Southern California 2014 Public School Calendar:

School's Choice Wagma Mommandi, Kevin Welner, 2021 Access issues are pivotal to almost all charter school tensions and debates How well are these schools performing Are they segregating and stratifying Are they public and democratic Are they fairly funded Can apparent successes be scaled up Answers to all these core questions hinge on how access to charter schools is shaped This book describes the incentives and pressures on charter schools to restrict access and examines how charters navigate those pressures explaining access restricting practices in relation to the ecosystem within which charter schools are created It also explains how charters have sometimes responded by resisting the pressures and sometimes by surrendering to them The text presents analyses of 13 different types of practices around access each of which shapes the school's enrollment The authors conclude by offering recommendations for how states and authorizers can address access related inequities that arise in the charter sector School's Choice provides timely information on critical academic and policy issues that will come into play as charter school policy continues to evolve Book Features Examines how charter schools control who gains and retains access Explores policies and practices that undermine equitable admission and encourage opportunity hoarding Offers a set of policy recommendations at the state and federal level to address access related issues

Colleges That Pay You Back, 2017 Edition Princeton Review, Robert Franek, 2017 Discover colleges that offer exceptional return on investment a great education at a great price with great career prospects Cover **Summer versus School II** James Pedersen, David Hornak, Jon Mishra, 2024-10-02 Summer Versus School II The Balanced Calendar of School Work and Life 2nd Edition explores the successes and challenges of moving from the traditional 10 month calendar to implement ones that are more in line with the needs of modern families Through real case studies from actual school districts in the state of Washington this book examines research into instructional practices programmatic challenges and community involvement with schools that have adapted modified calendars **Summer versus School** James Pedersen, 2015-01-22 As American educational reformers continue to find innovative ways to address the global achievement gap many experts seem to agree that increasing instructional time is a viable option In addition to extending the school day some educational leaders have looked to modifying the traditional academic calendar to address some of the academic losses that occur when students have 8 10 weeks of summer vacation each year Re-examining how students spend their summer vacation although considered by many to be a cultural taboo may be the answer to addressing global competition and decreasing the national achievement gap The need for a two month break from schools harkens back to a pre industrial time that no longer is pertinent for our students Although an answer may be staring us in the face are we willing to give up on the American tradition of summer vacation all in the name of reform and student success **Insurgent Media from the Front** Chris Rob  , Stephen Charbonneau, 2020-11-03 This anthology examines how activists have used media technology to effect social and political change from the 1940s to today In the 1940s it was 16 mm film In the 1980s it was handheld video cameras Today it is cell

phones and social media Activists have always found ways to use the media du jour for quick and widespread distribution

InsUrgent Media from the Front looks at activist media practices in the twenty first century and sheds light on what it means to enact change using different media of the past and present The term insUrgent media highlights the ways grassroots media activists challenge hegemonic norms like colonialism patriarchy imperialism classism and heteronormativity while also conveying the urgency of this work With chapters focused on indigenous resistance community media and the use of media as activism throughout US history this anthology emphasizes the wide reach media activism has had over time **Everyday Desistance** Laura S. Abrams,Diane Terry,2017-05-31 In *Everyday Desistance* Laura Abrams and Diane J Terry examine the lives of young people who spent considerable time in and out of correctional institutions as adolescents These formerly incarcerated youth often struggle with the onset of adult responsibilities at a much earlier age than their more privileged counterparts In the context of urban Los Angeles with a large scale gang culture and diminished employment prospects further involvement in crime appears almost inevitable Yet as Abrams and Terry point out these formerly imprisoned youth are often quite resilient and can be successful at creating lives for themselves after months or even years of living in institutions run by the juvenile justice system This book narrates the day to day experiences of these young men and women focusing on their attempts to surmount the challenges of adulthood resisting a return to criminal activity and formulating long term goals for a secure adult future **Senior Citizens of India** S.
