Shdaimah, Chrysanthi S. Leon, 2017-07 Are sex workers victims criminals or just trying to make a living. Over the last five years public policy and academic discourse have moved from criminalization of sex workers to victim based understanding shaped by human trafficking. While most research focuses on macro level policies and theories less is known about the on the ground perspectives of people whose lives are impacted by sex work including attorneys social workers police officers probation officers and sex workers themselves. Challenging Perspectives on Street Based Sex Work brings the voices of lower echelon sex workers and those individuals charged with policy development and enforcement into conversation with one another. Chapters highlight some of the current approaches to sex work such as

diversion courts trafficking task forces law enforcement assisted diversion and decriminalization It also examines how sex workers navigate seldom discussed social phenomenon like gentrification pregnancy imperialism and being subjects of research Through dialogue our authors reveal the complex reality of engaging in and regulating sex work in the United States and through American aid abroad Contributors include Aneesa A Baboolal Marie Bailey Kloch Mira Baylson Nachale Hua Boonyapisomparn Belinda Carter Jennifer Cobbina Ruby Corado Eileen Corcoran Kate D Adamo Edith Kinney Margot Le Neveu Martin A Monto Linda Muraresku Erin O'Brien Sharon Oselin Catherine Paquette Dan Steele Chase Strangio Signy Toquinto and the editors *The Challenge of Joseph H. Democracies goes beyond just showing the similarities and differences of the policing challenges democratic societies face it also examines the responses and remedies adopted by police in various countries at different levels of democratic achievement and how every society struggles with the challenges of preserving democratic values without sacrificing the effectiveness of policing

Strategic Sport Communication Paul M. Pedersen, Pamela C. Laucella, Edward (Ted) M. Kian, Andrea N. Geurin, 2016-10-04 Strategic Sport Communication Second Edition explores the sport industry's exciting and multifaceted segment of sport communication. With communication theory, sport literature, and insight from the industry's leading professionals, the text presents a standard framework that introduces readers to the many ways in which individuals, media outlets, and sport organizations work to create, disseminate, and manage messages to their constituents. The team of international authors has drawn on its extensive practical, academic, and leadership experiences to update and revitalize this second edition of Strategic Sport Communication. Using the industry-defining standard of the Strategic Sport Communication Model (SSCM), the text explores sport communication in depth and then frames the three major components of the field: personal and organizational communication, sport media, and sport communication services and support. Readers will discover how each aspect of this segment of the sport industry is integral to the management, marketing, and operational goals at all levels of sport organizations. The second edition includes the following enhancements: A new expanded chapter titled Integrated Marketing Communication in Sport allows students to explore modern marketing strategy. Substantial updates and new information on multiple social media platforms throughout the book elucidate the latest trends. Sport Communication at Work sidebars and Profile of a Sport Communicator features apply topics and theoretical concepts to real-world situations. Key terms, learning objectives, and chapter wrap-ups with review questions, discussion questions, and individual exercises keep readers engaged and focused. An expanded ancillary package provides tools for instructors to use in course preparation and presentation. The content is complemented by photos throughout and organized in an easy-to-read style. Part I of the book introduces sport communication by defining the scope of study, examining roles and functions of sport communication professionals, and looking at the history and growth of the field. Part II dives into the SSCM, which provides a macro view of the three main components of communication in sport. This section also addresses digital and mobile communications, public relations, and crisis communication and sport research. Part III addresses sociocultural issues and legal aspects of sport communication, including culture, gender, sex, race, ethnicity, and politics. Throughout the text, individual exercises, group activities, review questions, and discussion questions promote comprehension for a variety of learning styles. With Strategic Sport Communication Second Edition, readers will be introduced to the vast and varied field of sport communication. The framework of the SSCM prepares readers with foundational and theoretical knowledge so they are able to understand the workings of and ultimately contribute to the rapidly growing field of sport communication.
