State By State A Panoramic Portrait Of America

Dinesh Sharma

State By State A Panoramic Portrait Of America:

State by State Matt Weiland, Sean Wilsey, 2008-09-16 The editors of The Thinking Fan's Guide to the World Cup collects original writings on all fifty states by leading novelists, journalists and essayists in a volume that includes such examples as Anthony Bourdain on New Jersey, Dave Eggers on Illinois and Louise Erdrich on North Dakota. **The Handy**

State-by-State Answer Book Samuel Willard Crompton, 2016-06-20 Red State Blue State Rust belt Sun belt East Coast West Coast A look at the state of the 50 states from Hawaii to New York and Alabama to Wyoming. An engaging look at each state's history, capitals, flowers, birds, famous citizens and more. How did colonies, territories and land purchases shape the United States of America? What differences and similarities are there between the states? What does each state bring to the union? When did each enter the union? What is their history, culture and current population and what might the future bring for each state? From sea to shining sea. The Handy State by State Answer Book Faces Places and Famous Dates for all Fifty States explores the history, growth, politics, people and more of each of the 50 states. It is a resource for learning about the events and personalities that influenced and affected each state, its history, government, cities and culture. It is a convenient place to look for state facts and trivia. It offers an engaging overview of how a union of states became the U.S.A., the background and history of each of its 50 states and the current state of each state. In addition to the state motto, nickname and when it entered the union, The Handy State by State Answer Book answers intriguing questions about the people, places and events that lend a unique character to each state's boundaries, government and places of interest, such as: How much natural variety exists within California? How important were and are the Beach Boys to the making of California's culture? What is the capital of Hawaii? Are the Hawaiians themselves still in charge of their state and its economy? How many artists, writers, poets and sculptors have lived in Massachusetts? Why was it so easy for the Pilgrims and the Puritans to take over eastern Massachusetts? Is New York a city, a state or a state of mind? How many artists and writers have attempted to do justice to the beauty that exists in New York State? Is Mount Rushmore the place from which to view the accomplishments of the state and its people? Who were the first inhabitants of what we call South Dakota? Is it true that the people of Washington and indeed most of the Pacific Northwest are more liberal than their East Coast cousins? Is it true that it never stops raining on the Washington coast? Wide ranging and comprehensive with nearly 140 illustrations, this information rich tome also includes a helpful bibliography and an extensive index adding to its usefulness. A perfect companion for history buffs of all ages. The Handy State by State Answer Book Faces Places and Famous Dates for all Fifty States is an ideal home reference and a convenient place to go to look up the basic facts and more of each of the 50 states. *The Labyrinth of North American Identities* Philip Resnick, 2012-04-25 What exactly does it mean to be North American? Europeans have been engaged in a long running debate about the meaning and nature of Europe. The Labyrinth of North American Identities generates a similar discussion in the context of North America: what do we learn about North America as a unit and its individual countries when

we explore the idea of a shared North American identity Combining cultural anthropological historical political economic and religious considerations Philip Resnick acknowledges the relative differences in power and influence of the United States and its North American neighbours but digs deeper to uncover shared characteristics that constitute a labyrinth of North American identities unrestricted by national boundaries To date discussions of North America have largely revolved around the often technical implications of the North American Free Trade Agreement NAFTA or US homeland security What has been lacking by contrast is a culturally driven set of reflections This book examines the legacy of indigenous cultures the role of organized religion pathways to independence the role of imperial languages manifest destiny market capitalism and its limitations democratic practices and failures diverging uses of the state new world utopias and dystopias regional identities and civilizational perspectives What results is a vision of North America that defies any top down attempt to impose a homogeneous North Americanness

Obama's America Carl Pedersen,2009-04-14 The year 2008 will be remembered as the moment when the US elected its first African American president This revealing book seeks to place the extraordinary rise of Barack Obama within the larger context of a possible historic political realignment in the US and of limits to US power in the world For 2008 also offered a number of history lessons that will surely inform studies of the election and its aftermath Carl Pedersen s book is an attempt to engage with these history lessons It examines the demographic changes that will likely change the nature of American national identity And it assesses the extent to which the grassroots organizations that were crucial in winning the election for Obama may influence the way he will govern the nation Obama s America also attempts to map out the contours of an Obama Doctrine in foreign policy by looking at how his identity has shaped his views on the role of the US in the world and how he in turn has been influenced by his foreign policy advisers It examines the challenges Obama faces in confronting a post American world in which the US is no longer the sole superpower Will Obama be a transformative president

