Tradition had the League of Star Warriors being rooted in the Tejas Rangers of the Statea United on the mythical First Earth
However while the Tejas Rangers rode horses over the vast wastelands of a single planet Star Warriors flew and lived on
their thunderturkies as their class of battle starships were called They went from planet to planet Rangers fought with six
shot slug throwers rifles and shotguns Star Warriors fought with the latest technological weapon systems including a sling
pistol heavily armed thunderturkey and Hawk star fighter Rangers rode with other rangers and were controlled by the Tejas
government Star Warriors operated alone and were governed by the League of Star Warriors Rangers went after common
criminals Star Warriors went after master criminals powerful criminal organizations and other evil people who were above
the law for one reason or another reason or another Rangers brought lawbreakers before judges who handed out justice Star
Warriors were judges juries and off time executioners Unlike other law enforcement professionals and members of military
organizations Star Warriors were still Star Warriors even after they voluntarily retired or were barred from serving on active
duty The forehead of each Star Warrior was covered with tattoos identifying him as a Star Warrior telling how many years he
spent of active duty and telling the number of times he had been wounded People sought out those tattoos when they needed
help because the local police couldn t or wouldn t help them Jack Quantum had been medically retired Yet he still operated
as a Star Warrior He stopped two assignation attempts and saved a small boy from suffering through a painful and ugly death
He unmasked a major drug lord and stopped his plans to take over the star trader he was flying on Jack became the Master
of the star trader after being critically injured during a firefight the star trader had with an overwhelming number of
starships Yet he was instrumental in saving the starship and over forty thousand people as it blindly flew across the galaxy
