the first true television hit and would be credited with the sales of thousands of television sets The variety show formula was a staple of television in its first 30 years in part because it lent itself to a medium where everything had to be live and preferably inside a studio Most of the early television stars including Jackie Gleason Milton Berle Sid Caesar Ed Sullivan Red Skelton Dinah Shore and Arthur Godfrey rose to prominence through weekly variety shows In the 1960s major stars such as Jerry Lewis Dean Martin Judy Garland and Danny Kaye were hosting variety shows By the 1970s the format was giving way to sitcoms and dramas but pop music stars Sonny and Cher Tony Orlando and Dawn and Donny and Marie Osmond hosted some of the last of the species This book details 57 variety shows from the 1940s through the 1990s A history of each show is first provided followed by a brief look at each episode Air date guest stars sketches performed and a listing of songs featured are included **Adweek** ,2008 **USA Today - Celebrity and Pop Culture Crosswords** Trip Payne,Amy

International Motion Picture Almanac Quigley Publishing,2008 **The Adventures of Ozzie Nelson** John R. Holmes,2021-09-28 When Ozzie Nelson died in 1975 he was no longer a household name For a guy who had created the longest running TV sitcom in history invented the rock video and fronted one of the most successful big bands of the 1930s it s baffling that Nelson has faded so far from American media memory Larger than life offscreen an attorney college football star cartoonist songwriter major band leader Ozzie created a smaller than life TV persona the bumbling average Dad who

became known to the rock generation which included his teen idol son Rick Nelson as the essence of blandness But America also saw Ozzie as their iconic Dad not a father knows best since his pontifications usually proved flawed by the end of each episode but the father who tried his best This book is the only full length biography of Ozzie Nelson since he published his memoirs in 1973 It treats the big band and early TV icon with affection and hints that American pop culture may owe more to Ozzie than is generally acknowledged **A Selected Guide to Audio-visual Materials on Alcohol and Alcoholism**
