Marcel A. Müller

Sovereignty And Responsibility Power Norms And Intervention In International Relations:

Sovereignty and Responsibility J. Moses, 2014-11-18 This book is a critical study of the concept of sovereignty and its relationship to responsibility. It establishes a clear distinction between empirical and normative definitions of sovereignty and examines the implications of these concepts in relation to intervention, international law and the world state.

Sovereignty and Responsibility J. Moses, 2014-11-18 This book is a critical study of the concept of sovereignty and its relationship to responsibility. It establishes a clear distinction between empirical and normative definitions of sovereignty and examines the implications of these concepts in relation to intervention, international law and the world state.

Norm Contestation, Sovereignty and (Ir)responsibility at the International Criminal Court Emanuela Piccolo Koskimies, 2021-10-26 Grappling specifically with the norm of sovereignty as responsibility, the book seeks to advance a critical constructivist understanding of norm development in international society as opposed to the conventional or liberal constructivist mis understanding that still dominates the debate. Against this backdrop, the book delves into the institutionalization of sovereignty as responsibility within the lived practice of the International Criminal Court (ICC). More to the point, the proposed exploration intends to revive questions about the power laden nature of the normative fabric of international society, its dis symmetries and its outright hierarchies in order to devise an original framework to operationalize research on how institutional practice impinges on norm development. To this end, the book resorts to an original creole vocabulary which combines the contributions of post positivist constructivist scholars with the legacy of key post modernist thinkers such as Michel Foucault and Jacques Derrida as well as critical approaches to International Criminal Law and Post Colonial Studies. The book will appeal to scholars of international relations and international law in addition to critical scholars more broadly as well as to practitioners in the fields of human rights and international justice interested in normative theory and the implementation and contestation of international social norms.

Atrocity Crimes and International Law Stacey Henderson, 2022-10-31 Despite repeated declarations of never again in response to the commission of atrocities, civilians have continued to be targeted by their leaders and opposition groups. The international law principles of sovereignty and non intervention, when taken at their highest, require States to stand idle and not intervene in another State regardless of what atrocities may be occurring there. This traditional legal view is being challenged by an emerging practice of States choosing to respond in non forceful ways inspired by the concept of the Responsibility to Protect (R2P). Drawing on R2P, this book introduces and develops an original conceptual tool, intercession, to capture and explain this change in State practice and the impact of R2P on the development of international law. Through a close examination of State practice, the work explores whether there has been an expansion in the permissible measures and situations in which States can intervene without using force in response to atrocity crimes occurring in other States. This book concludes that the development of the secondary duty on the international community under R2P provides the greatest opportunity to progress the R2P framework in a meaningful way which will have a

significant impact on the protection of populations from atrocity crimes The book will be essential reading for students researchers and policymakers working in the areas of international law international relations humanitarian law and peace and security studies

Protecting Human Rights in the 21st Century Aidan Hehir,Robert W. Murray,2017-04-12 This book provides a comprehensive overview of the trajectory of international human rights protection in the 21st century

A Theory of De Facto States Lucas Knotter,2023-12-12 A Theory of De Facto States offers a new perspective on the phenomenon of de facto states political communities that manifest forms of statehood in international politics but lack international legal recognition zooming in on two prominent examples Somaliland and Kosovo Employing a thorough understanding of classical realist theories of international relations this book provides a fresh critique of the common ways in which existing research tends to identify the ostensible state features of these communities In contrast to the prevalent portrayals of such features in terms of international legal discursive and or everyday logics this book argues that de facto states can be most fundamentally characterised as exceptional polities in international relations Showcasing how the statehood and sovereignty of de facto states is based in international political crises this book concludes that these entities function as recurring disruptions of any supposed international political order A Theory of De Facto States will therefore be of interest to researchers of secession de facto statehood and International Relations theory alike

Introduction to Politics Robert Garner,Peter Ferdinand,Stephanie Lawson,2023 The only introductory textbook to bring together theory comparative politics and international relations to provide the most comprehensive and global introduction to politics available

