South African Defence Force Recruitment For 2016:

Contemporary Issues in South African Military Psychology Nicole Dodd, Petrus C. Bester, Justin van der Merwe, 2020-05-13 Contemporary Issues in South African Military Psychology is a well timed extremely thought provoking imperative particular to the African context and deals with a highly contemporary issue within the people management and the management studies fields specifically in the military field and context This is specifically of importance as military psychology is a behavioural science that combines theory and practical application Prof Karel Stanz University of Pretoria

South Africa's Post-Apartheid Military Lindy Heinecken, 2020-01-01 This timely book examines how the South African National Defence Force has adapted to the country's new security political and social environment since 1994 In South Africa's changed political state how has civilian control of the military been implemented and what does this mean for defence in a democracy This book presents an overview of the security environment how the mission focus of the military has changed and the implications for force procurement force preparation force employment and force sustainability The author addresses other issues such as the effect of integrating former revolutionary soldiers into a professional armed force the effect of affirmative action on meritocracy recruitment and retention military veterans looking at the difficulties they face in reintegrating back into society and finding gainful employment gender equality and mainstreaming the rise of military unions and why a confrontational instead of a more corporatist approach to labour relations has emerged HIV AIDS and the consequences this holds for the military in terms of its operational effectiveness In closing the author highlights key events that have caused the SANDF to become lost in transition and transformation spelling out some lessons learned The conclusions she draws are pertinent for the future of defence security and civil military relations of countries around the world

ECCWS2016-Proceedings fo the 15th European Conference on Cyber Warfare and Security " Robert Koch, Gabi Rodosek, 2016-06-15 These proceedings represent the work of researchers participating in the 15th European Conference on Cyber Warfare and Security ECCWS 2016 which is being hosted this year by the Universitat der Bundeswehr Munich Germany on the 7-8 July 2016 ECCWS is a recognised event on the International research conferences calendar and provides a valuable platform for individuals to present their research findings display their work in progress and discuss conceptual and empirical advances in the area of Cyberwar and Cyber Security It provides an important opportunity for researchers and managers to come together with peers to share their experiences of using the varied and expanding range of Cyberwar and Cyber Security research available to them With an initial submission of 110 abstracts after the double blind peer review process there are 37 Academic research papers and 11 PhD research papers 1 Master's research paper 2 Work In Progress papers and 2 non academic papers published in these Conference Proceedings These papers come from many different countries including Austria Belgium Canada Czech Republic Finland France Germany Greece Hungary Ireland Kenya Luxembourg Netherlands Norway Portugal Romania Russia Slovenia South Africa Sweden Turkey UK and USA This is not only

highlighting the international character of the conference but is also promising very interesting discussions based on the broad treasure trove of experience of our community and participants

SADC Gender Protocol 2017 Barometer

Morna, Colleen Lowe, Makamure, Lucia, 2017-10-04 The SADC Protocol on Gender and Development is the only sub regional instrument in the world that brings together global and continental commitments to gender equality in one instrument used to enhance accountability The Southern African Gender Protocol Alliance is a network of country and regional NGOs that campaigned for the Protocol its updating implementation and tracking Originally aligned to the Millennium Development Goals that expired in 2015 SADC Gender Ministers updated the Protocol and aligned it to the Sustainable development Goals SDGs Beijing Plus Twenty and the Africa Agenda 2063 in 2016 In July 2017 the Ministers adopted a Monitoring Evaluation and Reporting Framework MERF that will be the basis of future reporting Now in its ninth edition the 2017 Barometer is the first assessment of the Post 2015 SADC Gender Protocol Moving with the times the Alliance has expanded the two key main yardsticks in the Barometer the SADC Gender and Development Index SGDI and the Citizen Score Card CSC The Barometer incorporates many MERF and SDG indicators as well as its own unique measures of voice choice and control The Barometer also introduces the Gender Responsive Assessment of Constitutions and Laws conducted by Alliance experts and networks around the region A wealth of data insights and analysis awaits all readers of the Barometer that will also be made available online and in multi media formats The SADC we want is one in which citizens engage step it up for gender equality and make sure we achieve Planet 50 50 by 2030

Guns & Roses: Comparative Civil-Military Relations in the Changing

Security Environment Steven Ratuva, Radomir Compel, Sergio Aguilar, 2019-01-04 This edited volume provides a critical and comparative discussion of the changing synergy between the military and society in the dramatically transforming global security climate drawing on examples from the Asian Pacific African Middle Eastern European and South American regions The book is interdisciplinary and covers wide ranging issues relating to civil military relations democratization regional security ethnicity peace building and peace keeping civilian oversight internal repression gender regime change and civil society

