Introduction to Psychology Patricia M. Wallace, 1990 During the 1980s war in El Salvador Radio Venceremos was the main news outlet for the Frente Farabundo Mart para la Liberación Nacional FMLN the guerrilla organization that challenged the government The broadcast provided a vital link between combatants in the mountains and the outside world as well as an alternative to mainstream media reporting In this first person account Santiago the legend behind Radio Venceremos tells the story of the early years of that conflict a rebellion of poor peasants against the Salvadoran government and its benefactor the United States Originally published as La Terquedad del Izote this memoir also addresses the broader story of a nationwide rebellion and its international context particularly the intensifying Cold War and heavy U S involvement in it under President Reagan By the war's end in 1992 more than 75 000 were dead and 350 000 wounded in a country the size of Massachusetts Although outnumbered and outfinanced the rebels fought the Salvadoran Army to a draw and brought enough bargaining power to the negotiating table to achieve some of their key objectives including democratic reforms and an overhaul of the security forces

Broadcasting the Civil War in El Salvador is a riveting account from the rebels point of view that lends immediacy to the Salvadoran conflict It should appeal to all who are interested in historic memory and human rights U S policy toward Central America and the role the media can play in wartime