Violet America Jason Arthur,2013-04-05 *Violet America* takes on the long habit among literary historians and critics of thinking about large segments of American literary production in terms of regionalism or local color writing thus marginalizing important literary works Rather than simply celebrating regional difference Jason Arthur argues regional cosmopolitan fiction blends the nation s cultural polarities into a connected interdependent America Book jacket

Comics and the U.S. South Brannon Costello,Qiana J. Whitted,2012-01-20 *Comics and the U S South* offers a wide ranging and long overdue assessment of how life and culture in the United States South is represented in serial comics graphic novels newspaper comic strips and webcomics Diverting the lens of comics studies from the skyscrapers of Superman s Metropolis or Chris Ware s Chicago to the swamps backroads small towns and cities of the U S South this collection critically examines the pulp genres associated with mainstream comic books alongside independent and alternative comics Some essays seek to discover what Captain America can reveal about southern regionalism and how slave narratives can help us reread Swamp Thing others examine how creators such as Walt Kelly Pogo Howard Cruse Stuck Rubber Baby

Kyle Baker Nat Turner and Josh Neufeld A D New Orleans after the Deluge draw upon the unique formal properties of the comics to question and revise familiar narratives of race class and sexuality and another considers how southern writer Randall Kenan adapted elements of comics form to prose fiction With essays from an interdisciplinary group of scholars Comics and the U S South contributes to and also productively reorients the most significant and compelling conversations in both comics scholarship and in southern studies *Food Lit* Melissa Brackney Stoeger,2013-01-08 An essential tool for assisting leisure readers interested in topics surrounding food this unique book contains annotations and read alikes for hundreds of nonfiction titles about the joys of comestibles and cooking Food Lit A Reader s Guide to Epicurean Nonfiction provides a much needed resource for librarians assisting adult readers interested in the topic of food a group that is continuing to grow rapidly Containing annotations of hundreds of nonfiction titles about food that are arranged into genre and subject interest categories for easy reference the book addresses a diversity of reading experiences by covering everything from foodie memoirs and histories of food to extreme cuisine and food expos s Author Melissa Stoeger has organized and described hundreds of nonfiction titles centered on the themes of food and eating including life stories history science and investigative nonfiction The work emphasizes titles published in the past decade without overlooking significant benchmark and classic titles It also provides lists of suggested read alikes for those titles and includes several helpful appendices of fiction titles featuring food food magazines and food blogs **More Curious** Sean Wilsey,2015 **Soul of a People** David A. Taylor,2010-04-15 Soul of a People is about a handful of people who were on the Federal Writer s Project in the 1930s and a glimpse of America at a turning point This particular handful of characters went from poverty to great things later and included John Cheever Ralph Ellison Zora Neale Hurston Richard Wright and Studs Terkel In the 1930s they were all caught up in an effort to describe America in a series of WPA guides Through striking images and firsthand accounts the book reveals their experiences and the most vivid excerpts from selected guides and interviews Harlem schoolchildren truckers Chicago fishmongers Cuban cigar makers a Florida midwife Nebraskan meatpackers and blind musicians Drawing on new discoveries from personal collections archives and recent biographies a new picture has emerged in the last decade of how the participants individual dramas intersected with the larger picture of their subjects This book illuminates what it felt like to live that experience how going from joblessness to reporting on their own communities affected artists with varied visions as well as what feelings such a passage involved shame humiliation anger excitement nostalgia and adventure Also revealed is how the WPA writers anticipated and perhaps paved the way for the political movements of the following decades including the Civil Rights movement the Women s Right movement and the Native American rights movement *Poems on Civility* S T Kimbrough,2025-06-24 Although civility may sometimes have been viewed as formal politeness and courtesy in one s speech and behavior its meaning has become more complex in contemporary society It certainly still has to do with how we speak and act but these are overlaid with political and partisan meanings and a variety of media and social media options

Poems on Civility says nothing new about diverse types of civility or lack of them however it accentuates many emphases related to civility with words phrases images metaphors and similes that may help readers to think more vividly and act more intentionally to create a more civil society The four sections follow a progression Civility Starts with You Civility Depends on You Civility Must Be Discussed and Civility Must Be Done Civility requires creative thinking and creative action Above all civility expects a just and equal regard of all human beings Recognition of wrong directed activities of leaders is one thing but civility must be thought through discussed and acted upon There is always the tendency of autocrats and anarchists to take away the rights of free speech and discussion If the art of listening carefully to one another is lost civility vanishes