African Standby Force Francois VreA, 2017-10-28 Standby forces of the African Union are expected to deploy rapidly into high intensity conflict zones Inherently they stem from and are expected to work effectively with regional militaries of differing capabilities But first the AU has to muster the political will to deploy the force at all and do it all on a shoestring budget VreA and Mandrup s edited volume illuminates through the chapter contributions the breadth of challenging political hurdles that the African Union s African Standby Force faces They do this in clear and readable terms This important book is imperative for anyone seeking to understand the rapid deployment forces on which African states have optimistically pinned the future of their collective security aspirations

Propaganda and Public Relations in Military Recruitment Brendan Maartens, Thomas Bivins, 2020-11-19 This book represents the first international investigation of military recruitment advertising public relations and propaganda Comprised of eleven case studies that explore mobilisation

work in Africa the Americas Asia and Europe it covers more than a hundred years of recent history with chapters on the First and Second World Wars the Cold War and the present day The book explores such promotion in countries both large and small and in times of both war and peace with readers gaining an insight into the different strategies and tactics used to motivate men women and occasionally even children to serve and fight in many parts of the world Readers will also learn about the crucial but little known role of commercial advertising public relations and media professionals in the production and distribution of recruitment promotion This book the first of its kind to be published will explore that role and in the process address two questions that are central to studies of media and conflict how do militaries encourage civilians to join up and are they successful in doing so It is a multi disciplinary project intended for a diverse academic audience including postgraduate students exploring aspects of war propaganda and public opinion and researchers working across the domains of history communications studies conflict studies psychology and philosophy

[The Eastern Fleet and the Indian Ocean, 1942-1944](#) Charles Stephenson, 2022-04-06 A study of the British Royal Navy's activities in the Indian Ocean during World War II led by Admiral Sir James Somerville The story of the British Eastern Fleet which operated in the Indian Ocean against Japan has rarely been told Although it was the largest fleet deployed by the Royal Navy prior to 1945 and played a vital part in the theatre it was sent to protect it has no place in the popular consciousness of the naval history of the Second World War So Charles Stephenson's deeply researched and absorbing narrative gives this forgotten fleet the recognition it deserves British pre war naval planning for the Far East is part of the story as is the disastrous loss of the battleship Prince of Wales and battlecruiser Repulse in 1941 but the body of the book focuses on the new fleet commanded by Admiral Sir James Somerville and its operations against the Japanese navy and aircraft as well as Japanese and German submarines Later in the war once the fleet had been reinforced with an American aircraft carrier it was strong enough to take more aggressive actions against the Japanese and these are described in vivid detail Charles Stephenson's authoritative study should appeal to readers who have a special interest in the war with Japan in naval history more generally and Royal Navy in particular

Praise for [The Eastern Fleet and the Indian Ocean 1942-1944](#) This meticulously researched outstandingly clear well written and absorbing account is long overdue and will most likely become a standard work The text is most helpfully supported by over 80 pages of detailed end notes referenced to each chapter and a detailed index This is not only a book for naval historians but also for anyone with an interest in the War in the Indian Ocean region Highly recommended Military Historical Society I enjoyed this book it gives us an account of an often neglected part of the war at sea and of the achievements of Admiral Somerville who kept his fleet intact in the face of a potentially overwhelming opponent then was willing to acknowledge that his fleet needed to improve massively before it could take on the Japanese Dr John Rickard author and webmaster of the Military History Encyclopedia on the Web

The Imperial Army Project Douglas E. Delaney, 2018-01-25 How did British authorities manage to secure the commitment of large dominion and Indian armies that could plan fight

shoot communicate and sustain themselves in concert with the British Army and with each other during the era of the two world wars What did the British want from the dominion and Indian armies and how did they go about trying to get it Douglas E Delaney seeks to answer these questions to understand whether the imperial army project was successful Answering these questions requires a long term perspective one that begins with efforts to fix the armies of the British Empire in the aftermath of their desultory performance in South Africa 1899 1903 and follows through to the high point of imperial military cooperation during the Second World War Based on multi archival research conducted in six different countries on four continents Delaney argues that the military compatibility of the British Empire armies was the product of a deliberate and enduring imperial army project one that aimed at standardizing and piecing together the armies of the empire while at the same time accommodating the burgeoning autonomy of the dominions and even India At its core this book is really about how a military coalition worked

