect his life For one as his school s theater star Dewey takes part in a production about a young gay man protesting the Vietnam War During the play he meets another uninhibited

young actress Lucretia Lulu Belton and their performances are a hit changing attitudes about the war especially the attitude of Dewey's dad. It's also the year Dewey meets Jeep Brickthorn the school's hippie and a local musician. They quickly become friends and although Dewey tries to suppress it they start to fall in love. Though he knows his father won't condone their relationship Dewey can't resist his feelings for Jeep. The times are changing and maybe the time has come for Dewey and Jeep to escape their repressive town for somewhere more open minded. Somewhere they can pursue their interests in acting and music. Somewhere they'll have the freedom to be in love. *American Magazine*, 1914 *American Illustrated Magazine*, 1914 *Railway Carmen's Journal*, 1926 *Brides of Alaska* Tracie Peterson, 2016-05-01 Journey to Alaska with bestselling author Tracie Peterson. The bleak wilderness of America's 49th state challenges three women in different eras. Julie a nurse who must serve victims of a 1925 diphtheria epidemic. Beth whose Canadian born husband is killed in World War II and Rita who takes on the ultimate test of endurance the Iditarod dog sled race. Each must surmount the obstacles in her life and perhaps with God's help find true love as well. *Standing on Two Feet* James D. Richardson, 2010-08

Everything seemed perfect in James Richardson's life. All the components of the American Dream seemed to be in place. A lovely home, a wife, two sons, the time required for fishing and outdoors adventures and an invigorating career as an advanced placement world history teacher in Tampa, Florida. In the horror of a split second high speed traffic accident everything changed. When Richardson awoke in a hospital weeks later with a variety of physical and emotional injuries he had no idea the obstacles he was about to face. Overcome by a haze of bewilderment he tried to rise from his hospital bed. He crashed to the floor. His left leg was gone. One by one the seemingly perfect building blocks of an American Dream were stripped from him. Secrets from his wife's past life emerged painting a dark character with whom he had unwittingly shared every detail of his life. For James Richardson this was the moment of truth. Alone, injured, boiling with anger and with only a string of hope he had to ask himself: Would he ever again be Standing on Two Feet?

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