Historical Dictionary of International Relations Peter Lamb,Fiona Robertson-Snape,2017-03-21 The Historical Dictionary of International Relations is a general guide to the theory and practice of the relations between states and between states and other actors on the world stage It introduces readers to the real world operations of international relations and is thus concerned with the actual relations between states organizations groups and people It also offers introductory information about the various theories old and new that help explain these relations why they happen and the possible alternatives that might be available now or in the future Moreover some of the key thinkers of these theories are discussed The Historical Dictionary of International Relations contains a chronology an introduction and an extensive bibliography The dictionary section has over 200 cross referenced entries on real world operations of international relations the actual relations between states organizations groups and people This book is an excellent resource for students researchers and anyone wanting to know more about International Relations

Global Politics Stephanie Lawson,2021 The most concise introduction to international relations covers all the essentials with learning features that link theories to the real world Global Politics is a concise and engaging introduction to international relations In it Stephanie Lawson introduces the key theories and concepts underpinning the discipline giving readers a foundation to study politics on both a personal and global scale including issues relating to gender sexuality and ethnicity as well as the economy environment and concepts

of justice The textbook presents theories in their historical context demonstrating how they can evolve over time Case studies both contemporary and historical and biographies of key figures help bring these issues to life Additional features such as key debates and summary questions provide opportunities to analyse issues from a range of perspectives

The End of American World Order Amitav Acharya, 2018-03-16 The age of Western hegemony is over Whether or not America itself declines or thrives under President Trump's leadership the post war liberal international order underpinned by US military economic and ideological primacy and supported by global institutions serving its power and purpose is coming to an end But what will take its place A Chinese world order A re-constituted form of American hegemony A regionalized system of global cooperation including major and emerging powers In this updated and extended edition of his widely acclaimed book Amitav Acharya offers an incisive answer to this fundamental question While the US will remain a major force in world affairs he argues that it has lost the ability to shape world order after its own interests and image As a result the US will be one of a number of anchors including emerging powers regional forces and a concert of the old and new powers shaping a new world order Rejecting labels such as multipolar apolar or G Zero Acharya likens the emerging system to a multiplex theatre offering a choice of plots ideas directors power and action leadership under one roof Finally he reflects on the policies that the US emerging powers and regional actors must pursue to promote stability in this decentred but interdependent multiplex world Written by a leading scholar of the international relations of the non-Western world and rising above partisan punditry this book represents a major contribution to debates over the post-American era

Sovereignty and the Responsibility to Protect Theresa Reinold, 2013 This book explores how the bedrock institution of today's global order sovereignty is undergoing transformation as a result of complex interactions between power and norms between politics and international law This book analyses a series of controversial military interventions into the internal affairs of irresponsible sovereigns and discusses their consequences for the rules on the use of force and the principle of sovereign equality Featuring case studies on Kosovo Darfur and Afghanistan It shows that frames from one discourse for example the debate over the responsibility to protect have been imported into other discourses on counter terrorism and nuclear non-proliferation in an attempt to legitimize a bold challenge to the global legal order Although the demise of sovereignty is widely debated this book instead seeks to deconstruct sovereignty by explaining how this institution has been reconstituted by global powers whose hegemonic law-making activities have popularized the notion of sovereignty as responsibility Drawing on international relations theory international law and sociology *Sovereignty and the Responsibility to Protect* develops a truly interdisciplinary perspective on the transformation of sovereignty and will be of strong interest to students and scholars in these fields

Selective Responsibility in the United Nations Katy Harsant, 2022-08-30 The United Nations claims to exist in order to maintain international peace and security providing a space within which all states can work together But why then does the UN invoke its responsibility to protect through humanitarian intervention in some instances but not others Why is it

that five states have the power to decide whether or not to intervene This book challenges the dominant narrative of the UN as an institution of equality and progress by analyzing the colonial origins of the organization and revealing the unequal power relations it has perpetuated Harsant argues that the United Nations is unable to fulfill its claims around the protection of international peace and security due to its very structure and the privilege of certain states Moreover through a rigorous examination of the history of the UN and how those structures came to be she argues that the privilege afforded to these states is the result of power relations established through the colonial encounter In order to understand the pressing contemporary issues of how the United Nations operates particularly the Security Council this book discusses issues of power and sovereignty by de silencing the narratives of resistance and reconstructing a history of the United Nations that takes this colonial and anti colonial relationship into account This is a bold challenge to the eurocentrism that dominates International Relations discourse and a call to better understand the colonialism s role in preserving the existing global order **The**

