Strangers Bill Pronzini, 2014-07 The latest in Mystery Writers of America Grand Master Bill Pronzini's acclaimed Nameless Detective Series Strangers Cody Hatcher is the kind of teenager you don't want your kids hanging with That's the book on him and it's why the citizens of Mineral Springs have no problem at all believing that he's guilty of three rapes His mother Cheryl an old lover of Nameless's is also being harassed by vindictive townspeople It's against such odds that he must work to prove Cody innocent There are few to help him and plenty to get in his way It's a classic situation for an iconic private investigator *God and the Great Detective* Nathanael T. Booth, 2023-10-16 The problem of human evil is never far beneath the surface of mystery fiction This was particularly true in the wake of the horrific events of World War II One figure who set out to investigate this crisis was Ellery Queen This book provides a much needed intervention in the study of detective fiction by giving sustained attention to Ellery Queen as well as suggesting possible directions for broader discussions of the genre After the war Queen mounted an inquiry into the state of masculinity and of the world in the wake of unimaginable horrors represented by the death camps and the atomic bomb During his investigation Ellery rummaged through the ruins of culture invoking and evoking figures such as Walt Whitman Henry David Thoreau and naturally Edgar Allan Poe Ultimately this quest brought him up against an unexpected foe God himself This book examines the ways Queen pushes against the boundaries of what was and in some circles still is considered possible or desirable in the genre

Strangers Bill Pronzini, 2025-10-16 The latest in Mystery Writers of America Grand Master Bill Pronzini's acclaimed Nameless Detective Series Strangers Cody Hatcher is the kind of teenager you don't want your kids hanging with That's the book on him and it's why the citizens of Mineral Springs have no problem at all believing that he's guilty of three rapes His mother Cheryl an old lover of Nameless's is also being harassed by vindictive townspeople It's against such odds that he must work to prove Cody innocent There are few to help him and plenty to get in his way It's a classic situation for an iconic private investigator At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied Metapolitics , More than half a century after the fall of the Third Reich Nazism its roots and its essential nature remain a central and unresolved enigma of the twentieth century During the period of Hitler's ascendancy most attempts at explaining this unprecedented phenomenon were framed in economic often Marxist sociological terms and concepts Peter Viereck's Metapolitics initially published in 1941 broke with this convention by indicting Hitler in terms of the Judaic Christian ethical tradition and locating certain elements of the Nazi worldview in German romantic poetry music and social thought Newly expanded Metapolitics remains a key work in the cultural interpretation of Nazism and totalitarianism and in the psychological interpretation of Hitler as a Wagnerite and failed artist The term metapolitics a coinage from Richard Wagner's nationalist circle signifies an ideology resulting from five distinct strands romanticism embodied chiefly in the Wagnerian ethos the pseudo science of race Fuehrer worship vague economic socialism and the alleged supernatural and

unconscious force of the Volk collectivity Together those elements engendered an emphasis on irrationalism and hysteria and belief in a special German mission to direct the course of the world s history Viereck analyzes nineteenth century German thought s conflicting attitudes toward political procedures and social arrangements rooted in classical rational legalistic and Christian traditions This edition includes an appreciation by Thomas Mann and an exchange with Jacques Barzun debating Viereck s criticism of German romanticism Viereck s essays on the case of Albert Speer on Claus von Stauffenberg the German officer who led the army conspiracy to assassinate Hitler and on the poets Stefan George and Georg Heym appear here for the first time in book form Poe and Place Philip Edward Phillips,2018-10-23 This collection of fifteen original

essays and one original poem explores the theme of place in the life works and afterlife of Edgar A Poe 1809 1849 Poe and Place argues that place is an important critical category through which to understand this classic American author in new and interesting ways The geographical places examined include the cities in which Poe lived and worked specific locales included in his fictional works imaginary places featured in his writings physical and imaginary places and spaces from which he departed and those to which he sought to return places he claimed to have gone and places that have embraced him as their own The geo critical and geo spatial perspectives in the collection offer fresh readings of Poe and provide readers new vantage points from which to approach Poe s life literary works aesthetic concerns and cultural afterlife **The Armchair**

School Library Journal ,1988 **Moving Images, Mobile Viewers** Renate Brosch,2011 Vision and movement seem to have shifted center stage in modes of experience in the last century as a result of their joint effect slow contemplative gazes at static images seem to be increasingly displaced by distracted vernacular ways of seeing Looking out of the window of a speeding car receiving photographs of Earth from outer space watching the flickering images of the TV screen scrolling through a text zooming in on a location in Google Earth or sending images via mobile phones or webcams all these are unique visual experiences that were impossible before various inventions in the 20th century originated completely new

kinds of movement The double meaning of moving images is meant to signal the specificity of motion to these images and at the same time to express the emotional power of those visual images which are able to transcend the constant stream of images in contemporary perception Series Kultur und Technik Schriftenreihe des Internationalen Zentrums für Kultur und Technikforschung der Universität Stuttgart Vol 20 **Books Out Loud** ,2007 Translating Russian Literature in the Global Context Muireann Maguire,Cathy McAteer,2024-04-03 Translating Russian Literature in the Global Context examines the translation and reception of Russian literature as a world wide process This volume aims to provoke new debate about the continued currency of Russian literature as symbolic capital for international readers in particular for nations seeking to create or consolidate cultural and political leverage in the so called World Republic of Letters It also seeks to examine and contrast the mechanisms of the translation and uses of Russian literature across the globe This collection presents academic essays grouped according to geographical location by thirty seven international scholars Collectively their expertise encompasses the global reception of Russian literature in Europe the Former Soviet Republics Africa the Americas and Asia Their scholarship concentrates on two fundamental research areas firstly constructing a historical survey of the translation publication distribution and reception of Russian literature or of one or more specific Russophone authors in a given nation language or region and secondly outlining a socio cultural microhistory of how a specific highly influential local writer genre or literary group within the target culture has translated transmitted or adapted aspects of Russian literature in their own literary production Each section is prefaced with a short essay by the co editors surveying the history of the reception of Russian literature in the given region Considered as a whole these chapters offer a wholly new overview of the extent and intercultural penetration of Russian and Soviet literary soft power during the twentieth and twenty first centuries This volume will open up Slavonic Translation Studies for the general reader the student of Comparative Literature and the academic scholar alike Saturday Review of Literature ,1968 Library Journal ,1967-04 **Library Journal** Melvil Dewey,Richard Rogers Bowker,L.
