

Suzy Student Biographical Sketch

A graduate of Excella High School, Suzy Student is a high achiever who is committed to pursuing a career in education. She's currently enrolled in Teacher Training University (TTU), where she is pursuing a degree in secondary education with an emphasis in Language Arts. She has a passion for the English language and looks forward to sharing her knowledge of this topic with young learners as she enters the field of education and begins working as a classroom teacher.

Suzy knew from an early age that she wanted to work as an educator. She loved school from the moment she set foot in the classroom. She has loved every minute of her time in school, from exploring new topics to building strong academic skills and collaboration with other students. Participating in education is something she is truly passionate about. Suzy enjoys movies and games as much as other students, but she actually views her teachers as the real superheroes in her life. She can't wait to inspire a love of learning in her own students.

Suzy currently works in TTU's tutoring center where she helps other students master coursework and gain the study skills they need to succeed in school. She finds this work very rewarding and considers it to be a wonderful experience that will help prepare her for her future career. During her high school years, Suzy served as a volunteer English tutor, helping students in lower grades master grammar, spelling and writing skills.

She is also an active member of the Student Service Club at TTU. She serves on the community service committee, a role that allows her to participate in various service projects throughout the community. In her work with the Student Service Club, she has taught basic computer skills classes to senior citizens and served as an after-school tutor to children who attend an after-school program for at-risk youth. She also chaired a successful book drive in which 200 children's books were collected to be donated to local elementary school students.

In her spare time, Suzy enjoys reading fiction, writing short stories and participating in community theater. She also participates in intramural sports at TTU, where she is a member of the volleyball team.
