Today changes are occurring at a rapid pace in our society and some changes are staring at us in the face Why are Christians depending on others to do God's work There is a need out there and it is with our youth We are in a generation that has left our youth in a precarious position broken homes from divorce stepfathers and stepmothers raising children single parents grandparents raising their grandchildren foster homes children living out of suitcases and children raising children Where are the leaders and where are the Christians Mentoring Youth in Action is dedicated to filling the void that has been imposed upon our youth Author Mark Stiles has developed a unique easily taught curriculum for youth with one of a kind illustrations This seven session course is a balanced presentation of content and application designed to assist youth in understanding how God can help them to cope with the challenges facing each of them It is important not to overload students with content but instead show them the relevance of further study of God's work as well as how to apply what they've learned to their own lives