Routledge Handbook on Responsibility in International Relations Hannes Hansen-Magnusson,Antje Vetterlein,2021-07-29 What does responsibility mean in International Relations IR This handbook brings together cutting edge research on the critical debates about responsibility that are currently being undertaken in IR theory This handbook both reflects upon an emerging field based on an engagement in the most crucial theoretical debates and serves as a foundational text by showing how deeply a discussion of responsibility is embedded in broader questions of IR theory and practice Contributions cover the way in which responsibility is theorized across different approaches in IR and relevant neighboring disciplines and demonstrate how responsibility matters in different policy fields of global governance Chapters with an empirical focus zoom in on particular actor constellations of emerging states international organizations political movements or corporations or address how responsibility matters in structuring the politics of global commons such as oceans resources or the Internet Providing a comprehensive overview of IR scholarship on responsibility this accessible and interdisciplinary text will be a valuable resource for scholars and students in many fields including IR international law political theory global ethics science and technology area studies development studies business ethics and environmental and security governance **State Renaissance for Peace** Emmanuel H. D. De Groof,2020-08-27 After 1989 the function of

transitional governance changed It became a process whereby transitional authorities introduce a constitutional transformation on the basis of interim laws In spite of its domestic nature it also became an international project and one with formidable ambitions ending war conflict or crisis by reconfiguring the state order This model attracted international attention from the UN Security Council and several regional organisations and became a playing field of choice in international politics and diplomacy Also without recourse to armed force international actors could impact a state apparatus through state renaissance This book zooms in on the non forcible aspects of conflict related transitional governance while focusing on the transition itself This study shows that neither transitional actors nor external actors must respect specific

rules when realising or contributing to state renaissance The legal limits to indirectly provoking regime change are also being unveiled

International Relations as Politics among People Hannes Hansen-Magnusson,2019-11-25 Pioneering a hermeneutic methodology for analyses of global governance this is the first monograph that makes Hans Georg Gadamer's and Paul Ricoeur's hermeneutic philosophy relevant for global politics research Drawing on the concept of horizon as the element that captures the dynamics of understanding in social interaction in order to analyse processes of international politics this book shows that what is required is the embeddedness of meanings and ideas in human action and reflection By advancing theory building with regard to particular questions of global governance it reconceptualises international relations as politics among people Providing a contextualised constructivist approach that highlights the importance of processes to which people are central it challenges the use of collective concepts such as state and nation as units of analysis which continue to dominate international relations but which cloud the details of interaction processes The two case studies of UN Convention on the Law of the Sea and Germany in NATO's mission Operation Allied Force in Kosovo in 1999 are structured around this contextualised constructivist approach developed in the monograph The studies reveal how interaction processes can be made accountable leading to new vantage points of our understanding of governance problems This book will be of interest to scholars interested in global governance the work of Hans Georg Gadamer Paul Ricoeur and hermeneutic philosophy the UN humanitarian interventions and foreign policy analysts

Elgar Encyclopedia of International Relations Beate Jahn,Sebastian Schindler,2025-03-12 This Encyclopedia provides a comprehensive account of the theoretical and practical development of international relations Experts in the field examine the intellectual and political relevance of core concepts from liberalism and constructivism to war and conspiracy This title contains one or more Open Access chapters

Theorising the Responsibility to Protect Ramesh Chandra Thakur,Ramesh Thakur,William Maley,2015-07-30 This book relates the Responsibility to Protect to existing bodies of theory on the nature and foundations of political and international order

The Oxford Handbook of the Responsibility to Protect Alex Bellamy,Tim Dunne,2016-06-30 The Responsibility to Protect R2P is intended to provide an effective framework for responding to crimes of genocide ethnic cleansing war crimes and crimes against humanity It is a response to the many conscious shocking cases where atrocities on the worst scale have occurred even during the post 1945 period when the United Nations was built to save us all from the scourge of genocide The R2P concept accords to sovereign states and international institutions a responsibility to assist peoples who are at risk or experiencing the worst atrocities R2P maintains that collective action should be taken by members of the United Nations to prevent or halt such gross violations of basic human rights This Handbook containing contributions from leading theorists and practitioners including former foreign ministers and special advisors examines the progress that has been made in the last 10 years it also looks forward to likely developments in the next decade