Travels With Casey Benoit Denizet-Lewis,2015-07-21 Over four months 32 states and 13 000 miles in a rented motor home Denizet Lewis and his canine companion attempt to pay tribute to the most powerful interspecies bond there is in the country with the highest rate of dog ownership in the world On the way Denizet Lewis known for his deeply reported dispatches from far corners of American life meets an irresistible cast of dogs and dog obsessed humans **In the Land of No Right Angles** Daphne Beal,2008-08-12 Alex a twenty year old American student is spending the year in Nepal backpacking and photographing As a favor to Will her American friend she uses one of her Himalayan treks to seek out Maya a young Nepali woman desperate to flee her traditional family to find work in Kathmandu But helping Maya has unforeseen implications Soon Alex is embroiled in a strange triangle with Maya and Will where the lines between friendship love and lust grow more tangled every day Over the course of the next eight years Alex returns to Nepal first to visit and to photograph then in an attempt to help the troubled Maya Moving between Kathmandu New York and the grim houses of prostitution along Falkland Road in Bombay Alex begins to understand the pitfalls of trying to be both adventurer and savior in an unfamiliar world In the Land of No Right Angles introduces the fiction of Daphne Beal whose evocations of life in Nepal and of the universal conflicts inherent to love and friendship mark the arrival of a stunningly talented intuitive writer Best Creative Nonfiction of the South, Volume II: North Carolina Casey Clabough,Michael Chitwood,2020-03-02 Best Creative Nonfiction of the South serves as a valuable resource for scholars students writers and general readers interested in creative nonfiction both from specific areas of the South and across the region as a whole This North Carolina volume second in the series contains essays that celebrate and document the Tar Heel state s diverse cultures and geography from the mountains to the sea The writers included here come from diverse backgrounds generations and artistic traditions and as with most volumes in the series this one indirectly reflects literary changes within the region over time In some cases publisher permissions and other factors have foiled the editors from including the work of deserving writers Nevertheless the abundant literary talent in the state has lessened the impact of the occasional unfortunate omission **Mansfield and Dirksen** Marc C. Johnson,2023-08-01 The U S Senate is so sharply polarized along partisan and ideological lines today that it s easy to believe it was always this way But in the turbulent 1960s even as battles over civil rights and the war in Vietnam dominated

American politics bipartisanship often prevailed One key reason two remarkable leaders who remain giants of the Senate Republican leader Everett Dirksen of Illinois and Democratic leader Mike Mansfield of Montana the longest serving majority leader in Senate history so revered for his integrity fairness and modesty that the late Washington Post reporter David Broder called him the greatest American I ever met The political and personal relationship of these party leaders extraordinary by today s standards is the lens through which Marc C Johnson examines the Senate in that tumultuous time Working together with the Democrat often ceding public leadership to his Republican counterpart Mansfield and Dirksen passed landmark civil rights and voting rights legislation created Medicare and helped bring about a foundational nuclear arms limitation treaty The two leaders could not have been more different in personality and style Mansfield a laconic soft spoken almost shy college history professor and Dirksen an aspiring actor known for his flamboyance and sense of humor dubbed the Wizard of Ooze by reporters Drawing on extensive Senate archives Johnson explores the congressional careers of these iconic leaders their intimate relationships with Presidents John F Kennedy and Lyndon B Johnson and their own close professional friendship based on respect candor and mutual affection A study of politics but also an analysis of different approaches to leadership this is a portrait of a U S Senate that no longer exists one in which two leaders while exercising partisan political responsibilities could still come together to pass groundbreaking legislation and a reminder of what is possible

Shakespeare in Montana Gretchen E. Minton, 2020-05-15 Tracing more than two centuries of history Shakespeare in Montana uncovers a vast array of different voices that capture the state s love affair with the world s most famous writer From mountain men pioneers and itinerant acting companies in mining camps to women s clubs at the turn of the twentieth century and the contemporary popularity of Shakespeare in the Parks throughout Montana the book chronicles the stories of residents across this incredible western state who have been attracted to the words and works of Shakespeare Minton explores this unique relationship found in the Treasure State and provides considerable insight into the myriad places and times in which Shakespeare s words have been heard and discussed By revealing what Shakespeare has meant to the people of Montana Minton offers us a better understanding of the state s citizens and history while providing a key perspective on Shakespeare s enduring global influence

