Souvenirs Du Vietnam:

Customs and Culture of Vietnam Ann Caddell Crawford, 2012-08-07 A concise information packed background of the history and culture of Vietnam including the country's relations with the United States Comprehensive and authoritative this book accurately describes this fascinating country The author begins with a description of the geographical features of the country and the various tribes and people that inhabit it then reviews the various religions the educational system and customs that have played and continue to play determinative roles in the lives of the Vietnamese The French colonial period and its influence on the religion and educational system of the country are covered as well as such fascinating sidelights as eating habits society and hair styles A separate chapter covers arts of this part of Asia These include the theater as well as painting architecture sculpture music and literature Some Vietnamese legends are retold in the final chapter Visitors to this country will be especially interested in the sections on language customs festivals holidays and recreation not to mention places to visit Miss Hau Dinh Cam a Vietnamese artist has given added life to many pages with her drawings of the people in scenes of daily life

Vietnam Jan Dodd, Mark Lewis, 2003 The Rough Guide to Vietnam is the ideal companion for exploring Southeast Asia's most intriguing destination A full colour introductory section includes photos of the country's highlights from the waterborne markets of the Mekong Delta to the faded elegance of Hanoi Lively coverage is given to towns and attractions and opinionated reviews give an up to the minute impression of the country's best known sights There is practical advice on exploring everything that may concern the independent traveller from negotiating Vietnam's borders to dining in street kitchens The Contexts section includes enlightening articles on Vietnamese history religion music and film The Rough Guide to Vietnam is strongly recommended The Daily Telegraph

Tourism and Souvenirs Jenny Cave, Lee Jolliffe, 2013-07-04 Souvenirs are part of global and local travel and tourism in all corners of the world This book portrays souvenirs as expressions of culture and as triggers of cultural change The volume provides critique and theorisation of souvenirs of places people and experiences in the context of lives lived at the margins of society politics tourism flows and urbanisation Case studies in sustainable tourism illustrate dynamic ways that consumers and suppliers use souvenirs to respond to resist and re interpret global and local influences upon cultures across informal hybrid and formal economies

Vietnam and the West Wynn Wilcox, 2010 This sound interpretation of Vietnamese cultural attitudes contends that a major reason for American difficulties in Viet Nam has been the failure to appreciate how wide the gulf is between Viet Nam and the West Professor Smith first describes Vietnamese political and social traditions and shows how they were challenged by the West after 1858 He examines Viet Nam's search for independence and modernization in the first half of this century contrasts the two governments of the partitioned country during the years 1954 1963 and stresses the critical need to reassess attitudes toward Viet Nam His sophisticated ambitious survey of Viet Nam history will have a lasting value that sets it apart from the scores of ephemeral books on this country

Footprints of War David Andrew Biggs,2018-10-08 When American forces arrived in Vietnam they found themselves embedded in historic village and frontier spaces already shaped by many past conflicts American bases and bombing targets followed spatial and political logics influenced by the footprints of past wars in central Vietnam The militarized landscapes here like many in the world's historic conflict zones continue to shape post war land use politics Footprints of War traces the long history of conflict produced spaces in Vietnam beginning with early modern wars and the French colonial invasion in 1885 and continuing through the collapse of the Saigon government in 1975 The result is a richly textured history of militarized landscapes that reveals the spatial logic of key battles such as the Tet Offensive Drawing on extensive archival

work and years of interviews and fieldwork in the hills and villages around the city of Hue to illuminate war's footprints David Biggs also integrates historical Geographic Information Systems GIS data using aerial high altitude and satellite imagery to render otherwise placeless sites into living multidimensional spaces This personal and multilayered approach yields an innovative history of the lasting traces of war in Vietnam and a model for understanding other militarized landscapes

Contesting Indochina M. Kathryn Edwards, 2016-06-14 How does a nation come to terms with losing a war especially an overseas war whose purpose is fervently contested In the years after the war how does such a nation construct and reconstruct its identity and values For the French in Indochina the stunning defeat at Dien Bien Phu ushered in the violent process of decolonization and a fraught reckoning with a colonial past *Contesting Indochina* is the first in depth study of the competing and intertwined narratives of the Indochina War It analyzes the layers of French remembrance focusing on state sponsored commemoration veterans associations special interest groups intellectuals films and heated public disputes These narratives constitute the ideological battleground for contesting the legacies of colonialism decolonization the Cold War and France's changing global status
