Kim Miller, Brenda Schmahmann

Zanele Muholi Faces And Phases 2006 2014:

Zanele Muholi ,2014 In *Faces and Phases* Zanele Muholi embarks on a journey of visual activism to ensure black queer and transgender visibility Despite South Africa s progressive Constitution and 20 years of democracy black lesbians and transgender men remain the targets of brutal hate crimes and so called corrective rapes Taken over the past eight years the more than 250 portraits in this book accompanied by moving testimonies present a compelling statement about the lives and struggles of these individuals They also comprise an unprecedented and invaluable archive marking mapping and preserving an often invisible community for posterity

Peabody Conservatory of Music ,1869 **Lesbian Feminism** Niharika Banerjee,Kath Browne,Eduarda Ferreira,Marta Olasik,Julie Podmore,2019-08-15 Drawing on the incredible wealth of diversity of languages cultures and movements in which lesbian feminisms have been articulated this book confronts the historic devaluation of lesbian feminist politics within Anglo American discourse and ignites a transnational and

transgenerational discussion regarding the relevance of lesbian feminisms in today s world a discussion that challenges the view of lesbian feminism as static and essentialist Through careful consideration of contemporary debates these writers theorists academics and activists consider the wider place of lesbian feminisms within queer theory post colonial feminism and the movement for LGBT rights It considers how lesbian feminisms can contribute to discussions on intersectionality engage with trans activism and the need for trans inclusion to ultimately show how lesbian feminisms can offer a transformative approach to today s sexual and gender politics

Unstable Ground Rosalind C. Morris,2025-03-04 What has gold done to people What has it made them do The Witwatersrand in South Africa once home to the world's richest goldfields is today scattered with abandoned mines into which informal miners known as zama zamas venture in an illicit often deadly search for ore Based on field research conducted across more than twenty five years around these mines Unstable Ground reveals the worlds that gold made possible and gold's profound costs for those who have lived in its shadow and dreamt of its transformative power From the vantage point of the closure of South Africa's gold mines Rosalind C Morris reconsiders their histories beginning in the present and descending into the pasts that shaped them Anchored in evocative descriptions of mining in the ruins this book explores the social worlds built on gold and the lives that were remade and sometimes undone by the industry over a century and a half Viewing this industry from its margins against the backdrop of the cyanide revolution the gold standard's demise and recurrent sinkholes as well as the insurrectionary protests and violence that continue to this day it recasts the history of South Africa and the incomplete effort to overcome apartheid amid the transformations of the global economy In writing that is by turns immersive incisive and poetic Morris unearths a history that was born of imperial aspiration and that persists as a speculative mirage Interweaving ethnography history personal testimony and political thought with striking readings of South African literary texts Unstable Ground is a work of extraordinary ambition and depth **Public Art in South Africa** Kim Miller,Brenda Schmahmann,2017-10-16 How does South Africa deal with public art from its years of colonialism and apartheid How do new monuments address fraught histories and commemorate heroes of the struggle Across South Africa statues commemorating figures such as Cecil Rhodes have provoked heated protests while new works commemorating icons

of the liberation struggle have also sometimes proved contentious In this lively volume Kim Miller Brenda Schmahmann and an international group of contributors explore how works in the public domain in South Africa serve as a forum in which important debates about race gender identity and nationhood play out Examining statues and memorials as well as performance billboards and other temporal modes of communication the authors of these essays consider the implications of not only the exposure but also erasure of events and icons from the public domain Revealing how public visual expressions articulate histories and memories they explore how such works may serve as a forum in which tensions surrounding race gender identity or nationhood play out