Handbook on Global Constitutionalism Anthony F. Lang,Antje Wiener,2023-11-03 This thoroughly revised

Handbook presents an up to date political and philosophical history of global constitutionalism By exploring the constitutional like qualities of international affairs it provides key insight into the evolving world order **Norm**

Contestation Betsy Jose,2017-12-02 This Brief uses the theory of norm contestation as a model for understanding variation in norm related behavior in international relations While most typical approaches to understanding norms view norms as stable structures and actor responses to them as unquestioned in a global political climate where departures from expected behavior may occur a more nuanced model is needed By using a norm contestation framework that highlights norm fluidity and actor agency this book expands the discussion providing insight into divergent interpretations of norm violation and compliance and the dynamic nature of norms The first two chapters introduce the norm contestation model explain how it contributes to the literature on norm violations and discuss the reasons for the cases discussed Chapters Three and Four provide detailed case studies of the mechanisms of norm contestation as they apply to the civilian immunity and non intervention norms Chapter Five concludes by reconnecting the norm contestation model to the case studies and describing how it can be applied to norms other than those regulating armed conflict It also discusses policy implications and avenues for future research As such this book will appeal to students and researchers working broadly on issues related to international relations theory armed conflict security studies humanitarianism human rights international law and global governance It will also be of interest to policy makers and practitioners interested in influencing the normative behavior of actors in diverse arenas

This is likewise one of the factors by obtaining the soft documents of this **Sovereignty And Responsibility Power Norms And Intervention In International Relations** by online. Sovereignty And Responsibility Power Norms And Intervention In International Relations Introduction

In today's digital age, the availability of Sovereignty And Responsibility Power Norms And Intervention In International Relations books and manuals for download has revolutionized the way we access information. Gone are the days of physically

flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sovereignty And Responsibility Power Norms And Intervention In International Relations books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sovereignty And Responsibility Power Norms And Intervention In International Relations books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sovereignty And Responsibility Power Norms And Intervention In International Relations versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sovereignty And Responsibility Power Norms And Intervention In International Relations books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sovereignty And Responsibility Power Norms And Intervention In International Relations books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sovereignty And Responsibility Power Norms And Intervention In International Relations books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sovereignty And

Responsibility Power Norms And Intervention In International Relations books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sovereignty And Responsibility Power Norms And Intervention In International Relations books and manuals for download and embark on your journey of knowledge?

FAQs About Sovereignty And Responsibility Power Norms And Intervention In International Relations Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sovereignty And Responsibility Power Norms And Intervention In International Relations is one of the best book in our library for free trial. We provide copy of Sovereignty And Responsibility Power Norms And Intervention In International Relations in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sovereignty And Responsibility Power Norms And Intervention In International Relations. Where to download Sovereignty And Responsibility Power Norms And Intervention In International Relations online for free? Are you looking for Sovereignty And Responsibility Power Norms And Intervention In International Relations PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Sovereignty And Responsibility Power Norms And Intervention In International Relations. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and

Sovereignty And Responsibility Power Norms And Intervention In International Relations

effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Sovereignty And Responsibility Power Norms And Intervention In International Relations are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Sovereignty And Responsibility Power Norms And Intervention In International Relations. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Sovereignty And Responsibility Power Norms And Intervention In International Relations To get started finding Sovereignty And Responsibility Power Norms And Intervention In International Relations, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Sovereignty And Responsibility Power Norms And Intervention In International Relations So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Sovereignty And Responsibility Power Norms And Intervention In International Relations. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Sovereignty And Responsibility Power Norms And Intervention In International Relations, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Sovereignty And Responsibility Power Norms And Intervention In International Relations is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Sovereignty And Responsibility Power Norms And Intervention In International Relations is universally compatible with any devices to read.