Disarmament, Demobilisation and Reintegration of Ex-Combatants in Africa Ibrahim Bangura, 2023-07-17 This book critically examines the approaches to Disarmament Demobilisation and Reintegration DDR of ex combatants programming in Africa Drawing on empirical evidence from across the continent the book investigates the different theories contextual realities and approaches that have informed the establishment and implementation of such programmes the opportunities they have provided for stability peace and security and the challenges with which they have contended The book combines broader theoretical analysis with country specific case studies including Nigeria the Central African Republic South Sudan Somalia Liberia Sierra Leone Burundi Zimbabwe South Africa and the Democratic Republic of Congo Overall the book asks how DDR programming has evolved in Africa what factors have contributed to the success or failure of DDR processes and what we can expect for DDR in Africa in the future This book will be a useful guide for students and researchers across the fields of Peace and Conflict Studies Security Studies History Political Science Sociology and African Studies

Hunters among Farmers Akira Takada, 2023-08-29 Through moving life histories Akira Takada gives the Xun of north central Namibia a voice in their own history In contrast to other marginalised San minorities the Xun foster co operative relationships with their neighbours the Ovawambo and with the state In the face of radical social changes over the past century they have maintained traditional hunting and gathering as a backstop but also sold their skills and labour acquired their own farms and livestock and enriched their child rearing practices in changing ecological conditions Central to their identity and resilience are their kinship and naming practices which preserve their ethnic cohesion while promoting relationships with other groups Contributing to an established literature on the San Takada's book will allow detailed regional comparison on the Kung speaking groups of northern Namibia Charming sketches from his notebooks give an intimate view of the anthropologist in the field

African Research & Documentation , 2016

Hollywood and Africa Dokotum, Okaka Opio, 2020-02-16 Hollywood and Africa recycling the Dark Continent myth from 1908 2020 is a study of over a century of stereotypical Hollywood film productions about Africa It argues that the myth of the

Dark Continent continues to influence Western cultural productions about Africa as a cognitive based system of knowledge especially in history literature and film Hollywood and Africa identifies the colonial mastertext of the Dark Continent mythos by providing a historiographic genealogy and context for the term s development and consolidation An array of literary and paraliterary film adaptation theories are employed to analyse the deep genetic strands of Hollywood Africa film adaptations The mutations of the Dark Continent mythos across time and space are then tracked through the classical neoclassical and new wave Hollywood Africa phases in order to illustrate how Hollywood productions about Africa recycle revise reframe reinforce transpose interrogate and even critique these tropes of Darkest Africa while sustaining the colonial mastertext and rising cyberactivism against Hollywood s whitewashing of African history Prisoners of War and Military Honour, 1789-1918 Jasper Heinzen, 2025-01-03 Early in the modern period prisoners of war with the rank of officer or equivalent had the right to petition for parole By effectively pawning their personal honour they were able to purchase freedom of movement and other privileges in captivity Increasingly other ranks and civilians claimed a right to parole too Based on material from close to thirty Australian British Dutch French German and Swiss archives Jasper Heinzen investigates the role and implications of honour based agreements between prisoners of war and their captors in western European warfare Across a range of ego documents ministerial memoranda the minutes of Masonic lodges and prisoners petitions as well as a substantial body of published material he demonstrates how captives statesmen and humanitarians understood honour in the long nineteenth century how they negotiated national differences and why parole d honneur continued to matter as a code of conduct into the First World War In so doing the book demonstrates the dichotomy between good codes of conduct prevalent in the eighteenth century and the practices of modern warfare perpetuated by a substantial amount of scholarship to be a false one Explaining the longevity of parole in this novel way raises important questions about the so called military Enlightenment the excesses of the world wars total war and the practices and codes of modern warfare **West African Soldiers in Britain's Colonial Army (1860-1960)** Timothy Stapleton, 2022 West African Soldiers in Britain s Colonial Army 1860 1960 explores the history of Britain s West African colonial army based in Nigeria Ghana Sierra Leone and the Gambia placing it within a broader social context and emphasizing as far as possible the experience of the ordinary soldier The aim is not to describe the many battles and campaigns fought by this force but to look at the development of the West African colonial army as an institution over the course of about a century In pursuing this goal it is sometimes useful to employ the lens of military culture defined differently by scholars but essentially meaning a set of shared ideas and behaviors that inform daily life in the military While other locally recruited colonial militaries in Africa have attracted considerable attention from historians as they served as an essential pillar supporting European rule this book represents the first comprehensive scholarly study of Britain s West African army which was the largest such British led force south of the Sahara The study is based on extensive archival research conducted in nine archives located in five countries The Sniper Encyclopaedia John

