stripped of overt connections to contemporary political Liberalism that attempted to preserve the general outlines of the traditional Whiggist narrative within the context of a broad history of consensus This new formulation says Feske was more suited to the intellectual and political climate of the twentieth century Originally published in 1996 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Focus On: 100 Most Popular Fantasy Anime and Manga Wikipedia contributors, **Hypothetical Spacecraft and Interstellar Travel** Ezekiel Nygren,2015-02-28 Hypothetical Spacecraft and Interstellar Travel collects information about the latest and greatest hypothetical spacecraft Isaac Albeniz Walter Clark,2015-06-12 Isaac Alb niz is one of the most important figures in the history of Spanish music A legendary child prodigy he went on to become one of the leading concert pianists of his generation in Europe However he aspired to compose music rooted in the folklore of his native Spain contributing seminal masterpieces that defined the sound of Spanish art music in the 20th century and served as an inspiration to his most eminent successors This annotated bibliography and research guide provides an up to date and thorough presentation of all the sources any aficionado performer or scholar would need to deepen his or her understanding of this fascinating pianist and composer Falsifying Beckett Matthew Feldman,2014-04-01 The dozen essays brought together here alongside a newly written introduction contextualize and exemplify the recent empirical turn in Beckett studies Characterized above all by recourse to manuscript materials in constructing revisionist interpretations this approach has helped to transform the study of Samuel Beckett over the past generation In addition to focusing upon Beckett s early immersion in philosophy and psychology other chapters similarly analyze his later collaboration with the BBC through the lens of literary history Falsifying Beckett thus offers new readings of Beckett by returning to his archive of notebooks letters and drafts In reassessing key aspects of his development as one of the 20th century s leading artists this collection is of interest to all students of Beckett s writing as well as historicist scholars and critics of modernism more generally **The Columbia Sourcebook of Literary Taiwan** Sung-sheng Yvonne Chang,Michelle Yeh,Ming-ju Fan,2014-08-26 This sourcebook contains more than 160 documents and writings that reflect the development of Taiwanese literature from the early modern period to the twenty first century Selections include seminal essays in literary debates polemics and other landmark events interviews diaries and letters by major authors critical and retrospective essays by influential writers editors and scholars transcripts of historical speeches and conferences literary society manifestos and inaugural journal prefaces and governmental policy pronouncements that have significantly influenced Taiwanese literature These texts illuminate Asia s experience with modernization colonialism and postcolonialism the character of Taiwan s Cold War and post Cold War cultural production gender and environmental issues indigenous movements and the changes and challenges of the digital revolution Taiwan s
