Strong Enough To Love:

How to Become Strong Enough to Love Margaret Paul, 2022-04-26 Inner Bonding is a proven six step self healing process that has been developed and optimized over 30 years by Dr Margaret Paul Ph D and Dr Erika Chopich Ph D It s comprehensive It s practical And it always works when you do it In this book Margaret through the powerful Six Step Inner Bonding pathway shows how you can create and maintain the inner safety you need so you can become strong enough to love Inner Bonding empowers you to self heal the root causes of anxiety depression addictions failed relationships and many other problems that inhibit your personal and spiritual growth and satisfaction It teaches you how to love yourself rather than continue to abandon yourself how to move beyond emotional dependency and attain emotional freedom and how to heal any underlying control issues In friendships marriages and work relationships your joy aliveness and creativity get lost as you give up parts of yourself in an attempt to feel safe In romantic relationships passion dries up Superficiality boredom fighting and apathy take its place You try valiantly to figure out what went wrong But too often you might ask What am I doing wrong or What are you doing wrong rather than inquiring into the underlying fears and resulting self abandoning behaviors that create the unsafe relationship space The key to doing this is learning how to create a safe inner space where you can work with and overcome your false beliefs and your fears of rejection and engulfment This is a process not an event **All for**