Walter,2019-08-23 A complete guide to snipers rifles techniques battles and campaigns throughout history and around the world by the author of The Hand Gun Story The work features hundreds of snipers including not only the best known world renowned gurus such as Vasiliy Zaytsev and Chris Kyle but also many crack shots overlooked by history Among them are some of more than a thousand Red Army snipers men and women who amassed sufficient kills to be awarded the Medal for Courage and the Order of Glory Also included are some of the best known sniper victims and the veracity of the most popular myths The book thoroughly examines the history and development of the many specialist sniper rifles some more successful than others that have served the world s armies from the nineteenth century American Wars to today s technology based conflicts Attention too is paid to the progress made with ammunition without which of course precision shooting would be impossible The development of aids and accessories from camouflage clothing to laser rangefinders is also considered Finally The Sniper Encyclopedia examines significant locations and specific campaigns the way marksman have influenced the course of the individual battles and places which have played a crucial part in the history of sniping from individual sites to sniper schools and training grounds The book contains authors biographies a critical assessment of the many books and memoirs on the world of the sniper and a guide to research techniques A remarkable work of research and an endless treasure trove of information for anyone with an interest in the subject Martin Pegler author of Out Of Nowhere A History of the Military Sniper Sights, Sounds, Memories Ian van der Waag,2020-12-15 The Second World War involved most of the countries of the world and left so many millions dead and maimed disorganised and devastated through personal and communal loss This book recovers some of South Africa s soldiers experiences from the physical and mental debris of the war Individuals are important their lives used as lenses give us colour and texture and their voices tell the stories of ordinary soldiers Using their memoirs and diaries the vitality of their endeavours is reasserted their successes and failures victories and indecencies are re examined and their magnanimity and the general triumph of the human spirit are celebrated

Citizenship in Myanmar Ashley South,2018-05-24 Myanmar is going through a period of profound and contested transition The country has experienced widespread if sometimes uneven reforms including the start of a peace process between the government and Myanmar Army and some two dozen ethnic armed organizations which had long been fighting for greater autonomy from the militarized and Burman dominated state This book brings together chapters by Burmese and foreign experts and contributions from community and political leaders who discuss the meaning of citizenship in Myanmar Burma The book explores citizenship in relation to three broad categories issues of identity and conflict debates around concepts and practices of citizenship and inter and intra community issues including Buddhist Muslim relations This is the first volume to address these issues understanding and resolving which will be central to Myanmar s continued transition away from violence and authoritarianism **Foreign Fighters and the Extreme Right** Daniel Koehler,Miroslav Mareš,2025-10-29 Foreign Fighters and the Extreme Right is the first comprehensive academic study taking an in depth look

at white supremacists neo Nazis and other right wing extremists leaving their home countries to join armed groups fighting in civil wars and other armed conflicts The phenomenon known as Foreign Fighters has so far mainly been looked at in the context of Jihadist groups like ISIS recruiting fighters from all over the world for the Syrian and Iraqi conflicts Widely unnoticed the war ongoing in Ukraine has also resulted in a stream of foreign recruits but with a totally different ideology Right wing extremists from many countries have travelled to Ukraine in order to take part in the armed conflict against Russia Many have already returned to their countries of origin mostly unnoticed and unhindered by law enforcement agencies Looking more carefully one also can see a much longer history of right wing extremist foreign fighting in various conflicts for example the Yugoslavian war the Algerian conflict and in South America in the aftermath of the Vietnam war Bringing together world leading experts on right wing extremism and terrorism this collection of extreme right wing foreign fighting case studies since the end of the Second World War sheds light on a topic with significant importance which has yet remained mostly in the dark This book will be of interest to all those with an interest in small wars terrorism peace and conflict studies and right wing extremism Managing Violent Religious Extremism in Fragile States Abosede Omowumi Babatunde, Mahfouz A. Adedimeji, Shittu Raji, Jacinta Mwende Maweu, John Mwangi Githigaro, 2021-09-30 This book examines how African states can build the institutional capacity to better prevent manage and cope with the new security challenges posed by violent religious extremism Despite the evidence that violent religious extremism is exacerbated by underlying social political economic and governance factors many states have focused their efforts only on reactive and coercive response strategies overlooking more long term measures This comparative study of Nigeria and Kenya reflects on why insurgency in Kenya has not escalated to full blown terrorism as it has with Boko Haram in Nigeria in spite of the similarities in relatively weak institutions of governance and colonial legacies across the two countries The book interrogates the policy and institutional responses that have been put in place in both countries to address security challenges and the extent of their efficacy in light of the intricate networks of politics governance corruption poverty and violence and the relative fragility of state institutions The authors highlight the areas of convergence and divergence in institutional capacities and recommend policies to enhance the capacity of institutions to manage violent religious extremism This book will be of interest to scholars of African Politics Security Peace Studies and Terrorism