Louise Erdrich David Stirrup, 2013-07-19 Louise Erdrich is one of the most critically and commercially successful Native American writers This book is the first fully comprehensive treatment of Erdrich s writing analysing the textual complexities and diverse contexts of her work to date Drawing on the critical archive relating to Erdrich s work and Native American literature Stirrup explores the full depth and range of her authorship Breaking Erdrich s oeuvre into several groupings poetry early and late fiction memoir and children s writing Stirrup develops individual readings of both the critical arguments and the texts themselves He argues that Erdrich s work has developed an increasing political acuity to the relationship between ethics and aesthetics in Native American literatures Erdrich s insistence on being read as an American writer is shown to be in constant and mutually inflecting dialogue with her

Ojibwe heritage This sophisticated analysis is of use to students and readers at all levels of engagement with Erdrich's writing

Quarterly Essay 63 Enemy Within Don Watson, 2016-08-29 In *Enemy Within* Don Watson takes a memorable journey into the heart of the United States in the year 2016 and the strangest election campaign that country has seen Travelling in the Midwest Watson reflects on the rise of Donald Trump and the thicket of unreality that is the American media Behind this he finds a deeply fearful and divided culture Watson considers the irresistible pull for Americans of the Dream of exceptionalism and asks whether this creed is reaching its limit He explores alternate futures from Trump style fascism to Sanders style civic renewal and suggests that a Clinton presidency might see a new American blend of progressivism and militarism *Enemy Within* is an eloquent barbed look at the state of the union and the American malaise If as seems likely Clinton wins it will not be out of love or even hope but rather out of fear She can win by simply letting her deplorable opponent lose On the other hand she's nothing if not adaptable and she could yet see the chance to lead the nation's social and economic regeneration Call it a New Great Awakening or a New New Deal it would owe something to both and to Bernie Sanders as well but also to her need to be more than the first woman president Don Watson *Enemy Within* Must read Don Watson is the ideal person to survey Trump's America The Weekend Australian A fascinating journey through the United States ABC Brisbane Weekend Bookworm

Barack Obama in Hawai'i and Indonesia Dinesh Sharma, 2011-09-22 Distinguishing itself from the mass of political biographies of Barack Obama this first interdisciplinary study of Obama's Indonesian and Hawai'ian years examines their effect on his adult character political identity and global world view The first 18 years of President Obama's life from his birth in 1961 to his departure for college in 1979 were spent in Hawai'i and Indonesia These years fundamentally shaped the traits for which the adult Obama is noted his protean identity his nuanced appreciation of multiple views of the same object his cosmopolitan breadth of view and his self-rooted outpost patriotism *Barack Obama in Hawai'i and Indonesia The Making of a Global President* is the first study to examine in fascinating detail how his early years impacted this unique leader Existing biographies of President Obama are primarily political treatments Here cross cultural psychologist and marketing consultant Dinesh Sharma explores the connections between Obama's early upbringing and his adult views of civil society secular Islam and globalization The book draws on the author's on the ground research and extensive first hand interviews in Jakarta Honolulu New York Washington DC and Chicago to evaluate the multicultural inputs to Obama's character and the ways in which they prepared him to meet the challenges of world leadership in the 21st century

Who's Yer Daddy? Jim Elledge, David Groff, 2012-12-05 *Who's Yer Daddy* offers readers of gay male literature a keen and engaging journey In this anthology thirty nine gay authors discuss individuals who have influenced them their inspirational daddies The essayists include fiction writers poets and performance artists both honored masters of contemporary literature and those just beginning to blaze their own trails They find their artistic ancestry among not only literary icons Walt Whitman Oscar Wilde Andr Gide Frank O'Hara James Baldwin Edmund White but also a roster of

figures whose creative territories are startlingly wide and vital from Botticelli to Bette Midler to Captain Kirk Some writers chronicle an entire tribal council of mentors others describe a transformative encounter with a particular individual including teachers and friends whose guidance or example cracked open their artistic selves Perhaps most moving are the handful of writers who answered the question literally writing intimately of their own fathers and their literary inheritance This rich volume presents intriguing insights into the contemporary gay literary aesthetic Winner LGBT Nonfiction Anthology Lambda Literary Awards Srebrenica in the Aftermath of Genocide Lara J. Nettelfield, Sarah Wagner, 2014 This book traces the reverberations of genocide forced displacement and a legacy of loss in Bosnia and abroad
