it you WILL use it Below is a small sample of just one section of this fantastic book for you to get a feel of just what is in it and how beneficial it is EGO Me I the core about which all psycho activity revolves ELMAN Dave Elman lived from 1900 to 1967 Multi talented musician radio host and hypnotist Created the highly effective Elman induction which is considered a guaranteed hypnotic induction due to the choices given during the induction ELMAN INDUCTION A very effective rapid hypnosis induction created by Dave Elman It is considered the best guaranteed induction by many hypnotists since it is completely permissive and relies upon the subject to pace themselves into trance with the help of the hypnotist Created by Dave Elman the renowned hypnotist author and radio show host Below is the Elman induction word for word However it was originally used in 1963 that s fifty years ago it is still generally accepted that it is a basis for a good induction but needs updating due to the wording being outdated but also there is quite a lot of questioning of the subject and this may have a tendency to unravel the trance slightly Especially if there is any misunderstanding So first will be the induction in pure form and next my own modified version The Elman induction Will you just take a good long deep breath and close your eyes now relax the muscles around your eyes to the point where those eye muscles won t work and when you re sure they won t work test them and make sure they won t work test them get complete relaxation in those muscles around the eyes now let that feeling of relaxation go right down to your toes in a moment were going to do this again and when we do it a second time you re going to be able to relax ten times as much as you re relaxed already now open your eyes close your eyes completely relax let yourself be covered with a blanket of relaxation now the third time we do it you ll be able to double the relaxation which you have open your eyes now relax Im going to lift your hand and drop it and if you ve followed instructions up to this point that hand will be just as limp as a dishrag and will just plop into your lap let me lift it don t you lift it let it be heavy that s good but let s open and close the eyes again and double that relaxation and send it right down to your toes let that hand be as heavy as lead you ll feel it when you ve got the relaxation now you ve got it you could feel that couldn t you that s complete physical relaxation but I want to show you how you can get mental relaxation as well as physical so I m going to ask you to start counting when I tell you to from a hundred backwards each time you say a number double your relaxation and by the time you get down to ninety eight you ll be so relaxed there won t be any more numbers start with the idea of making that happen and watch it happen count out loud please 100 double your relaxation and watch the numbers start disappearing 99 watch the numbers start disappearing 98 now they ll be gone make it happen you ve got to do it i can t do it make them disappear dispel them make them vanish At this point the subject participation gets quite intense Below is a modified Elman induction complete with integrated deepener s Take a nice deep breath and hold it Hope you enjoyed this sample of part of the E s HAPPY READING And of course HAPPY ZAPPING **The Holistic Guide to Hypnotherapy** Steve Webster,2017-03-29 The Holistic Guide to Hypnotherapy Here is the worlds most comprehensive and detailed revelation of the ancient art of hypnotherapy in two volumes Whether you are currently learning it practicing it a hypnotherapy

professional or just plain interested in the amazing art of hypnotherapy this book will be your most valuable resource Hypnotherapy is not the only discipline covered in this huge store of knowledge among many other things you will learn about health from a holistic point of view benefits of nutrition meditation about relationships sexuality and more Steve Webster brilliantly explains Simple complex and metaphysical hypnotherapy The differences between hypnosis and hypnotherapy Approaches and amazing new techniques to use on different personality types How to use 18 Laws of Suggestibility to rid clients of illness disease and behavioral disorder and how to reprogram your mind Mechanics of hypnosis the scientific intricacies and 27 diagnostic tools to help you How to treat the top 35 afflictions like weight loss anxiety pain sleep disorders and social phobias Guided imagery neuroplasticity epigenetics neuro linguistic programming ideomotor responses and the power of dream venting Your clients coping blocking release and defense mechanisms Body syndromes how emotions affect us and the subconscious mind How one health disorder HHS might be responsible for 85% of afflictions The real Law of Attraction and how to make it work for you Steve has coined a new description for hypnotherapists Consciousness Engineers because that's what they are The client's consciousness creates their reality and the hypnotherapist adjusts that consciousness The subconscious mind vibrates at a level where it does not know illness disease and behavioral disorder but the conscious mind vibrates at a lower level and attracts these negative energies After reading the Consciousness Engineering section Volume 2 you will understand Your 3 minds their vibrational levels and how to increase your power of creation How to manifest anything and how to become an ascended master Learn what the subconscious mind is and how to guide your client to engage with it and harness its amazing powers The two volumes explain how you create your whole world and how to create a world that brings you and your clients joy and peace It explains levels of consciousness how to increase yours and how you are immortal in your quantum world With over 100 inductions deepeners and convincers with over 100 original diagrams and images and with over 100 informative tables and quotes This book really is your hypnotherapy Bible **Street Hypnosis** Vince Lynch, 2012-08-13 delete delete *Street Hypnosis* Sean Andrews, 2016-08-13 Congratulations on choosing this book You are sure to find it to be entertaining informative educational and a fun read This book will take you from history to technical information on hypnosis It will give you an insight into hypnosis that you may never get anywhere else If you're not a hypnotist you may find this book will open a whole new world of understanding hypnosis and may even inspire you to investigate the field further If you are a hypnotist this is a valuable learning experience for you too I've been chairman of the Mid America Hypnosis Conference for over 20 years and have worked in the field of hypnosis over 49 years I've also been to scores of conferences and have seen many amazing people This author is an exceptionally skilled hypnotist Sean Michael Andrews is an excellent stage hypnotist therapist and hypnosis trainer He is one of the most skilled teachers I've met You will find this book an easy comfortable read and you will learn so much without even realizing that you are learning I was fortunate enough to meet Sean at the National Guild of Hypnotists I

was quite impressed by the way he presented himself He has a way of speaking that makes you feel comfortable just listening to him Sean is one of the most ethical and entertaining hypnotists in the field The hypnosis community is very fortunate to have him presenting hypnosis in such a professional manner I also was invited to critique a certified hypnosis course where Sean Michael Andrews and a few other professionals were training new hypnotists He presented his part of the course in such a fun practical way I m sure that his students were immediately able to use the materials he presented They learned how to keep their subjects safe and do no harm making hypnosis an enjoyable experience for everyone The Mid America Hypnosis Conference near Chicago Illinois was the first hypnosis conference to feature street hypnosis Sean also did a fabulous stage show for the conference that was so well received we are constantly getting requests for him When he presents the room is always full and filled with excitement Sean shares his knowledge and experiences working with people throughout the world In this book you ll find references to some fantastic YouTube videos actually showing how he does the hypnosis After enjoying this book I am sure you will be interested in his newsletter which has tips videos and information on his classes and where he s appearing When Sean teaches Street Hypnosis Training the students gain such a fantastic feeling of confidence as well they should learning from the best I feel honored knowing Sean Michael Andrews and having him in the field He works tirelessly to improve the skills of hypnotists throughout the world His professionalism shows through his entertainment training and ethical way he conducts himself Carmelo M Blacconiere Chairman of the Mid America Hypnosis Conference
